Riding the Dirt Bike Evolution Lewis Hale,2020-03-02 It’s that thing when you see yourself riding through town on your street bike with the wind blowing in your hair and your beautiful girlfriend riding behind, wearing only shorts, sandals, and a halter top. Sounds like fun? Sure does! But someday you may want something different. It’s that thing as you are taken back into the 1950s—just as Japan began sending low-cost fun-loving motorcycles to the US. With the 1960s came a new motorcycling challenge—the introduction of Europe’s exhausting sport of motocross. This collection of short stories will take you through years of “The Dirt Bike Evolution” when motorcyclists across America were being introduced to various forms of racing on dirt courses, sandy trails, and mountain paths. You will experience the challenges of traveling to these events. Each decade has brought advances in technology and development of the dirt bike. Today X Games performers are doing double flips in the air on these high-tech machines to the excitement of their stadium-filled audiences. Travel along to the southeast as these fictional sportsmen racers pursue their passion of riding and racing into seven decades. 1

He comes from a poor, single parent family, he has learning and social disabilities, and has no freinds or resources. In the last book, however, he teamed up with an experienced motocross racer who moved into his neighborhood from California, the beautiful Samantha Abernathy. He was also befriended by an outcast junkyard dealer, Victor Gonzales, who helped him restore a couple of old dirt bikes for use. Together they solved a crime that caused jealousy among the other students at Calais High, making them outcasts. In Pursuing the Dream, Ike and Sam team up again with Mr. Gonzales and his new mechanic, Crip Simon, a crippled war veteran who brings some tough love to rejuvanate Ike's dream and solve another crime. This time it's swamp pirates who are trying to take over Crip's Indian reservation. Join the crew as they solve the mystery, overcome many setbacks, overcome a tragedy, and rise to the next level in mx racing. They'll also learn lessons about hard work, faith, courage and love. You'll be inspired, educated and entertained as you get a glimpse into the history of south Louisiana and the world of amateur motocross racing.
