Margaritas at The Beach House Hotel Judith Keim,2021-06-24 An upscale hotel like The Beach House Hotel sometimes attracts surprise guests... Ann and Rhonda continue overseeing their Beach House Hotel along the Gulf Coast of Florida and providing guests with a lovely experience of good eating, relaxation, and the privacy many of them require. When Vice President of the United States, Amelia Swanson, asks them for a favor, Ann and Rhonda agree without realizing it means protecting Amelia's sister from an abusive husband and a nosy public, including their nemesis, Brock Goodwin, who hopes to gain something from the knowledge. But once they've said yes, there's no going back. Life continues at a busy pace with their families growing baby by baby. Nell, Vaughn's daughter, has a baby girl; Rhonda's daughter, Angela, has her second baby, a girl; and Liz, Ann's daughter, is desperately trying to get pregnant. With all the tension and activity taking place at home and at the hotel, Ann and Rhonda meet in the afternoon when they can for margaritas and private talk. Rhonda, especially, needs Ann's guidance in how to handle Katherine Smythe, Angela's mother-in-law, and one of the most irritating people they know. After they have what Rhonda calls a "near-death experience," they come to realize how lucky they are. And when another wedding takes place at the hotel due to what Rhonda believes is her matchmaking skills, they celebrate life and margaritas at The Beach House Hotel in a whole different way. This is a light-hearted, fun beach read with characters readers love. Be sure and read all the other books in this series: Breakfast at The Beach House Hotel, Lunch at The Beach House Hotel, Dinner at The Beach House Hotel, Christmas at The Beach House Hotel, and the upcoming Dessert at The Beach House Hotel.

The Success Mindset Of Great Leaders Yael Eylat-Tanaka,2021-01-26 What does success mean? How is it measured - wealth, fame, many friends?This book explores the many layers of what constitutes true success, and how one can achieve it. Success is what everyone claims to want; and yet, few are able to adequately define what it is. For many, success is fame and fortune, yet those that really achieve that “goal” are relatively few. In fact, success is an ephemeral concept that needs constant shoring up and redefinition: Once you have achieved what you think is success, you have to keep working to maintain it! The definition of success is not a simple one, but the means to it are open to everyone who genuinely adopts its underlying principles. Curiously, many of those who do not enjoy what is popularly understood as success still claim to be happy. In fact, as we shall see, happiness is an integral part of the entire phenomenon of success.
