**The 2010-2011 Mavs: My View from the Press Box to the Private Jet** Bryan Gutierrez,2012-04-16 The 2010-2011 Dallas Mavericks fought through many roadblocks, including injuries, losing streaks, seemingly insurmountable deficits and being too old, but they were determined to prove critics wrong and bring the city of Dallas its first NBA Championship. My View From the Press Box to the Private Jet chronicles the Mavericks' journey in the regular season and playoffs, as well as statistics and historical facts. Gutierrez captures the personal stories and past heartaches that made up the squad, such as the 2006 Finals and other playoff disappointments. Those moments made them the players that were ready to make the magical title run during the summer of 2011. Gutierrez adds a personal touch by including excerpts from his own magical run from starting as an independent blogger to a contributing writer for the Mavericks, as he started the season in the press box and ended the season holding the Larry O'Brien trophy on the team's private jet. His personal accounts allow readers to see a side of the Mavericks many people don't see, as well as relive Gutierrez's personal Cinderella story alongside the Mavericks. The NBA is based on star-driven success and super teams, but the Mavericks proved that even if they couldn't jump the highest or run the fastest, they played as a team, had each other's backs and had the country believing in their old-school tradition of trust and playing as a team rather than relying on one or two key players. This is a book for true MFFLs.

**I See You Big German** Zac Crain,2021-06-01 In the 1990's, Dallas was a basketball wasteland. Luckily for the city, along came Dirk Nowitzki, a towering Würzburg, Germany native with a cool efficiency and the ability to basket shots from seemingly impossible angles. Nowitzki spent his entire 21-season NBA career with the Dallas Mavericks, the longest tenure of any one player with one team in the league's history, and led them to their first and only NBA championship, while being named a 14-time All-Star, a 12-time All-NBA Team member, and the first European player to receive the NBA's Most Valuable Player Award. Zac Crain, award-winning journalist for D Magazine who moved to Dallas the same year that Nowitzki began his career in the city, memorializes Nowitzki's career through a lyric essay reminiscent of Hanif Abdurraqib's Go Ahead in the Rain that mixes with author's story with the basketball legend's, charting the highs and lows (and mostly highs) of the Mavs' all-time statistical leader's career and what they mean to the city of Dallas and its now basketball-obsessed citizens.
