Halo: Divine Wind Troy Denning,2021-10-19 An original novel set in the Halo universe—based on the New York Times bestselling video game series! October 2559. With the galaxy in the suffocating grip of a renegade artificial intelligence, another perilous threat has quietly emerged in the shadows: the Keepers of the One Freedom, a fanatical and merciless Covenant splinter group, has made its way beyond the borders of the galaxy to an ancient Forerunner installation known as the Ark. Led by an infamous Brute named Castor, the Keepers intend to achieve what the Covenant, in all its might, failed to: activate Halo and take the last steps on the path of the Great Journey into transcendence. But unknown to Castor and his new, unexpected ally on the Ark, there are traitors to the cause in their midst—namely the Ferrets, composed of Office of Naval Intelligence operative Veta Lopis and her young team of Spartan-IIIs, who have been infiltrating the Keepers to lay the groundwork for Castor’s assassination. But with ONI’s field operations now splintered and cut off by the Guardian threat, Veta’s original mission has suddenly and dramatically escalated in scope. There’s simply no choice or fallback plan—either the Ferrets somehow stop the Keepers or the galaxy faces an extinction-level event....

Halo: The Fall of Reach Eric Nylund,2019-01-01 The New York Times bestselling origin story of the Master Chief—part of the expanded universe based on the award-winning video game series Halo! The twenty-sixth century. Humanity has expanded beyond Earth’s system to hundreds of planets that colonists now call home. But the United Earth Government and the United Nations Space Command is struggling to control this vast empire. After exhausting all strategies to keep seething colonial insurrections from exploding into a full-blown interplanetary civil war, the UNSC has one last hope. At the Office of Naval Intelligence, Dr. Catherine Halsey has been hard at work on a top-secret program that could bring an end to the conflict...and it starts with seventy-five children, among them a six-year-old boy named John. And Halsey could never guess that this child will eventually become the final hope against an even greater peril engulfing the galaxy—the inexorable confrontation with a theocratic military alliance of alien races known as the Covenant. This is the electrifying origin story of Spartan John-117—the Master Chief—and of his legendary, unstoppable heroism in leading the resistance against humanity’s possible extinction.

The Cinema of Sean Penn Deane Williams,2015-11-17 Although best known as an Academy Award winning actor, Sean Penn's directorial works *The Indian Runner* (1991), *The Crossing Guard* (1995), *The Pledge* (2001), and *Into the Wild* (2007), consist of some of the most interesting and singular films made in the United States over the past twenty years. Each of Penn's directorial films and much of the cinema he has acted in are set in an immediate past in which a stalled time and a restricted locale apply narrative constraints. At the same time, these films all feature a sophisticated web of intertextual relations, involving actors, songs, books, films, and directors, and the political lineage to which Penn belongs, which reveal the deep cultural structures that concern each particular film.

Inside Out & Back Again Thanhha Lai,2013-03-01 Moving to America turns H&A's life inside out. For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

Wicked Women of Detroit Tobin T. Buhk,2018 Author Tobin T. Buhk recounts the thrilling tales of Detroit's most violent, clever and misunderstood female criminals. Queen of the Underworld Sophie Lyons faced off with detective Teresa Lewis in court three times, and twice in the street, rendering both women battered and bloodied. Nellie Pope goaded her lover to axe her husband in what the press called one of the most atrocious, cold-blooded, and deliberately-planned murders in city history. Mother Elinor L. Mason, High Priestess of the Flying Roller Colony, was no holy roller but a criminal chameleon who changed personas as easily as some people change clothes. And a feud between Delray madams Julia Toth and Annie Smith exposed widespread graft in the thriving red-light industry and led to one of the worst police scandals in Motor City history. These stories and more await in this deliciously entertaining collection.
