His methods gave me the surgical steel to cut into the heart of the affluent market. Ken Catanella, Senior Vice President, Shearson Lehman Hutton I have read, over the past 17 years, everything I could find about marketing financial services, and I can say without hesitation that this book is the best work of its type I have ever read. W. Frank Bullock, Senior Vice President, Citizens and Southern Trust Company Marketing to the Affluent should be required reading for every professional in the securities industry. Dr. Stanley has condensed the secrets of effective self-marketing into a cogent, concise, and comprehensive game plan. Most importantly...his ideas work! Glenn M. - 📖 **SELLING TO THE AFFLUENT** Thomas J. Stanley, 2012-06-29 From the New York Times–bestselling coauthor of The Millionaire Next Door: “No one better illuminates the who, where, and how of the affluent market” (J. Arthur Urciuoli, former chairman at Merrill Lynch). In the bestselling classic The Millionaire Next Door, Dr. Thomas J. Stanley showed his readers where to look for the wealthy. In Selling to the Affluent, he shows us how to persuade them. This book provides an insightful roadmap of the motivations and purchasing patterns of the affluent—and delivers a strategy for salespeople to leverage that information to the best advantage. This book outlines all phases of the sales process, from approaching wealthy prospects to pinpointing their wants and needs—frequently different from those of less affluent markets—and selling both tangible and intangible products. It profiles several key demographics within the wealthy subset—including business owners, men and women, and the retired. It’s the most detailed and inclusive manual on the market for selling to the wealthy. “Dr. Stanley’s strategies consider the real needs of the high income professionals—needs that go beyond any product or service. These needs are psychological and revolve around the recognition of the individual’s extraordinary level of achievements. He provides some terrific insights as to how to solicit and maintain business by unconventional, but highly effective means.” —Carolyn J. Cole, chairman and founder of The Cole Group and The Institute of Economics and Finance “Selling to the Affluent is well written, relevant, and exciting; it presents an important complementary extension to Marketing to the Affluent.” —William D. Danko, PhD, coauthor of The Millionaire Next Door

- 📖 **HOW I MADE \$2,000,000 IN THE STOCK MARKET** Nicholas Darvas, 2023-05-20 HOW I MADE \$2,000,000 IN THE STOCK MARKET is an extraordinary book. It tells one of the most unusual success stories in the history of the stock market. Nicolas Darvas was not a stock market professional trading on inside information. He was one of the highest paid dancers in show business. Yet he was able to make himself a millionaire several times over by his unique investment approach. Unlike other so-called systems, it worked regardless of whether the market rose or fell. When news of Darvas’s fantastic profits and methods leaked, he was featured in Time magazine. He then was persuaded to write this book, which became an instant hit—selling nearly 200,000 copies in eight weeks. Many of the companies talked about in this book no longer exist. Many of the stocks are no longer traded. Nevertheless, the basic principles are as sound as ever.

- 📖 **THE 10-MINUTE MILLIONAIRE** D. R. Barton, Jr., 2017-01-24 America’s “Millionaires’ Club” now has 10.4 million members – the most ever, according to the latest statistics. And it’s a club you can join – much sooner than you might think, says D.R. Barton, Jr., a top trader, television analyst and former hedge fund officer. In his new book, The 10-Minute Millionaire, D.R. has distilled his decades of experience trading the markets into a system so simple that even a new investor can set it up and maintain it in increments of as little as 10 minutes. The 10-Minute Millionaire combines goal-setting, stock-screening and trading strategies whose ultimate objective is to give you membership in that Millionaires’ Club. The system is so simple D.R. has taught it to sixth graders, yet so powerful it can transform even a small starting stake into lifelong financial freedom – in a way that utterly destroys “buy-and-hold” investing. Loaded with step-by-step illustrations and personal stories, the 10-Minute Millionaire takes the powerful secrets of Wall Street insiders and breaks them down into an easy-to-understand blueprint for beating the markets, day after day, week after week. Using an easy three-step process, D.R. walks you through a repeatable and reliable way to identify the stock-market extremes that show up virtually every day. He trains you to properly frame each trade to maximize profit and minimize risk. Finally, he neutralizes the natural biases that lead most traders to financial destruction – and shows you how to book big profits from other trader’s irrational miscues. This isn’t an algorithmic “black box.” It’s not “robo-trading.” The 10-Minute Millionaire system still requires personal involvement. It still requires commitment. But it squeezes out emotion, filters out the noise, slashes the risk, and maximizes your potential for profits – and also for meaningful wealth. Once you learn the 10-Minute Millionaire way, it’s a system you can operate and update in tiny 10-minute increments. Before you know it, you’ll be trading better than a seasoned pro. And you’ll watch as your “assets” turn into true wealth. And you’ll learn the most-valuable lesson of all: Becoming a millionaire doesn’t have to be an unattainable dream. Make it a goal, and pursue that goal, and before long that dream will be real.

📖 **MILLIONAIRES FOR THE MONTH** STACY McANULTY,2020-09-01 How would you spend five million dollars in 30 days? A billionaire’s wallet, a bizarre challenge, and an unlikely friendship send two kids on a wild adventure. From the author of The Miscalculations of Lightning Girl. Felix Rannells and Benji Porter were never supposed to be field-trip partners. Felix is a rule follower. Benji is a rule bender. They’re not friends. And they don’t have anything to talk about. Until . . . They find a wallet. A wallet that belongs to tech billionaire Laura Friendly. They’re totally going to return it-but not before Benji borrows twenty dollars to buy hot dogs. Because twenty dollars is like a penny to a billionaire, right? But a penny has value. A penny doubled every day for thirty days is \$5,368,709.12! So that’s exactly how much money Laura Friendly challenges Felix and Benji to spend. They have thirty days. They can’t tell anyone. And there are LOTS of other rules. But if they succeed, they each get ten million dollars to spend however they want. Challenge accepted! They rent cool cars, go to Disney World, buy pizza for the whole school-and that’s just the beginning! But money can’t buy everything or fix every problem. And spending it isn’t always as easy and fun as they thought it would be. . . . As smart as it is entertaining, Millionaires for the Month is a thought-provoking story about friendship, privilege, and the value of a penny.

📖 **THE VERY, VERY RICH AND HOW THEY GOT THAT WAY (HARRIMAN CLASSICS)** MAX GUNTHER,2021-09-07 Max Gunther’s classic study of the super rich - now back in a new edition. The Very, Very Rich and How They Got That Way provides revealing insights into the intriguing world of big money, recounting the spectacular success stories of 15 people who made it to the very, very top. In 1972, Max Gunther invited readers to take a journey with him through a gallery of America’s most prominent millionaires. The inhabitants framed here are by no means merely ordinary millionaires, though - the minimum qualifying standard to be considered for inclusion was ownership of assets valued at \$100 million or more (the equivalent of \$650 million today). This classic is now nearly 50 years old but its value endures, since the key steps on the route to wealth do not change with time. These secrets can be learned from, adapted and applied by anyone today.

📖 **MILLIONAIRE** WAYNE WAGNER,AL WINNIKOFF,2001-01-13 There may be other books on index funds, but there has never been one as easy to read as Millionaire. Full of solid advice, anecdotes, and true stories, Millionaire is concrete information plus plenty of motivation all in one uncomplicated package. How to go from spender to saver. Two self-made millionaires, Wayne Wagner and Al Winnikoff have spent their professional lives making millions for their clients. Now they offer a simple strategy that shows how investing in index funds can make you a millionaire. Whether you’re a seasoned investor or just starting out, anyone-- from a minimum-wage earner to a six-figure executive-- can follow this tried and true plan and make it work. How to go from saver to investor. Read Wagner and Winnikoff and you will be absolutely convinced that you can become a millionaire. And they’ll show you exactly how to do it in a way that will make you want to get started immediately. How to go from investor to millionaire. We tell our readers exactly what and how to save and invest, and prove why this strategy works with simple explanations and supporting documentation-- but without having to bog them down with weighty theories. Why the Millionaire plan? You don’t need any prior knowledge about investing or money management. By following a simple formula based on the number of years to the target goal of a million dollars, you will know exactly how much money you need to save per month or per day. There’s one simple set of rules of encouragement to keep you from doing the things that sabotage your goal. Why index funds? All you need to get started is the money you’d spend on lunch every day. You don’t have to work long hours trying to keep on top of the market. You just sit back and let the economy work all 24 hours every day for you while you watch the returns compound and your money grow. There’s no need to agonize over which strategy to follow or which stocks to pick. There are no brokerage fees. And, unlike mutual funds, with index funds there’s no high-priced manager using your money to try to beat the market, and losing most of the time. Index funds beat mutual funds for 14 out of the last 20 years. Wagner and Winnikoff show you step by step everything you’ll need to know, from how to buy into an index fund in manageable bits and pieces, to what to do when it’s time to start cashing in. But most importantly, Millionaire gives you the inspiration you need to get started and the motivation you need to stay the course.
