The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Drive Daniel H. Pink, 2011-04-05 The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of *When: The Scientific Secrets of Perfect Timing* Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction—at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

Testament of Abraham Dale C. Allison, 2013-08-26 This first verse-by-verse commentary on the Greek text of the Testament of Abraham places the work within the history of both Jewish and Christian literature. It emphasizes the literary artistry and comedic nature of the Testament, brings to the task of interpretation a mass of comparative material, and establishes that, although the Testament goes back to a Jewish tale of the first or second century CE, the Christian elements are much more extensive than has previously been realized. The commentary further highlights the dependence of the Testament upon both Greco-Roman mythology and the Jewish Bible. This should be the standard commentary for years to come.

Ruth: An Earth Bible Commentary Alice M. Sinnott, 2020-06-25 This ecological reading of the book of Ruth takes into account the power which this short story holds, speaking to the whole person by engaging each reader's emotions, imagination, memory, and reason. Alice M. Sinnott demonstrates how the story of Ruth transcends geographical, spatial and historical boundaries by appealing to all concerned with the plight of the Earth. Sinnott highlights the ecological dimensions of the text that scholars have ignored or dismissed in the past, and explores how the narrator gives voice to the way in which the Earth functions throughout the story. Integral to her reading of the text is a concern for Earth and matters such as food, famine, death, harvests, grain, day and night and members of the Earth community. Sinnott considers non-human characters as legitimate determining factors in the structuring of the narrative, and recognizes Earth and members of the Earth community as equally valid subjects. By identifying with these aspects of Ruth, Sinnott is able to read the text with new eyes; and by placing special emphasis in how the narrator depicts the natural world, she reinforces how subjects from that world emerge as integral components.

Clackamas Chinook Performance Art Victoria Howard, 2021-03 Published through the Recovering Languages and Literacies of the Americas initiative, supported by the Andrew W. Mellon Foundation Victoria Howard was born around 1865, a little more than ten years after the founding of the Confederated Tribes of Grand Ronde in western Oregon. Howard's maternal grandmother, Wagayuhlen Quiaquaty, was a successful and valued Clackamas shaman at Grand Ronde, and her maternal grandfather, Quiaquaty, was an elite Molalla chief. In the summer of 1929 the linguist Melville Jacobs, student of Franz Boas, requested to record Clackamas Chinook oral traditions with Howard, which she enthusiastically agreed to do. The result is an intricate and lively corpus of linguistic and ethnographic material, as well as rich performances of Clackamas literary heritage, as dictated by Howard and meticulously transcribed by Jacobs in his field notebooks. Ethnographical descriptions attest to the traditional lifestyle and environment in which Howard grew up, while fine details of cultural and historical events reveal the great consideration and devotion with which she recalled her past and that of her people. Catharine Mason has edited twenty-five of Howard's spoken-word performances into verse form entextualizations, along with the annotations provided by Jacobs in his publications of Howard's corpus in the late 1950s. Mason pairs performances with biographical, family, and historical content that reflects Howard's ancestry, personal and social life, education, and worldview. Mason's study reveals strong evidence of how the artist contemplated and internalized the complex meanings and everyday lessons of her literary heritage.

Libanius Lieve Van Hoof, 2014-09-25 A professor of Greek rhetoric, frequent letter writer and influential social figure, Libanius (AD 314–393) is a key author for anybody interested in Late Antiquity, ancient rhetoric, ancient epistolography and ancient biography. Nevertheless, he remains understudied because it is such a daunting task to access his large and only partially translated oeuvre. This volume, which is the first comprehensive study of Libanius, offers a critical introduction to the man, his texts, their context and reception. Clear presentations of the orations, progymnasmata, declamations and letters unlock the corpus, and a survey of all available translations is provided. At the same time, the volume explores new interpretative approaches of the texts from a variety of angles. Written by a team of established as well as upcoming experts in the field, it substantially reassesses works such as the Autobiography, the Julianic speeches and letters, and Oration 30 For the Temples.

Song of Songs , 2011-04-26 The book puts forward a literal interpretation of the Song of Songs which the author sees as advancing a theology of human love. From the literary angle, particular importance is awarded to the structure of the poem, highlighting its strongly unitary character.

FOR AS I THINK IN MY HEART SO I AM Edward D. Andrews, 2016-10-06 In *FOR AS I THINK IN MY HEART - SO I AM*, Edward D. Andrews offers practical and biblical insights on a host of Christian spiritual growth struggles, from the challenge of forgiveness to eating disorders, anger, alcoholism, depression, anxiety, pornography, masturbation, same-sex attraction, and many others. Based on Proverbs 23:7 (NKJV): For as he thinks in his heart, so is he, Andrews' text works from the position that if we can change the way that we think, we can alter the way we feel, which will modify the way we behave. *FOR AS I THINK IN MY HEART - SO I AM* offers far more than self-help to dozens of spiritual struggles, personal difficulties, and mental disorders. It will benefit Christian and non-Christian alike. The Scriptural advice and counsel coupled with cognitive behavioral therapy will be helpful even if every chapter is not one of your struggles. *For As I Think in My Heart* enables readers to examine the lies and half-truths they tell themselves repeatedly; lies, which as one argues, contribute to mental distress and a broad range of issues in their lives. In this text, Andrews seeks to wash those lies with biblical truth by combining biblical counseling with cognitive-behavioral therapy to better understand our human condition and give readers tools to overcome these challenges. This second edition has added five chapters, added material to several other chapters while keeping the page count down by dropping the font size.

The Half-Blessed A.L. Young, 2023-05-08 On April 4th, 2071 many students of Amethyst's age fell from the sky as if there was a sudden change in gravity. The event was called simply The Falling. No one knows what caused it. People only knew all that fell had died and all that died were Lost Children. The Lost Children were children that were relocated during the famine that ravaged the

majority of the crops in the Crow Territory, leaving many starving. Amethyst learns about her past as time goes on and where she belongs. As tensions rise as to whether or not these children should be returned to their birth parents after all this time, Amethyst is on the run with her adoptive mom. Meanwhile her close friends Sasha, Muse, and Zora are using grassroots efforts to stay within the Bluebird Territory. We follow all four friends as they find themselves caught in the middle of these decisions to fight to stay.

The Summer of Broken Things Margaret Peterson Haddix, 2018-04-10 From New York Times bestselling author Margaret Peterson Haddix comes a novel about friendship and what it really means to be a family in the face of lies and betrayal. Fourteen-year-old Avery Armisted is athletic, rich, and pretty. Sixteen-year-old Kayla Butts is known as “butt-girl” at school. The two girls were friends as little kids, but that’s ancient history now. So it’s a huge surprise when Avery’s father offers to bring Kayla along on a summer trip to Spain. Avery is horrified that her father thinks he can choose her friends—and make her miss soccer camp. Kayla struggles just to imagine leaving the confines of her small town. But in Spain, the two uncover a secret their families had hidden from both of them their entire lives. Maybe the girls can put aside their differences and work through it together. Or maybe the lies and betrayal will only push them—and their families—farther apart. Margaret Peterson Haddix weaves together two completely separate lives in this engaging novel that explores what it really means to be a family—and what to do when it’s all falling apart.

Michael Snow Annette Michelson, Kenneth White, 2019-11-05 Essential texts on the work of the influential artist Michael Snow: essays and interviews spanning more than four decades. Few filmmakers have had as large an impact on the recent avant-garde film scene as Canadian Michael Snow (b. 1928). His works in a range of media—film, installation, video, painting, sculpture, sound, photography, drawing, writing, and music—address the fundamental properties of his materials, the conditions of perception and experience, questions of authorship in technologically reproducible media, and techniques of translation through written and pictorial representation. His film *Wavelength* (1967) is a milestone of avant-garde cinema and possibly the most frequently discussed “structural” film ever made. This volume collects essential texts on Snow's work, with essays and interviews spanning more than four decades. From its earliest issues, *October* has been a primary interlocutor of Snow's work, and many of these texts first appeared in its pages. Written by such distinguished critics and scholars as Annette Michelson, Hubert Damisch, and Malcolm Turvey, they document Snow's participation in postwar discourses of minimalism, postminimalism, photo-conceptualism, and avant-garde cinema, and examine particular works. Thierry de Duve's essay on linguistics in Snow's work appears alongside Snow's response. The volume also includes other writings by Snow, images from his 1975 work *Musics for Piano, Whistling, Microphone, and Tape Recorder*, and an interview with the artist conducted by Annette Michelson. Essays and interviews Jean Arnaud, Érik Bullot, Hubert Damisch, Thierry de Duve, Andrée Hayum, Annette Michelson, Michael Snow, Amy Taubin, Malcolm Turvey, Kenneth White

scholarship on each book of the Bible, including the Apocrypha. Commentators focus on the genre of each text—parable, prophetic oracle, legal code, and so on—interpreting within the historical and literary context. The volumes also address major issues within each biblical book—including the range of possible interpretations—and refer readers to the best resources for further discussions.
