**My Story** Marilyn Monroe, 2006-11-25 Written at the height of her fame but not published until over a decade after her death, this autobiography of actress and sex symbol Marilyn Monroe (1926-1962) poignantly recounts her childhood as an unwanted orphan, her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Joe DiMaggio. In this intimate account of a very public life, she tells of her first (non-consensual) sexual experience, her romance with the Yankee Clipper, and her prescient vision of herself as the kind of girl they found dead in the hall bedroom with an empty bottle of sleeping pills in her hand. The Marilyn in these pages is a revelation: a gifted, intelligent, vulnerable woman who was far more complex than the unwitting sex siren she portrayed on screen. Lavishly illustrated with photos of Marilyn, this special book celebrates the life and career of an American icon—from the unique perspective of the icon herself.

**Marilyn Monroe** Michelle Vogel, 2014-04-16 This book is essentially a filmography interlaced with a complex biographical account of Marilyn Monroe's life and loves throughout her career. A lengthy introduction explains her traumatic early life and mysterious, unexpected, much talked about death. Behind the scenes information, cast and crew lists, box office grosses and photographs are given for each film. There is a Foreword by Academy Award-winning actor (West Side Story) George Chakiris, who worked as a chorus dancer in two of Monroe's biggest productions, *Gentlemen Prefer Blondes* (1953) and *There's No Business Like Show Business* (1954). This is a definitive summation of the Hollywood icon's career.

*Marilyn Monroe* Barbara Leaming, 2010-02-10 Barbara Leaming's *Marilyn Monroe* is a complex, sympathetic portrait that will totally change the way we view the most enduring icon of American sexuality. To those who think they have heard all there is to hear about Marilyn Monroe, think again. Leaming's book tells a brand-new tale of sexual, psychological, and political intrigue of the highest order. Told for the first time in all its complexity, this is a compelling portrait of a woman at the center of a drama with immensely high stakes, a drama in which the other players are some of the most fascinating characters from the world's of movies, theater, and politics. It is a book that shines a bright light on one of the most tumultuous, frightening, and exciting periods in American culture. Basing her research on new interviews and on thousands of primary documents, including revealing letters by Arthur Miller, Elia Kazan, John Huston, Laurence Olivier, Tennessee Williams, Darryl Zanuck, Marilyn's psychiatrist Dr. Ralph Greenson, and many others, Leaming has reconstructed the tangles of betrayal in Marilyn's life. For the first time, a master storyteller has put together all of the pieces and told Marilyn's story with the intensity and drama it so richly deserves. At the heart of this book is a sexual triangle and a riveting story of betrayal that has never been told before. You will come away filled with new respect for Marilyn's incredible courage, dignity, and loyalty, and an overwhelming sense of tragedy after witnessing Marilyn, powerless to overcome her demons, move inexorably to her own final, terrible betrayal of herself. *Marilyn Monroe* is a book that will make you think--and will break your heart.

*Marilyn Monroe* Marie Clayton, 2008 *Marilyn Monroe* was one of the most iconic stars of the 20th century. This book charts the life of this Hollywood legend from her early life through her illustrious

career.

Marilyn Monroe Donald Spoto, 2001 Relying on over 150 interviews as well as Marilyn's letters and diaries, this work by best-selling biographer Spoto casts new light on every aspect of the actress's tempestuous life.

**Marilyn Monroe: on the Couch** Alma Halbert Bond, 2013-10-01 There is much written, rumored, told, and retold about Marilyn Monroe, but the most unusual and remarkable fact about her is this: In person as well in her films, she appeared to be outright luminous—enveloped by a glow, like a firefly in the dark. Even Laurence Olivier, who costarred with Marilyn in the 1957 film *The Prince and the Showgirl*, saw it. Though he seemed to dislike her intensely, he had to admit that, in all her scenes, she lit up the screen. But exquisite as it can be, luminosity can be a kind of camouflage. It can hide the truth underneath. What exactly was Marilyn illuminating in the atmosphere that surrounded her? Her beauty was certainly stunning, dazzling—blinding, even—but what did it hide? Marilyn, more brilliant than many understood, knew well the difference between looking upon the light and seeing beyond the glow. “Men do not see me,” she said. “They just lay their eyes on me.” Psychoanalyst and longtime woman's biographer Dr. Alma Bond imagines, in detail, a several-year stretch during the late 1950s and early 1960s, when Marilyn, an exceedingly fragile figure, submits to analysis on the couch of Manhattan psychoanalyst Dr. Darcy Dale and, following her . return to Hollywood, corresponds with her. Brilliantly, entertainingly, and movingly, *Marilyn Monroe: On the Couch* shows just what lay beneath Marilyn's radiance. Dr. Dale, a fictional stand-in for the author, Dr. Bond, sees Marilyn Monroe as few ever have, both inside and out, and transfers those insights to readers. It's impossible to imagine anyone providing a better, more complete, intimate, and unforgettable understanding of this truly remarkable, iconic, and even pivotal figure in film and sexual history.

The Many Lives of Marilyn Monroe Sarah Churchwell, 2005-01-10 This investigation into the debates

surrounding Marilyn Monroe's life and the cultural attitudes that her legend reveals relies on the unreliable and unverifiable--but highly significant--stories that have framed the greatest Hollywood legend.

*My Story* Marilyn Monroe, Ben Hecht, 2006-09 Little known and long unavailable, this autobiography, written by actress and starlet Marilyn Monroe (1926-1962), describes her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Joe DiMaggio, and more.

Goddess Anthony Summers, 2012-11-06 The updated bestselling biography—based on over six hundred interviews—and the inspiration for the Netflix documentary, *The Mystery of Marilyn Monroe*. Marilyn Monroe, born in obscurity and deprivation, became an actress and legend of the twentieth century, romantically linked to famous men from Joe DiMaggio to Arthur Miller to John F. Kennedy. But her tragic death at a young age, under suspicious circumstances, left behind a mystery that remains unsolved to this day. Anthony Summers interviewed more than six hundred people, laying bare the truths—sometimes funny, often sad—about this brilliant, troubled woman. The first to gain access to the files of Monroe's last psychiatrist, Summers uses the documents to explain her tangled psyche and her dangerous addiction to medications. He establishes, after years of mere rumor, that President Kennedy and his brother Robert were both intimately involved with Monroe in life—and in covering up the circumstances of her death. Written and updated by a Pulitzer Prize nominee who has authored works on JFK, J. Edgar Hoover, and the 9/11 attacks, this investigation of an iconic star's brief life and early death is "remarkable. . . . The ghost of Marilyn Monroe cries out in these pages" (*The New York Times*). Netflix's

The Mystery of Marilyn Monroe will cement this work as the definitive biography of the unforgettable woman.

**Marilyn Monroe: The Last Interview** Sady Doyle, 2020-10-06 I'm so many people. They shock me sometimes. I wish I was just me! --Marilyn Monroe Nearly sixty years after her death, Marilyn Monroe remains an icon whom everyone loves but no one really knows. The conversations gathered here--spanning her emergence on the Hollywood scene to just days before her death at age 36--show Monroe at her sharpest and most insightful on the thorny topics of ambition, fame, femininity, desire, and more. Together with an introduction by Sady Doyle, these pieces reveal yet another Marilyn: not the tragic heroine she's become in the popular imagination, but a righteously and justifiably angry figure breaking free of the limitations the world forced on her.

**Marilyn Monroe Day by Day** Carl Rollyson, 2014-10-16 From hefty biographies and fact-based novels to photograph collections and memoirs, more books have been written about Marilyn Monroe than any other female over the past century. However, no biography—regardless how authoritative—can contain all of the facts and events of an individual's life, and Marilyn's is no exception. In *Marilyn Monroe Day by Day: A Timeline of People, Places, and Events*, Carl Rollyson provides a documentary approach to the life and legend of this singular personality. With details of her childhood, her young adult years, her ascent to superstardom, and the hour by hour moments leading to her tragic early death, this volume supplements—and, in some cases, corrects—the accounts of previous biographies. In addition to restoring what is left out in other narratives about Marilyn's life, this book also illuminates the gaps and discrepancies

that still exist in our knowledge of her. Drawing on excerpts from her diaries, journals, letters, and even checks and receipts—as well as reports of others—Rollyson recreates the day-to-day world of a woman who still fascinates us more than fifty years after her death. **Marilyn Monroe** Carl Rollyson,2014-06-04 In American popular culture, Marilyn Monroe(1926–1962) has evolved in stature from movie superstar to American icon. Monroe's own understanding of her place in the American imagination and her effort to perfect her talent as an actress are explored with great sensitivity in Carl Rollyson's engaging narrative. He shows how movies became crucial events in the

shaping of Monroe's identity. He regards her enduring gifts as a creative artist, discussing how her smaller roles in *The Asphalt Jungle* and *All About Eve* established the context for her career, while in-depth chapters on her more important roles in *Bus Stop*, *Some Like It Hot*, and *The Misfits* provide the centerpiece of his examination of her life and career. Through extensive interviews with many of Monroe's colleagues, close friends, and other biographers, and a careful rethinking of the literature written about her, Rollyson is able to describe her use of Method acting and her studies with Michael Chekhov and Lee Strasberg, head of the Actors' Studio in New York. The author also analyzes several of Monroe's own drawings, diary notes, and letters that have recently become available. With over thirty black-and-white photographs (some published for the first time), a new foreword, and a new afterword, this volume brings Rollyson's 1986 book up to date. From this comprehensive, yet critically measured wealth of material, Rollyson offers a distinctive and insightful portrait of Marilyn Monroe, highlighted by new perspectives that depict the central importance of acting to the authentic aspects of her being.

The Secret Life of Marilyn Monroe J. Randy Taraborrelli, 2009-08-25 NOW A LIFETIME  
MINISERIES STARRING KELLI GARNER AND ACADEMY AWARD® WINNER SUSAN  
SARANDON World Premiere May 30th & 31st at 8/7c From New York Times bestselling author J.  
Randy Taraborrelli comes the definitive biography of the most enduring icon in popular American culture.  
When Marilyn Monroe became famous in the 1950s, the world was told that her mother was either dead  
or simply not a part of her life. However, that was not true. In fact, her mentally ill mother was very  
much present in Marilyn's world and the complex family dynamic that unfolded behind the scenes is a

story that has never before been told...until now. In this groundbreaking book, Taraborrelli draws complex and sympathetic portraits of the women so influential in the actress' life, including her mother, her foster mother, and her legal guardian. He also reveals, for the first time, the shocking scope of Marilyn's own mental illness, the identity of Marilyn's father and the half-brother she never knew, and new information about her relationship with the Kennedy's-Bobby, Jack, and Pat Kennedy Lawford. Explosive, revelatory, and surprisingly moving, this is the final word on the life of one of the most fascinating and elusive icons of the 20th Century.

**Norma Jean** Fred Lawrence Guiles, 2020-04-28 Marilyn Monroe remains the most provocative female legend of the twentieth century. What you may have known about her before was only the tip of the iceberg. For twenty years, the men and women who knew Marilyn best saw what they knew suppressed because certain important people were still living, and the tenor of the times prohibited frankness. Instead, rumors ballooned. This book finally sets the record straight. Fred Guiles—whom Norman Mailer acknowledges as the chief source of fact about Marilyn—has written the life behind the legend. He reveals what really happened in the careening career of the pretty waif named Norma Jean Mortensen, who married the boy next door, became a model, an actress, movie star, married an incompatible legend named Joe DiMaggio, sought to improve the mind that came with her near-perfect body, married playwright Arthur Miller, lent herself to the Svengalilike ministrations of Paula and Lee Strasberg, became the mistress of John and then Robert Kennedy when they ran the country, kept camera crews and studios waiting—but not death, which took her under the most unusual circumstances by the age of thirty-six. A

legend, by definition, is unaltered by fact, but the enthralled reader will find the revelations in this book no deterrent to the love of Marilyn Monroe by understanding at last what happened to the Queen of Need. Among the people interviewed for this book are Arthur Miller; James E. Dougherty, her first husband; Frank Taylor, the producer of *The Misfits*; Lee Strasberg; Otto Preminger; Billy Wilder; Joshua Logan and John Huston.

**Marilyn Monroe: Hollywood Icon** Lisa Owings, 2012-09-01 This informative title highlights the life of Marilyn Monroe. Readers will learn about Monroe's background from her birth as Norma Jean through her unstable childhood in foster homes and orphanages to her marriage to James Dougherty at age 16. Monroe's early work is discussed, from her beginnings as a model with Blue Book Modeling Agency to her signing with Twentieth Century Fox Studios, and her becoming Marilyn Monroe, through early films such as *Love Happy* and *We're Not Married* to her superstar roles in *Gentlemen Prefer Blondes*, *How to Succeed in Business Without Really Trying*, *The Seven Year Itch*, *Some Like It Hot*, and *The Misfits*. Monroe's marriages to Joe DiMaggio and Arthur Miller are examined, as is her relationship with the Kennedy family. Monroe's descent into self-destructive behavior is covered, including her death by drug overdose at age 36. This book includes details of Monroe's life and covers the controversies surrounding her life and death. Aligned to Common Core Standards and correlated to state standards.
