Kassandra Tate

The Jewel Garden Monty Don, Sarah Don, Monty Don & Sarah Don, 2012-03-01 'TRULY INSPIRING' Mail on Sunday Now familiar to millions of Gardeners' World fans as Longmeadow (the home of Nigel & Nellie), this is the story of Monty & Sarah Don's early days there. THE JEWEL GARDEN is the story of the garden that bloomed from the muddy fields around the Dons' Tudor farmhouse, a perfect metaphor for the Monty and Sarah's own rise from the ashes of a spectacular commercial failure in the late '80s . At the same time THE JEWEL GARDEN is the story of a creative partnership that has weathered the greatest storm, and a testament to the healing powers of the soil. Monty Don has always been candid about the garden's role in helping him to pull back from the abyss of depression; THE JEWEL GARDEN elaborates on this much further. Written in an optimistic, autobiographical vein, Monty and Sarah's story is truly an exploration of what it means to be a gardener.

Wild Your Garden Jim and Joel Ashton, Ashton Joel, 2020-04-02 It's up to every single one of us to do our bit for wildlife, however small our gardens, and The Butterfly Brothers know just how that can be achieved. Alan Titchmarsh Join the rewilding movement and share your outdoor space with nature. We all have the potential to make the world a little greener. Wild Your Garden, written by Jim and Joel Ashton (aka The Butterfly Brothers), shows you how to create a garden that can help boost local biodiversity. Transform a paved-over yard into a lush oasis, create refuges to welcome and support native species, or turn a high-maintenance lawn into a nectar-rich mini-meadow to attract bees and butterflies. You don't need specialist knowledge or acres of land. If you have any outdoor space, you can make a difference to local wildlife, and reduce your carbon footprint, too. Wildlife gardening is one of the most important things you can do as an individual for increasing biodiversity and mitigating the effects of climate change. From digging a pond to planting a native hedge, the Butterfly Brothers can help you every step of the way. Kate Bradbury

Everywhere, Always Jennifer Ann Shore, 2021-02-11 When Avery Miller wakes up in her hospital room, it's to a life she didn't expect, want, or ever imagine for herself. She's barely given time to mourn the death of her mother as she's introduced to her new family—a father she never knew existed, a stepmother she didn't want, and a brother who gave himself the job of being her enthusiastic best friend and overbearing protector before they even met. All it takes is one car accident to change the trajectory of seventeen-year-old Avery's life forever, ripping her from the brink of poverty in Pennsylvania and tossing her into a new life in a penthouse apartment in the middle of New York City. The visible marks on her skin are a tangible reminder of the pain she's gone through, but it's Ethan, the guy who lives one floor below and has a Shakespeare quote for every occasion, who helps her overcome loss, find herself again, and fall in love.

Wildflower Meadow Journal (Diary, Notebook) Peter Pauper Press Inc, 2020-06-12 160 lined pages 5 wide x 7 high (12.7 cm wide x 17.8 cm high) Bookbound hardcover Elastic band place holder Archival/acid-free paper Inside back cover pocket Gold foil, embossed.

Private Gardens of Santa Barbara Margie Grace, 2020-06-16 An exclusive look at the exquisite residential gardens of the American Riviera. Private Gardens of Santa Barbara is an invitation into eighteen distinctive private, and beautiful gardens; large estates, modest homes, and surf retreats run the gamut from sublime and naturalistic to bold and urban. What they have in common, however, is what makes them truly inspiring. Showcased through 190 stunning images in more than 250 pages in this elegant coffee table book format, each beautiful landscape represents a widely varied garden style developed in response to the unique character of each site, the architecture, and the larger environment; and adapted to the lifestyle, personality, and practical needs of the individuals and families who live there. In a career that spans over 30 years, Margie Grace, principal of Grace Design Associates, has established herself as an expert in sustainable landscape design and advocate for environmentally sensitive gardens. These gardens offer endless inspiration for sustainable home garden design, created with water-smart, maintenance-smart, and fire-smart priorities in mind, with high habitat value and plants well adapted to the Southern California climate of Santa Barbara.

Rick Steves Portugal Rick Steves, 2017-05-30 Tour Lisbon's cobbled lanes, cruise the Douro River, and soak up the sun on Algarve beaches: with Rick Steves on your side, Portugal can be yours! Beautiful Country Burn Again Ben Fountain, 2018-09-25 In a sweeping work of reportage set over the course of 2016, New York Times bestselling author Ben Fountain recounts a surreal year of politics and an exploration of the third American existential crisis Twice before in its history, the United States has been faced with a crisis so severe it was forced to reinvent itself in order to survive: first, the struggle over slavery, culminating in the Civil War, and the second, the Great Depression, which led to President Roosevelt's New Deal and the establishment of America as a social-democratic state. In a sequence of essays that excavate the past while laying bare the political upheaval of 2016, Ben Fountain argues that the United States may be facing a third existential crisis, one that will require a “burning” of the old order as America attempts to remake itself. Beautiful Country Burn Again narrates a shocking year in American politics, moving from the early days of the Iowa Caucus to the crystalizing moments of the Democratic and Republican national conventions, and culminating in the aftershocks of the weeks following election night. Along the way, Fountain probes deeply into history, illuminating the forces and watershed moments of the past that mirror and precipitated the present, from the hollowed-out notion of the American Dream, to Richard Nixon's southern strategy, to our weaponized new conception of American exceptionalism, to the cult of celebrity that gave rise to Donald Trump. In an urgent and deeply incisive voice, Ben Fountain has fused history and the present day to paint a startling portrait of the state of our nation. Beautiful Country Burn Again is a searing indictment of how we came to this point, and where we may be headed.

The End of the Myth Greg Grandin, 2019-03-05 WINNER OF THE PULITZER PRIZE A new and eye-opening interpretation of the meaning of the frontier, from early westward expansion to Trump's border wall. Ever since this nation's inception, the idea of an open and ever-expanding frontier has been central to American identity. Symbolizing a future of endless promise, it was the foundation of the United States' belief in itself as an exceptional nation – democratic, individualistic, forward-looking. Today, though, America has a new symbol: the border wall. In *The End of the Myth*, acclaimed historian Greg Grandin explores the meaning of the frontier throughout the full sweep of U.S. history – from the American Revolution to the War of 1898, the New Deal to the election of 2016. For centuries, he shows, America's constant expansion – fighting wars and opening markets – served as a “gate of escape,” helping to deflect domestic political and economic conflicts outward. But this deflection meant that the country's problems, from racism to inequality, were never confronted directly. And now, the combined catastrophe of the 2008 financial meltdown and our unwinnable wars in the Middle East have slammed this gate shut, bringing political passions that had long been directed elsewhere back home. It is this new reality, Grandin says, that explains the rise of reactionary populism and racist nationalism, the extreme anger and polarization that catapulted Trump to the

presidency. The border wall may or may not be built, but it will survive as a rallying point, an allegorical tombstone marking the end of American exceptionalism.

Once Upon a Wardrobe Patti Callahan,2021-10-19 College student Megs Devonshire sets out to fulfill her younger brother George's last wish by uncovering the truth behind his favorite story. What transpires is a fascinating look into the bond between siblings and the life-changing magic of stories. 1950: Margaret Devonshire (Megs) is a seventeen-year-old student of mathematics and physics at Oxford University. When her beloved eight-year-old brother asks Megs if Narnia is real, logical Megs tells him it's just a book for children, and certainly not true. Homebound due to his illness, and remaining fixated on his favorite books, George presses her to ask the author of the recently released novel *The Lion, the Witch and the Wardrobe* a question: "Where did Narnia come from?" Despite her fear about approaching the famous author, who is a professor at her school, Megs soon finds herself taking tea with C. S. Lewis and his own brother Warnie, begging them for answers. Rather than directly telling her where Narnia came from, Lewis encourages Megs to form her own conclusion as he shares the little-known stories from his own life that led to his inspiration. As she takes these stories home to George, the little boy travels farther in his imagination than he ever could in real life. After holding so tightly to logic and reason, her brother's request leads Megs to absorb a more profound truth: "The way stories change us can't be explained. It can only be felt. Like love." From the New York Times bestselling author of *The Secret Book of Flora Lea* A captivating, standalone historical novel combining fact and fiction An emotional journey into the books and stories that make us who we are Includes discussion questions for book clubs

The Iron Butterfly Chanda Hahn, Imprisoned, starved and left with no memories, Thalia awakens to find herself at the mercy of an evil cult known as the Septori. Their leader has chosen Thalia as the test subject for a torture device of untold power, designed to change and twist her into something that is neither human nor Denai. Escaping, Thalia finds an unwilling warrior to protect her and an unlikely Denai to befriend her. After finding a home at the Citadel as a servant, Thalia's worst nightmare comes to life and she begins to show signs of power. Scared and unable to control her gifts, she tries to hide her past to fit in among the Denai. But the Septori want their latest test subject back and will stop at nothing to retrieve her, dead or alive.

The Famoux Kassandra Tate,2021-01-19 Fame can be deadly. Out of the wreckage of environmental collapse, the country of Delicatum emerged. Its most popular celebrities are the Famoux, uniquely beautiful stars of a reality TV show called the Fishbowl. In a world still recovering from catastrophe, they provide a 24/7 distraction. Sixteen-year-old Emilee Laurence is obsessed with the Famoux—they provide a refuge from her troubled home life and the bullies at school. When she receives an unimaginable offer to become a member herself, she takes it. Leaving behind everything she's ever known, Emilee enters a world of high glamour and even higher stakes. Because behind their perfect image lies an ugly truth—an anonymous stalker has been dictating the Famoux's every move, and being popular really is a matter of life or death.

Weir Farm National Historic Site Xiomáro ,2019 Weir Farm National Historic Site is Connecticut's first national park and the only one in America dedicated to painting. No other book chronicles the property's rescue from residential development to its establishment as a park. The story is told through the only artistic photographic collection documenting Weir Farm National Historic Site, most of which has never been published before. Weir Farm was the home of Julian Alden Weir (1852-1919), a leading innovator of American Impressionism. The farm's landscape inspired countless masterpieces created by Weir, his famous painter-friends, two subsequent generations of artist-owners, and contemporary artists who continue to create at the park. In 2020, this iconic site will be featured on the US quarter.

The Unabridged Journals of Sylvia Plath Sylvia Plath,2007-12-18 The complete, uncensored journals of Sylvia Plath—essential reading for anyone who has been moved and fascinated by the poet's life and work. A genuine literary event.... Plath's journals contain marvels of discovery. —The New York Times Book Review Sylvia Plath's journals were originally published in 1982 in a heavily abridged version authorized by Plath's husband, Ted Hughes. This new edition is an exact and complete transcription of the diaries Plath kept during the last twelve years of her life. Sixty percent of the book is material that has never before been made public, more fully revealing the intensity of the poet's personal and literary struggles, and providing fresh insight into both her frequent desperation and the bravery with which she faced down her demons.
