Regulations Governing The Uniforms Of Officers And Employees Of The Public Health And Marine-hospital Service Of The United States United States Public Health and Marine,2023-07-18 This vintage document outlines the dress code and grooming standards for employees of the Public Health and Marine-Hospital Service in the early twentieth century. A fascinating look at the intersection of fashion, public health, and bureaucracy in American history. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Uniforms of the American Marines, 1775 to 1829 Edwin North McClellan,1932 This is not a connected exposition of the evolution of the Marine Corps uniform but is a chronological compilation of orders and correspondence dealing with Marine Corps uniforms, arms, and accoutrements from the Colonial Period through 21 October 1829. While it furnishes the raw material for uniform plates, the original contains only one sketch of a coat and several of button arrangement and chevrons.-- Preface, page v
