Water Meadows Mark Everard,2005-01-01 We know a great deal about water meadows. However, the research behind this book has revealed an interesting facet of this knowledge. A good deal of what has been written about the biodiversity and other aspects of water meadows in the past, and which passes onwards as received wisdom, may not be true. In tracking down authoritative work upon which to base this new synthesis and appreciation, it became apparent that much historic reference to water meadows has been a simple extrapolation of what some authors know of other types of wet meadow. Yet water meadows are a quite distinct habitat type with characteristic biota and clear economic objectives, to which no safe generalisation can be made from other forms of wet grassland.

Lawns into Meadows Owen Wormser,2020-07-02 In *Lawns Into Meadows*, landscape designer Owen Wormser makes a case for the power and generosity of meadows. In a world where lawns have wreaked havoc on our natural ecosystems, meadows offer a compelling solution. They establish wildlife and pollinator habitats. They're low-maintenance and low-cost. They have a built-in resilience that helps them weather climate extremes, and they can draw down and store far more carbon dioxide than any manicured lawn. They're also beautiful, all year round. Owen describes how to plant an organic meadow that's right for your site, whether it's a yard, community garden, or tired city lot. He shares advice on preparing your plot, coming up with the right design, and planting—all without using synthetic chemicals. He passes along tips on building support in neighborhoods where a tidy lawn is the standard. Owen also profiles twenty-one starter grasses and flowers for beginning meadow-makers, and offers guidance on how to grow each one. To illuminate the many joys of meadow-building, Owen draws on his own stories, including how growing up off the grid in northern Maine, with no electricity or plumbing, prepared him for his work. The book, part how-to guide and part memoir, is for environmentalists and climate activists, gardeners and non-gardeners alike. *Lawns Into Meadows* is part of Stone Pier Press's Citizen Gardening series, which teaches readers how to grow food and garden in ways that are good for the planet.

Bedtime in the Meadow Stephanie Shaw,2013-09-03 It's time for the animals in the meadow to find their way back home to sleep. Butterfly rests on a cattail, dragonflies settle on leaves, and bees gather in their hive. Families of foxes, ducks, and rabbits cuddle close for slumber. The soft padded covers, rounded corners and sturdy board pages make this title a perfect fit for preschoolers!

The Meadow James Galvin,2014-02-04 An American Library Association Notable Book In discrete disclosures joined with the intricacy of a spider's web, James Galvin depicts the hundred-year history of a meadow in the arid mountains of the Colorado/Wyoming border. Galvin describes the seasons, the weather, the wildlife, and the few people who do not possess but are themselves possessed by this terrain. In so doing he reveals an experience that is part of our heritage and mythology. For Lyle, Ray, Clara, and App, the struggle to survive on an independent family ranch is a series of blameless failures and unclaimed successes that illuminate the Western character. *The Meadow* evokes a sense of place that can be achieved only by someone who knows it intimately.

Andrew Henry's Meadow Doris Burn,2012-07-05 A classic reissued for a new generation Andrew Henry has two younger brothers, who are always together, and two older sisters, who are always together. But Andrew Henry is in the middle--and he's always with himself. He doesn't mind this very much, because he's an inventor. But when Andrew Henry's family doesn't appreciate him or his inventions, he decides it's time to run away. Many children in the neighborhood feel the same way and follow him to his meadow, where he builds each of his friends a unique house of their very own. But in town the families miss their children and do everything they can to find them. And the kids realize that it feels a little lonely out in the meadow without their parents. Just as relevant today as it was in 1967, this is a heart-warming story about children who want to feel special and appreciated for who they are. With a new jacket and expanded trim size, Andrew Henry is ready to enchant the next generation of kids.

Live To Tape Jeffrey L. L. Diamond, 2017-07-09 Ethan Benson has no idea his life is about to change forever when he walks through the door of The Weekly Reporter where he's starting a new job as a senior producer, charged with managing the show's mercurial anchorman. As he settles in on his first day, he's summoned by the executive producer and assigned to a story about a rich heart surgeon who's confessed to the salacious murder of a young runaway he picked up on the gritty streets of a South Boston combat zone. At first, the story appears to be a random sex crime: the case two years old, the investigation long wrapped and mothballed, the killer convicted and locked away for the rest of his life. But as Ethan begins exploring the facts and meeting the principal characters, he unravels a sinister conspiracy by law enforcement officials, a pervasive cover-up driven by money, greed, and fear, and a dark secret hidden by the maniacal killer for decades. Steeped in the nuances of television production, Ethan takes the reader on a fast-paced journey through the underbelly of society using every skill at his fingertips to uncover the truth, while fighting his own inner demons in a bottle of Scotch. A true thriller, Live to Tape paints a raw, inside picture of broadcasting with its infighting and backstabbing that will keep readers asking for more.

The Jewel Garden Monty Don, Sarah Don, Monty Don & Sarah Don, 2012-03-01 'TRULY INSPIRING' Mail on Sunday Now familiar to millions of Gardeners' World fans as Longmeadow (the home of Nigel & Nellie), this is the story of Monty & Sarah Don's early days there. THE JEWEL GARDEN is the story of the garden that bloomed from the muddy fields around the Dons' Tudor farmhouse, a perfect metaphor for the Monty and Sarah's own rise from the ashes of a spectacular commercial failure in the late '80s. At the same time THE JEWEL GARDEN is the story of a creative partnership that has weathered the greatest storm, and a testament to the healing powers of the soil. Monty Don has always been candid about the garden's role in helping him to pull back from the abyss of depression; THE JEWEL GARDEN elaborates on this much further. Written in an optimistic, autobiographical vein, Monty and Sarah's story is truly an exploration of what it means to be a gardener.

Blooming Meadows Fintan Vallely, Charlie Piggott, 1998 This is a book of outstandingly warm, quirky and personality-laden pictures by the photographer Nutan. Nostalgia, nationalism, romanticism, virtuosity and communitas here meet art and quiet confidence in cultural meaning.

Body Double Lucy Fischer, 2013-01-15 Body Double explores the myriad ways that film artists have represented the creative process. In this highly innovative work, Lucy Fischer draws on a neglected element of auteur studies to show that filmmakers frequently raise questions about the paradoxes of authorship by portraying the onscreen

writer. Dealing with such varied topics as the icon of the typewriter, the case of the writer/director, the authoress, and the omnipresent infirm author, she probes the ways in which films can tell a plausible story while contemplating the conditions and theories of their making. By examining many forms of cinema, from Hollywood and the international art cinema to the avant-garde, Fischer considers the gender, age, and mental or physical health of fictionalized writers; the dramatized interaction between artists and their audiences and critics; and the formal play of written words and nonverbal images. By analyzing such movies as *Adaptation*, *Diary of a Country Priest*, *Naked Lunch*, *American Splendor*, and *Irezumi*, Fischer tracks the parallels between film author and character, looking not for the creative figure who stands outside the text, but for the one who stands within it as corporeal presence and alter-ego.
