

Marble Themefactory

Dennis Webb, Mark E. Randall

Napoleon Gray Phenix Marble Company,1926

Marble Luciana Mannoni,Tiziano Mannoni,

Fine Marble In Architechture Frederick Bradley,Studio Marmo,2001-05 Marble has always been the most elegant and beautiful structural material. Its near-immortal endurance led to its use in religious and monumental works in ancient times; it is still prized for its strength as well as its infinitely decorative character. This book traces the history of its use and provides valuable information on the characteristics of various premium marbles: their esthetic features and defects, physical-mechanical characteristics, and how they are commonly worked and used. Aimed at bridging the gap between designers not necessarily expert in the marble industry and suppliers/producers, the book explains the terminology and classification of marble and provides information on the availability and sources of materials.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. The Aesthetics of Marble Gerhard Wolf,Jessica N. Richardson,2021 Marble is a metamorphic stone that has been a material of choice and a subject of reflection for millennia. Its geology, history, and economics are well known, but its aesthetics remain understudied. This book sheds new light on the celebration and uses

of marble in art and literature and on the iconic potential of the stone. Through empirical research centered on the Mediterranean from Late Antiquity to the present, it closely examines the artistic versatility of marble in its uses and re-uses, including the marble cladding of architecture, the carving of marble and painting on stone, their political and philosophical connotations, and the de- and re-materializing of marble made possible by digital technology--

Greenberg's Guide to Marbles Dennis Webb,Mark E. Randall,1994 A tour of the colorful history of marbles. Shows marble-making technology, and tells how to identity the different types of marbles. Includes marble-making stories, marble company histories, and a price guide.
