Meeting His Match Katee Robert, 2014-07-21 A satisfying category romance from Entangled's brand new Lovestruck imprint... This CEO has finally met his match... When New York matchmaker Addison St. Claire is tasked with matching her best friend's new brother-in-law, she almost refuses. But the sexy southern CEO turns out to be a challenge she can't resist, because if anyone needs to meet his soul mate, it's this man. And if matching him with someone else removes the temptation of being near him? Even better. The last thing Caine McNeill needs is a matchmaker—especially a gorgeous redhead who spouts nonsense about soul mates, critiques what he drives and how he dresses, buys him a dog, and pesters him about a million little things he couldn't care less about. It's a crying shame he has to keep his hands off because chemistry like what's flaring between them ought to be explored. Thoroughly. And so the battle begins. Addison is determined to stick to her plan of setting him up on dates with other women, and Caine is equally determined to ignore these women and seduce her.

Match Me Aj Adaire, 2018-06-30 What do Casey Harrison and Mica Baxter have in common? Apparently pretty much everything. Having known each other since high school, the two peas in a pod, long-time friends and business partners, are a couple in every way but one. That line hasn't been crossed, due to Casey's industrial strength walls, and set in stone conviction against becoming romantically involved with a friend. Hilarity ensues as Mica convinces Casey to enter a contest run by a new start up lesbian dating service called Match Me. The prize at stake is a romantic vacation for two on an isolated island near Key West, and Mica wants to win it big time. Feet dragging all the way, Casey finally succumbs to Mica's pleading and agrees to participate. It is said that getting there is half the fun. That adage is certainly true in this romantic comedy about Casey and Mica's journey to their paradise island. Will the two self-described 'unluckiest people in the world' be able to overcome all the obstacles, real and perceived, that stand in the way of their happy ever after? Laugh along with Mica and Casey as they struggle with any number of unexpected complications standing in the way of their happiness.
