Mary Ann Cotton, Dark Angel Martin Connolly, 2016-10-14 A true crime account of the life, trial, death, and aftermath of Britain's first female serial killer. A female thief, with four husbands, a lover and, reportedly, over twelve children, is arrested and tried for the murder of her stepson in 1872, turning the small village of West Auckland in County Durham upside down. Other bodies are exhumed and when they are found to contain arsenic, she is suspected of their murder as well. The perpetrator, Mary Ann Cotton, was tried and found guilty and later hanged on 24 March 1873 in Durham Gaol. It is claimed she murdered over twenty people and was the first female serial killer in England. With location photographs and a blow-by-blow account of the trial, this book challenges the claim that Mary Ann Cotton was the "The West Auckland Borgia," a title given to her at the time. It sets out her life, trial, death, and the aftermath and also questions the legal system used to convict her by looking at contemporary evidence from the time and offering another explanation for the deaths. The book also covers the lives of those left behind, including the daughter born to Mary Ann Cotton in Durham Gaol. Mary Ann Cotton's crimes were the subject of the 2016 ITV drama, *Dark Angel*, starring Joanne Froggatt. Praise for Mary Ann Cotton, *Dark Angel* Recommended as one of the Evening Standard's "Best biographies and memoirs to read in 2016" "For true crime historians, fans of intriguing crime tales, and those interested in how criminal justice operated in the Victorian era, this is a well-presented book on a complex case. Furthermore, it is a book which explores all the evidence available and questions whether or not the conviction and execution of Mary Ann Cotton in 1873 was the correct outcome." —Crime Traveller

The Sweetheart Deal Miranda Liasson, 2022-01-25 From the bestselling author of the *Angel Falls* series, two enemies say "I do" in the first irresistible book about Blossom Glen. Pastry chef Tessa Montgomery knows what everyone in the teeny town of Blossom Glen says about her. Spinster. Ice Queen. Such a shame. It's enough to make a woman bake her troubles away, dreaming of Parisian delicacies while she makes bread at her mother's struggling boulangerie. That is until Tessa's mortal enemy—deliciously handsome (if arrogant) chef Leo Castorini, who owns the restaurant next door—proposes a business plan...to get married. Leo knows that the Castorinis and the Montgomerys hate each other, but a marriage might just force these stubborn families to work together and blend their businesses for success. The deal is simple: Tessa and Leo marry, live together for six months, and then go their separate ways. Easy peasy. It's a sweetheart deal where everyone gets what they want—until feelings between the faux newlyweds start seriously complicating the mix. Have they discovered the perfect recipe for success...or is disaster on the way? Each book in the Blossom Glen series is STANDALONE: * The Sweetheart Deal * The Sweetheart Fix

And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. Saved by a Song Mary Gauthier, 2021-07-06 A handbook for compassion... a Must-Read Music Book." —Rolling Stone Country Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share. —Wally Lamb, author of *I Know This Much Is True* Gauthier has an uncanny ability to combine songwriting craft with a seeker's vulnerability

and a sage's wisdom." —Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny's old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn't until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.

Walking with Mary Edward Sri, 2013-09-10 Mary appears only a few times in the Bible, but those few passages come at crucial moments. Catholics believe that Mary is the ever-virgin Mother of God, the Queen of Heaven and Earth. But she also was a human being--a woman who made a journey of faith through various trials and uncertainties and endured her share of suffering. Even with her unique graces and vocation, Mary remains a woman we can relate to and from whom we have much to learn. In *Walking with Mary*, Edward Sri looks at the crucial passages in the Bible concerning Mary and offers insight about the Blessed Mother's faith and devotion that we can apply in our daily lives. We follow her step-by-step through the New Testament account of her life, reflecting on what the Scriptures tell us about how she responded to the dramatic events unfolding around her. "This book is the fruit of my personal journey of studying Mary through the Scriptures, from her initial calling in Nazareth to her painful experience at the cross," writes Edward Sri "It is intended to be a highly readable, accessible work that draws on wisdom from the Catholic tradition, recent popes, and biblical scholars of a variety of perspectives and traditions. With the riches of these insights, we will ponder what her journey of faith may have been like in order to draw out spiritual lessons for our own walk with God." He add, "It is my hope, therefore, that whether you are of a Catholic, Protestant, or other faith background, this book may help you to know, understand, and love Mary more, and that it may inspire you to walk in her footsteps as a faithful disciple of the Lord in your own pilgrimage of faith."

Women Rowing North Mary Pipher, 2019-01-15 From the New York Times bestselling author of *Reviving Ophelia*, a guide to wisdom, authenticity, and bliss for women as they age. Women growing older contend with ageism, misogyny, and loss. Yet as Mary Pipher shows, most older women are deeply happy and filled with gratitude for the gifts of life. Their struggles help them grow into the authentic, empathetic, and wise people they have always wanted to be. In *Women Rowing North*, Pipher offers a timely examination of the cultural and developmental issues women face as they age. Drawing on her own experience as daughter, sister, mother, grandmother, caregiver, clinical psychologist, and cultural anthropologist, she explores ways women can cultivate resilient responses to the challenges they face. If we can keep our wits about us, think clearly, and manage our emotions skillfully, Pipher writes, we will experience a joyous time of our lives. If we have planned carefully and packed properly, if we have good maps and guides, the journey can be transcendent.

The League of Lady Poisoners Lisa Perrin, 2023-09-19 A feast for the senses, this sumptuously illustrated book will introduce you to some of the most infamous women throughout world history, united by their shared taste for poison. Welcome to the League of Lady Poisoners. This riveting and well-researched volume by Lisa Perrin weaves together the stories of more than twenty-five accused women poisoners, exploring the circumstances and skill sets that led them to lives of crime. You might find yourself rooting

for some of them—like Sally Bassett, who helped poison her granddaughter's enslavers in Bermuda, or Giulia Tofana, who sold her name-brand concoction to women wanting to be rid of their abusive (or otherwise undesirable) husbands. Other stories, though—including that of Yiya Murano, one of Argentina's most notorious swindlers and serial killers, or the terrifying Nurse Jane Toppan—may prove less palatable. Organized into thematic chapters based on the women's motives, the book also includes an illustrated primer that delves into the origins and effects of common poisons throughout history, as well as a foreword by Holly Frey and Maria Trimarchi, creators and hosts of the podcast *Criminalia*. It is a treat for true crime fans, feminist history buffs, and any curious readers fascinated by the more macabre side of human nature. **TRUE CRIME GALORE: Women can do anything—even commit murder.** This thoughtfully researched and insightful survey into the lives of the poisoners explores the toxic events that put these women in the spotlight, the deceptive methods and substances they used, and their legacies today. **The League of Lady Poisoners** is a thrilling deep dive for fans of true crime podcasts, docuseries, and books. **EYE-CATCHING GIFT:** Illustrator and author Lisa Perrin's beautiful and distinctive art style blends the romantic allure of these pop culture legends with the disturbing and twisted facts of their lives. The hardcover is decorated with shining foil, and the interior contains clever Victorian-inspired lettering, borders, and diagrams that complement the text. Readers and illustrated book collectors will love all the details honoring the Golden Age of Poison. **FASCINATING, DIVERSE STORIES OF WOMEN WHO KILL:** These women lived in different time periods and had varying cultural and socioeconomic backgrounds that influenced their motives. Some acted out of defiance—like the Angel Makers of Nagyrév, who taught women how to dispose of their abusive husbands in Hungary. Others schemed their way to power and money, including Empress Wu Zetian of China and Belle Gunness, who killed more than 14 people in the American Midwest. Discover all their stories in this engaging collection . . . if you have the stomach for them. Perfect for: Lovers of true crime podcasts like *My Favorite Murder*, *Morbid*, and *Criminalia* Readers who enjoy historical biographies, especially of women Readers who love a good villain, antihero, or underdog story Murder mystery fans Art lovers and illustrated book collectors Fans of Lisa Perrin's beautiful illustration Shoppers looking for a unique feminist gift book Fans of period dramas like *The Serpent Queen* and *The Borgias* Readers who enjoy books like *Lady Killers: Deadly Women Throughout History* and *The Trial of Lizzie Borden*

The Oxford Encyclopedia of American Literature Jay Parini, 2004 This set treats the whole of American literature, from the European discovery of America to the present, with entries in alphabetical order. Each of the 350 substantive essays is a major interpretive contribution. Well-known critics and scholars provide clear and vividly written essays that reflect the latest scholarship on a given topic, as well as original thinking on the part of the critic. The Encyclopedia is available in print and as an e-reference text from Oxford's Digital Reference Shelf. At the core of the encyclopedia lie 250 essays on poets, playwrights, essayists, and novelists. The most prominent figures (such as Whitman, Melville, Faulkner, Frost, Morrison, and so forth) are treated at considerable length (10,000 words) by top-flight critics. Less well known figures are discussed in essays ranging from 2,000 to 5,000 words. Each essay examines the life of the author in the context of his or her times, looking in detail at key works and describing the arc of the writer's career. These essays include an assessment of the writer's current reputation with a bibliography of major works by the writer as well as a list of major critical and biographical works about the writer under discussion. A second key element of the project is the critical assessments of major American masterworks, such as *Moby-Dick*, *Song of Myself*, *Walden*, *The Great Gatsby*, *The Waste Land*, *Their Eyes Were Watching God*, *Death of a Salesman*, or *Beloved*. Each of these essays offers a close reading of the given work, placing that work in its historical

context and offering a range of possibilities with regard to critical approach. These fifty essays (ranging from 2,000 to 5,000 words) are simply and clearly enough written that an intelligent high school student should easily understand them, but sophisticated enough that a college student or general reader in a public library will find the essays both informative and stimulating. The final major element of this encyclopedia consists of fifty-odd essays on literary movements, periods, or themes, pulling together a broad range of information and making interesting connections. These essays treat many of the same authors already discussed, but in a different context; they also gather into the fold authors who do not have an entire essay on their work (so that Zane Grey, for example, is discussed in an essay on Western literature but does not have an essay to himself). In this way, the project is truly encyclopedic, in the conventional sense. These essays aim for comprehensiveness without losing anything of the narrative force that makes them good reading in their own right. In a very real fashion, the literature of the American people reflects their deepest desires, aspirations, fears, and fantasies. The Oxford Encyclopedia of American Literature gathers a wide range of information that illumines the field itself and clarifies many of its particulars.

The Palgrave Encyclopedia of Victorian Women's Writing Lesa Scholl, Emily Morris, 2022-12-15 Since the late twentieth century, there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature. However, with the increased understanding of the importance of interdisciplinarity in the twenty-first century, there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century, a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement.
