Match Game 101 A. Ashley Hoff,2019-07-30 Author A. Ashley Hoff has interviewed the writers, directors, producers, celebrity panelists, and surviving hosts to present the behind-the-scenes story of Match Game, America's (and the UK's, and Australia's) favorite seventies TV game show.

Match Game Beverly Brandt,2006-05 Savannah's botched wedding is an awakening as she's arrested for money laundering and tax evasion. She takes off to find her identity thief--and maybe the answer to all her problems--and winds up on a wild journey of love, risk, and surprises.

Game, Set, Match Susan Ware,2011 Argues that Billie Jean King's 1973 defeat of male player Bobby Riggs in tennis' Battle of the Sexes match helped, along with the passage of the Title IX anti-sex discrimination act, cause a revolution in women's sports.

The Matchless Gene Rayburn Adam Nedeff,2015-10-16 I got interested in Gene Rayburn during the 1990s, when I was a teenager and I discovered a marvelous cable channel called Game Show Network. I'd been a fan of game shows my entire life, and I was excited about seeing all these shows that I just vaguely remembered from my early childhood. My biggest surprise was how obsessed I became with a show I had never heard of until I got Game Show Network; a show that was cancelled the same year I was born, funnily enough. It was a show called Match Game. Gene Rayburn, of course, was the host of Match Game, and I appreciated right away how different he was from other game show hosts. He was so hammy and mischievous and physical, and he fit the show he was hosting better than anybody I had ever seen hosting a game show. He and Match Game were absolutely made for each other. I think the biggest discovery I made was the way Gene just got repeatedly sidetracked during his career. He came to New York to become a star in musical theater. When he couldn't find work in musical theater, he wound up becoming a disc jockey. And after a decade of that, he decided to try being a television star. That didn't work out right away, so he took a job announcing a new show. Well, that turned out to be The Tonight Show. His career, right up to the end, was filled with little detours. Gene always wound up doing something besides what he was really trying to do. John Lennon was right and Gene was the proof; life is what happens when you're making other plans. The biggest pitfall I encountered was the dearth of materials from earlier in Gene's career. Because reruns weren't a consideration for so long, a considerable chunk of the man's work in television is just gone. Think about it-he's best remembered for the 1970s version of Match Game, a job that he started when he was 55 years old. So finding resources from earlier than that could be surprisingly tricky, but that made it all the more exciting when I finally did see the occasional kinescope or hear an audio recording. I think readers will enjoy #1, the memories, if they enjoy Match Game as much as I do, and #2, the surprises. Gene really had a remarkable career outside of that show. My hope for this book is that it makes that image on the TV screen a little more three-dimensional. Gene was very human, very flawed; he had his frustrations and disappointments like the rest of us. -- The Author

The Match Mark Frost,2007-11-06 In 1956, a casual bet between two millionaires eventually pitted two of the greatest golfers of the era -- Byron Nelson and Ben Hogan -- against top amateurs Harvie Ward and Ken Venturi. The year: 1956. Decades have passed since Eddie Lowery came to fame as the ten-year-old caddie to U.S. Open Champion Francis Ouimet. Now a wealthy car dealer and avid supporter of amateur golf, Lowery has just made a bet with fellow millionaire George Coleman. Lowery claims that two of his employees, amateur golfers Harvie Ward and Ken Venturi, cannot be beaten in a best-ball match, and challenges Coleman to bring any two golfers of his choice to the course at 10 a.m. the next day to settle the issue. Coleman accepts the challenge and shows up with his own power team: Ben Hogan and Byron Nelson, the game's greatest living professionals, with fourteen major championships between them. In Mark Frost's peerless hands, complete with the recollections of all the participants, the story of this immortal foursome and the game they played that day-legendarily known in golf circles as the greatest private match ever played-comes to life with powerful, emotional impact and edge-of-your-seat suspense.
