Derek's Match Jami Gallardo, 2021-02-05 I'll call you Gin, like your drink. Savannah Garcia regrets moving to New York. What was she thinking? Culinary school seemed like a good idea six months ago but it's been tough to live in a big city with endless bills to pay. She misses the beach back in Newport. She misses her parents and her sister and the comfort of her house. She expected New York City to be a fun adventure but so far, it's been anything but...that is until famous actor and model Derek Collins walks into her life...Derek Collins is tired of listening to his best friend, Ian, talk about his stupid dating app. MATCH ME matches you to people around you based on a whole lot of systematics that Derek isn't interested in. On a night out with Ian at the bar, the crowd asks Derek to use the app and he gives them what they want. Feeling whimsical, he takes out his phone and promises a date to whoever he is matched with. Funny thing, he didn't expect the rejection that he gets and he knows then that he really has met his match...

Meeting His Match Shannyn Schroeder, 2021-01-12 What happens when a professional matchmaker and a pickup artist go head-to-head in a reality TV show? After a failed marriage, Malcolm Sterling has returned home with plans to take over the family matchmaking business.

However, because his mother doubts his ability, he's forced to prove himself by hosting a dating show to help women find love. The catch? The producers have brought in a pickup artist to act as his co-host, so now it's a competition to determine who is the better matchmaker. Natalie Hale never intended for her online, dating expert alter ego to provide her with an opportunity of a lifetime. Unfortunately, she's faced with working with a man who is as infuriating as he is tempting. Her secret identity has allowed her to explore dating and relationships, but she needs to keep the two parts of her life separate—which becomes harder the more she works with Malcolm. Sparks fly as the competition heats up. Malcolm has definitely met his match in Natalie, but when all secrets are exposed, will the ultimate prize be love?

How To Meet Your Match Online Laura Henderson, 2018-07-11 How To Meet Your Match Online is the ultimate singles' guide to finding lasting love through online dating. Author Laura Henderson is an attorney-turned-relationship expert and has been featured on ABC and NBC as a dating coach and matchmaker. Henderson is the Principal at online dating company Meet Your Match Online. In this book she shares the secrets that have led her clients to long-term, loving relationships, and marriage - and that led her to finding her husband - through online dating. Using the step-by-step process she reveals in this book, readers will discover how to break online dating down into discrete and manageable steps and avoid online dating burn out. From understanding exactly who Your Match is and getting yourself in front of a target-rich audience, to choosing the right photos and crafting the perfect profile and essay, Henderson covers everything you need to know to find Your Match online (or offline!) - and fast! This book has practical advice useful for novice to experienced daters, and even provides links to \$200 worth of free downloadable bonus material so that daters can proceed through the step-by-step process from the comfort of their own homes! Though Henderson does ask

her readers to do some homework along the way - necessary for the process to be successful - the book remains light and fun as Henderson weaves in her personal online dating journey from her first date with a narcissistic, rock climbing, army doctor to finally finding her husband. Her inclusion of real emails and profiles of would-be suitors will have you laughing all the way through while you learn.
