American Car Dealership Robert Genat,1999

Exposed! Vehicle Information Resource LLC,2017-12-21 Are you in search of a new vehicle and hate the idea of not knowing if you got a good deal? Well, to relieve you from the hassles and negotiations the car dealerships implement, you need to be on a level-playing field. On January 18, 2013, Vehicle Information Resource LLC was formed to assist people in the purchase of their next vehicle. The owner of this company has over thirty years automotive experience and is now able to share the secrets the car dealerships use to negotiate their best deals. This book is not designed to bash car dealerships! It is designed to disclose the secrets the dealers will use in maximizing their profits. People hate to shop for a car because they dislike the negotiation process, the inflicted pressure to buy today, and not being familiar with the terms of leasing or purchasing a vehicle. In order for you to get the best deal, you need to know these secrets. To prepare you in getting your best deal, this book includes the negotiation skills and terminology, compares leasing versus buying, contract disclosures, advertising examples, and statements the dealers will use in selling you your next vehicle. Our intention is to get you the best deal and for you to avoid the aggravations which comes with a vehicle purchase.

What Car Dealers Don't Want You to Know Mark Eskeldson,1997 Describes frauds in automobile leasing contracts, explains a new car dealer's true

cost, and discusses how to purchase an extended warranty and negotiate with salespeople.

Auto Dealer Law Michael Charapp, Rob Cohen, 2011-08-01 This book won't teach you how to sell cars. What this book will do is help dealers (or prospective dealers) avoid some of the common mistakes dealers make. While nothing can substitute for the gut instinct required to be a successful dealer, there are many legal pitfalls that can be avoided simply by asking the right questions about a path a dealer is about to go down. There are a lot of legal misconceptions that everybody knows in the car business. Dealers can benefit from a healthy dose of legal reality. Auto Dealer Law provides just that.

Inside the Minds of Car Dealers Ray Lopez, 2009 Before buying another car, let Ray Lopez, a former swift talking, blood-sucking salesperson and author of Inside the Minds of Car Dealers give you a look under the hood of dealerships to show you every trick that will be used against you! Learn every single psychological ploy and manipulative scheme typical auto dealers employ to squeeze every last dime out of your pocket--all while you're being sold a car you may not even want! Discover in detail the 12 crucial dos and don'ts to car buying from a seasoned insider. This comprehensive, tell-all car buying guide holds nothing back! reviews Hanford Sentinel Commentary: You and the Law: Shopping for a new car? Now a retired car salesman, Lopez has written Inside the Minds of Car Dealers, a book which You and the Law absolutely recommends that anyone in the market for a new car reads before

stepping onto a dealer's lot. We were impressed by his honesty, desire to educate and protect the public, along with a terrific sense of humor, making this not only a practical, money-saving book, but also an entertaining read. 'Just how practical is the book? Beyond interesting, will it save me money?' you might be thinking. One of his tips was responsible for a You and the Law staff member saving close to \$4,000 on a new car, while another answered the question, 'Do I trade-in or sell privately?'... June 14, 2014 6:30 am By Dennis Beaver Hanford Sentinel Commentary: You and the Law: Shopping for a new car? May 2014: Ray Lopez was recently interviewed by ABC's 20/20 -you can watch it the May 9 segment here. Congrats to Five Star Publications author Ray Lopez - who gave guidance to car shoppers on ABC World News with Diane Sawyer in the broadcast that aired on 11/16/2011. Video: Used Car Tactics: Former Salesman Speaks Out How do you get a car that's safe, yet something for a great deal? USA Today quotes Ray Lopez, Five Star Publications' author of Inside the Minds of Car Dealers as saying buyers of the priciest luxury cars want to have all that's available. But for more mainstream cars, expensive safety features are a very hard sell. Read the article & Ray's book to shop smarter for your next car. USA Today Next time I step onto a dealer's lot, I'm going armed with insider information. Inside the Minds of Car Dealers is a new book written by Ray Lopez, a former car salesman with thirty years of experience in numerous dealerships. Inside the Minds of Car Dealers is, as the title suggests, a

118-page insight into the mind of a car salesman, and contains engagingly-written explanations of what goes on behind the curtain at a car dealer, so to speak. Inside the Minds of Car Dealers offers tips on how to find a good dealer before you even leave the house, explains the head games salesmen play and how they can spot a so-called auto expert a mile away-and take him or her for even more money than they will the average consumer. Reading Inside the Minds of Car Dealers, I saw exactly what was going on when I bought my Miata...and my Saab...and my Escort. This book explained what the dealer was doing in each case-and how I was getting taken for every last cent each time! Lopez'' writing style is a bit heavy-handed at times, but the information contained in this volume is vital, valuable stuff that''ll make your next car buying experience a great deal less stressful. It''s \$15.95 well spent. Christopher Jackson Elepent Automotive Reviews What makes someone sell you a clunker? Inside the minds of Car Dealers: How to Buy Your Next Car without Fear is a guide for readers who seek a psychological edge in dealing with the shifty con artists who go by the more politically correct title of car dealers. Written by a man who has played the devil, he offers much in the way of trying to decipher the thoughts on both sides of the deal and does well in arming his readers in how to get the best deal they can and avoid the toxic ones. Inside the Minds of Car Dealers is a must for anyone considering purchasing a new vehicle in the near future. Midwest Book Review Library Bookwatch December 2009 5 out of 5 stars A PROFESSIONAL, INFORMATIVE AND

USEFUL GUIDE! In 2003, I walked into a Chevrolet showroom to purchase a new car for my daughter. As I look back now, I remember being there from opening to closing. After signing the contract and going through with the deal, I realized that I wasn't prepared, and I could have saved a lot of money. Since that sale, I've read many books and did some research on how to buy a new car, or used car, and what we should know about trading in your car. In comparison to THE CAR BUYER'S BIBLE, HOW TO BUY A CAR, and BUYING A CAR FOR DUMMIES, I found INSIDE THE MINDS OF CAR DEALERS to be the most informative guide on this subject. If you want expert advice on buying a car, then it would be logical to obtain information from someone who spent thirty years as a car salesman, who served an estimated 2,800 customers per year. Ray Lopez worked for many top-notch leading dealerships such as Chrysler, Cadillac, and Nissan. Through the experience of his thirty year career, knowledge, and expertise, the author can educate the public on how to be a wise car buyer. I highly recommend this book to anyone who is contemplating on buying a car, or trading in your used car. The author provides excellent information that is extremely helpful in purchasing a car, or trading one in. This book is easy to read and understand, many tips are provided on how to obtain the best deal, and many crucial factors are included as to what to do, and what not to do. Did you ever go to a showroom, and buy a car that you didn't want? Were you ever told by a salesman that you can afford to buy their car? Were you ever disrespected, or mistreated by a car salesman? Were you ever lured into

a factory discount? Ever gone for a test drive, but told you can't drive it off the lot due to insurance liability? Ray Lopez can answer these questions and many more, while showing you every trick of the trade that can be used against you, through manipulative schemes. The author reveals the biggest secrets in the car buying industry in this unique, professionally written, informative guide. INSIDE THE MINDS OF CAR DEALERS is something you may want to read again-and-again, before walking into that showroom as a potential buyer. You will indeed be prepared, and informed on how to become a composed car buyer. Ray Lopez encourages you to do research, includes resources of what to be aware of, and how to detect signs of being taken advantage of. By Geraldine Ahearn Author Geri Ahearn October 5, 2009 (Phoenix, AZ) 5.0 out of 5 stars Very Impressive Amazon Verified Purchase. I bought the book because I wanted to find out the right way to buy a car. I'm going to be ready for a new one in a few months. So I might as well start now on learning all I can about car salesmen. I can't trust them. My goal was to buy one, read it, then buy another, and so on, as long as they had high recommendations and were reasonably priced. I figured I'd spend about \$75 on 5 books. By then I could probably learn everything about how they always end up screwing you. And if it cost me \$75 but saved me \$1000 or more, it would be a worthwhile investment. I saw this book and I liked the title so I thought, why not? I'll take a chance. I'm really glad I did. Inside The Minds Of Car Dealers has everything you'll ever need to know on how to get a really good deal.

There was stuff in it that I never even dreamed of that goes at the dealership. And it's not just with the salesman. It's with the sales manager, the way the showroom is laid out and even the dealership's ads for salesmen! Who would've ever thought to start researching there first? But it does make sense. This book explains why you never want to go on the lot with an attitude like you know how to deal. I just found out why my friend ended up paying more for his Focus than I did a couple years ago. We bought ours a few days apart. He told them he knew the exact price they paid for the car and he wouldn't pay anything over that. He ended up paying \$1378 more than me. And the reason is in this book. Too bad for him the book wasn't available back then. There's so much great information in it and it's so easy to read too. None of the sales lingo. Just plain English. And it uncovers even more than you'd ever expect. I'm going to read it a few more times before I get my new car. And I recommend to everyone to buy *Inside The Minds Of Car Dealers*. It will save you money and a lot of time. And like the title says, you can Buy Your Next Car Without Fear. By Radio Guy November 14, 2009 (Los Angeles)
