And now 15-year-old Will, always small for his age, has been chosen as a Ranger's apprentice. What he doesn't yet realize is that the Rangers are the protectors of the kingdom. Highly trained in the skills of battle and surveillance, they fight the battles before the battles reach the people. And as Will is about to learn, there is a large battle brewing. The exiled Morgarath, Lord of the Mountains of Rain and Night, is gathering his forces for an attack on the kingdom. This time, he will not be denied. . . . international phenomenon. Perfect for fans of J.R.R. Tolkien's Lord of the Rings, T.H. White's The Sword in the Stone, Christopher Paolini's Eragon series, and George R. R. Martin's Game of Thrones / A Song of Ice and Fire series.

The Eight Mountains Paolo Cognetti, 2018-03-20 *The book that inspired the film Le Otto Montagne* For fans of Elena Ferrante and Paulo Coelho comes a moving and elegant novel about the friendship between two young Italian boys from different backgrounds and how their connection evolves and challenges them throughout their lives. "Few books have so accurately described the way stony heights can define one's sense of joy and rightness...an exquisite unfolding of the deep way humans may love one another" (Annie Proulx). Pietro is a lonely boy living in Milan. With his parents becoming more distant each day, the only thing the family shares is their love for the mountains that surround Italy. While on vacation at the foot of the Aosta Valley, Pietro meets Bruno, an adventurous, spirited local boy. Together they spend many summers exploring the mountains' meadows and peaks and discover the similarities and differences in their lives, their backgrounds, and their futures. The two boys come to find the true meaning of friendship and camaraderie, even as their divergent paths in life—Bruno's in the mountains, Pietro's across the world—test the strength and meaning of their connection. "A slim novel of startling expansion that subtly echoes its setting" (Vogue), The Eight Mountains is a lyrical coming-of-age story about the power of male friendships and the enduring bond between fathers and sons. "There are no more universal themes than those of the landscape, friendship, and becoming adults, and Cognetti's writing becomes classical (and elegant) to best tell this story...a true novel by a great writer" (Rolling Stone Italia).

The Discomfort of Evening Lucas Rijneveld, 2020-08-18 WINNER OF THE 2020 INTERNATIONAL BOOKER PRIZE A stark and gripping tale of childhood grief from one of the most exciting new voices in Dutch literature Ten-year-old Jas lives with her strictly religious parents and her siblings on a dairy farm where waste and frivolity are akin to sin. Despite the dreary routine of their days, Jas has a unique way of experiencing her world: her face soft like cheese under her mother's hands; the texture of green warts, like capers, on migrating toads in the village; the sound of "blush words" that aren't in the Bible. One icy morning, the disciplined rhythm of her family's life is ruptured by a tragic accident, and Jas is convinced she is to blame. As her parents' suffering makes them increasingly distant, Jas and her siblings develop a curiosity about death that leads them into disturbing rituals and fantasies. Cocooned in her red winter coat, Jas dreams of "the other side" and of salvation, not knowing where this dreaming will finally lead her. A bestseller in the Netherlands, Lucas Rijneveld's radical debut novel *The Discomfort of Evening* offers readers a rare vision of rural and religious life in the Netherlands. In it, he asks: In the absence of comfort and care, what can the mind of a child invent to protect itself? And what happens when that is not enough? With stunning psychological acuity and images of haunting, violent beauty, Rijneveld has created a captivating world of language unlike any other.

Ventoux Bert Wagendorp, 2019-05-19 A moving and hilarious feel-good novel about male friendship, romance, intrigue, treachery and cycling.

Solve for Happy Mo Gawdat, 2017-03-21 In this “powerful personal story woven with a rich analysis of what we all seek” (Sergey Brin, cofounder of Google), Mo Gawdat, Chief Business Officer at Google’s [X], applies his superior logic and problem solving skills to understand how the brain processes joy and sadness—and then he solves for happy. In 2001 Mo Gawdat realized that despite his incredible success, he was desperately unhappy. A lifelong learner, he attacked the problem as an engineer would: examining all the provable facts and scrupulously applying logic. Eventually, his countless hours of research and science proved successful, and he discovered the equation for permanent happiness. Thirteen years later, Mo’s algorithm would be put to the ultimate test. After the sudden death of his son, Ali, Mo and his family turned to his equation—and it saved them from despair. In dealing with the horrible loss, Mo found his mission: he would pull off the type of “moonshot” goal that he and his colleagues were always aiming for—he would share his equation with the world and help as many people as possible become happier. In *Solve for Happy* Mo questions some of the most fundamental aspects of our existence, shares the underlying reasons for suffering, and plots out a step-by-step process for achieving lifelong happiness and enduring contentment. He shows us how to view life through a clear lens, teaching us how to dispel the illusions that cloud our thinking; overcome the brain’s blind spots; and embrace five ultimate truths. No matter what obstacles we face, what burdens we bear, what trials we’ve experienced, we can all be content with our present situation and optimistic about the future.
