*Rock God: The Legend of BJ Levine* Barnabas Miller, 2012-01-01 When geeky middle-schooler B.J. Levine moves from Cleveland to New York City, he discovers his true purpose in life--to become a rock god. But in order to realize his destiny, he will have to battle disapproving parents, a mysterious group of middle-aged bikers, and his own apparent lack of musical talent.

*Horrid Massacre in Boston* Don Nigro, 2000 Jane Lamb, an orphan, finds a home at Mrs. Turley's Bunch of Grapes Inn in Boston during the Revolution. The colorful, eccentric and dangerous regulars she encounters there include a demonic roustabout who is a patriot, a traitor or a bit of both; Ophelia, a mad girl who talks to mice, and the Oyster Man, a street vendor obsessed with the Boston Massacre where he received a wound that has scrambled his brains to an alarming degree. Jane learns a vivid lesson about the dark underside of patriotic mythology in this nightmarish world of murder, secrets, betrayal and lunacy. This savagely funny, robust and haunting play is part of the author's series Pendragon Plays.

**Massacre Pond** Paul Doiron, 2013-07-16 Investigating the senseless slaughter of five moose found on the estate of a wealthy animal rights activist, Game Warden Mike Bowditch finds the controversial case turning more sinister when the activist's daughter is killed in a suspicious accident, a situation that compels Bowditch to risk everything he cares about. 35,000 first printing.

**Oh What a Slaughter** Larry McMurtry, 2010-06-01 A brilliant and riveting history of the famous and infamous massacres that marked the settling of the American West in the nineteenth century. In *Oh What a Slaughter*, Larry McMurtry has written a unique, brilliant, and searing history of the bloody massacres that marked—and marred—the settling of the American West in the nineteenth century, and which still provoke immense controversy today. Here are the true stories of the West's most terrible massacres—Sacramento River, Mountain Meadows, Sand Creek, Marias River, Camp Grant, and Wounded Knee, among others. These massacres involved Americans killing Indians, but also Indians killing Americans, and, in the case of the hugely controversial Mountain Meadows Massacre in 1857, Mormons slaughtering a party of American settlers, including women and children. McMurtry's evocative descriptions of these events recall their full horror, and the deep, constant apprehension and dread endured by both pioneers and Indians. By modern standards the death tolls were often small—Custer's famous defeat at Little Big Horn in 1876 was the only encounter to involve more than two hundred dead—yet in the thinly populated West of that time, the violent extinction of a hundred people had a colossal impact on all sides. Though the perpetrators often went unpunished, many guilty and traumatized men felt compelled to tell and retell the horrors they had committed. From letters and diaries, McMurtry has created a moving and swiftly paced narrative, as memorable in its way as such classics as Evan S. Connell's *Son of the Morning Star* and Dee Brown's *Bury My Heart at Wounded Knee*. In Larry McMurtry's own words: I have visited all but one of these famous massacre sites—the Sacramento River massacre of 1846 is so forgotten that its site near the northern California village of Vina can only be approximated. It is no surprise to report that none of the sites are exactly pleasant places to be, though the Camp Grant site north of Tucson does have a pretty community college nearby. In general, the taint that followed the terror still lingers and is still powerful enough to affect locals who happen to live nearby. None of the massacres were effectively covered up, though the Sacramento River massacre was overlooked for a very long time. But the lesson, if it is a lesson, is that blood—in time, and, often, not that much time—will out. In case after case the dead have managed to assert a surprising potency. The deep, constant apprehension, which neither the pioneers nor the Indians escaped, has, it seems to me, been too seldom factored in by historians of the settlement era, though certainly it saturates the diary-literature of the pioneers, particularly the diary-literature produced by frontier women, who were, of course, the likeliest candidates for rapine and kidnap.

**By Their Father's Hand** Monte Francis, 2009-03-17 Neighbors were unaware of what went on

behind the tightly closed doors of a house in Fresno, California—the home of an imposing, 300-pound Marcus Wesson, his wife, children, nieces, and grandchildren. But on March 12, 2004, gunshots were heard inside the Wesson home, and police officers responding to what they believed was a routine domestic disturbance were horrified by the senseless carnage they discovered when they entered. *By Their Father's Hand* is a chilling true story of incest, abuse, madness, and murder, and one family's terrible and ultimately fatal ordeal at the hands of a powerful, manipulative man—a cultist who envisioned vengeful gods and vampires, and totally controlled those closest to him before their world came to a brutal and bloody halt.

*Anatomy of a Massacre* Jason Karpf, Elinor Karpf, 1994 Recounts the mass murder which occurred at Luby's Cafeteria on October 16, 1991, in Killeen, Texas, and why it happened.

*The Maine Massacre and Two Other Great Mysteries* Janwillem Van de Wetering, 1979 Three mysteries involving the Amsterdam police on their own turf.

**Herrin Massacre** Scott Doody, 2013 Twenty three men killed in Williamson County and the streets of Herrin, Illinois over a two day killing spree on June 21st and 22nd, 1922. The largest mass murder of non-union labor in the history of America. The event would become known around the world as The Herrin Massacre. Read about the toughest (deadliest) little city in America and the modern day hunt for the massacre victim's lost graves in the potter's field of the Herrin city cemetery. Written by Scott Doody, this four year adventure uncovers the ugly secret of what happens when a town buries their past so deep, it changes their future.

*The Mountain Meadows Massacre* Juanita Brooks, 2012-09-06 In the Fall of 1857, some 120 California-bound emigrants were killed in lonely Mountain Meadows in southern Utah; only eighteen young children were spared. The men on the ground after the bloody deed took an oath that they would never mention the event again, either in public or in private. The leaders of the Mormon church also counseled silence. The first report, soon after the massacre, described it as an Indian onslaught at which a few white men were present, only one of whom, John D. Lee, was actually named. With admirable scholarship, Mrs. Brooks has traced the background of conflict, analyzed the emotional climate at the time, pointed up the social and military organization in Utah, and revealed the forces which culminated in the great tragedy at Mountain Meadows. The result is a near-classic treatment which neither smears nor clears the participants as individuals. It portrays an atmosphere of war hysteria, whipped up by recitals of past persecutions and the vision of an approaching army coming to drive the Mormons from their homes.

**Humpty Dumpty Was Pushed** Bruce Lord, Elisabeth Richards, 2008-11-18 What would you do if you suspect your best friend, who happens to be a giant egg, was killed but everyone else thinks it was an accident? *Humpty Dumpty Was Pushed*, a collection of twenty-two short fairy tale-like stories, tackles that question and many more. In this collection's title story, Chicken Little is certain his friend did not fall from the ledge, and he intends to prove there is a conspiracy. Will he discover the truth before it's too late? Filled with interesting and delightful characters, these short stories ask questions not raised before. Can a reverse vampire find true love? Can the World Nose Hair champion really make the world a better place? Is it ever wise to stick cheese noodles in your nose? Can one live their life squeezing other people's ears in peace? If a whale and a tiger had a fight who would win? Incorporating familiar characters in children's literature and folklore, *Humpty Dumpty Was Pushed* tells a series of tales with surprises to keep you guessing. Each story asks a different question, and each story offers a different, strange answer.

*The Fort Dearborn Massacre* Linai Taliaferro Helm, 1912

*Young Brothers Massacre* Paul W. Barrett, Mary H. Barrett, 1988-04 On January 2, 1932, near Springfield, Missouri, ten poorly armed law enforcement officers set out to arrest two local farm boys for auto theft. A few minutes later, six of the officers lay dead and three were wounded, setting a record that stands to this day for the greatest number of police officers killed in one incident in the history of the United States. This is the story of how it happened and of the unlikely people whose lives were forever changed. The two killers, Jennings and Harry Young, were from a peaceful, tiny community named Brookline in central Greene County, Missouri. The massacre itself took place at

the quiet orderly farm home of the J. D. Young family. Paul and Mary Barrett trace the personalities of those involved in the incident, describe the events of the fateful day, and examine the aftermath of the killings, detailing what was called the greatest man hunt in the history of Texas, which culminated in the brothers' deaths in Houston.

**The Mountain Meadows Massacre** Josiah Francis Gibbs,1910

*Massacre in Newtown* Henry Berry,2013-02-17 Henry Berry lives about 20 miles south of Newtown in Fairfield County. A lifelong resident of Connecticut, like many others across the country, he was shocked, alarmed, and confused by the scale and savagery of the shootings of more than 20 children and adults in Newtown on December 14, 2012. His book *Massacre in Newtown - Adam Lanza's Dark Passage to Madness* is an effort to try to gain a grasp of this horrible event for whatever consolation and peace this may offer. *Massacre in Newtown* analyzes and evaluates many details of actions and decisions Adam Lanza is known to have made leading up to the moment when he burst into Sandy Hook Elementary School heavily armed to murder so many helpless, trapped individuals. Published before the completion and release of the unofficial Connecticut report on the massacre, in taking up widely-reported, confirmed facts of the event and its timeline, this early study is germane and insightful. Drawing on his lifelong pursuits of psychology, literary studies, art criticism, philosophy, and cultural studies for *Massacre in Newtown - Adam Lanza's Dark Passage to Madness*, Henry Berry uncovers sources and follows the process eventuating in an unspeakable, unimaginable episode of madness.
