Maze Christopher Manson,1985-11-15 This is not really a book. This is a building in the shape of a book...a maze. Each numbered page depicts a room in the maze. Tempted? Test your wits against mine. I guarantee that my maze will challenge you to think in ways you've never thought before. But beware. One wrong turn and you may never escape!

The Maze Nelson DeMille,2023-06-13 The Maze opens with Corey ... in forced retirement from his last job as a Federal Agent with the Diplomatic Surveillance Group. Corey is restless and looking for action, so when his former lover, Detective Beth Penrose, appears with a job offer, Corey has to once again make some decisions about his career-and about reuniting with Beth Penrose. Inspired by, and based on the actual and still unsolved Gilgo Beach murders, The Maze takes the reader on a dangerous hunt for an apparent serial killer who has murdered nine-and maybe more-prostitutes and hidden their bodies in the thick undergrowth on a lonely stretch of beach. As Corey digs deeper into this case, which has made national news, he comes to suspect that the failure of the local police to solve this sensational case may not be a result of their inexperience and incompetence-it may be something else. Something more sinister. --

**The Cornfield Maze Mystery** Mario Dante,2010-06 Across the dull gray sky of a late October afternoon, two girls, standing on a slight rise near a cornfield, fold their arms across their windbreakers. With cheeks aglow from the frosty air, their eyes dance with excitement. Lila and her best friend, Erin, have just decided that today is the day that they will conquer the cornfield maze on the Dunphy's Family Farm. Lila and Erin gleefully push open the wooden gate and enter the cornfield maze. Erin starts running down the path, laughing and yelling that she will go first. She tells Lila that she must count to twenty before she follows. But when the time comes for them to meet up, Lila can't find Erin-she has disappeared! What could have happened to her? Erin can't find her way out of the cornfield, and the darkening sky looks more and more like rain. She is running now, crashing carelessly through the dead corn stalks, too frantic to recoil from the dry leaves whipping her face as she charges along. Unexpectedly, she sees a shadowy form, just ahead, not moving. It stands motionless, partially obscured by the high stalks. She stops, stunned. Will she ever find her way out of the maze and back to Lila? Inspired by the photo above, featuring the author's granddaughters, this story is part reality and part fantasy, recalling a wonderful afternoon spent romping through a large cornfield maze.

Windermere with bewilderment, but you’ll close it in awe.” —The Washington Post “Pitch perfect.” —New York Times Book Review When a drunken party guest challenges him to a late-night tennis match, Sandy Allison finds himself unexpectedly entangled in the monied world of Newport, Rhode Island. A former touring pro a little down on his luck, Sandy has nothing to stake against the vintage motorcycle his opponent wagers. But then Alice DuPont—the young heiress to a Newport mansion called Windermere—offers up her diamond necklace. With this reckless wager begins a dazzling narrative odyssey that braids together four centuries of aspiration and adversity in this renowned seaside society capital. A witty and urbane bachelor of the Gilded Age embarks on a high-risk scheme to marry into a fortune; a young Henry James, soon to make his mark on the world, turns himself to his craft with harrowing social consequences; an aristocratic British officer during the American Revolution carries on a courtship that leads to murder; and, in Newport’s earliest days, a tragically orphaned Quaker girl imagines a way forward for herself and the slave girl she has inherited.
