Gifts from Friends We've Yet to Meet Virginia Herbers,2021-10-25 What does it mean to be anonymous in the gospels? Isn't God the one who calls us by name and knows us even before we are born? In *Gifts from Friends We've Yet to Meet*, Virginia Herbers introduces readers to nameless gospel characters, each of whom provides us with a story, a journey, and a gift. Reflecting on experiences in her own life, Herbers journeys through these gospel stories, inviting us to reflect on seemingly insignificant encounters in our own lives. Who are the "anonymous figures" who have played a critical

role for each of us? How do the experiences of the nameless gospel characters continue to reach and teach us today? Can it be that their anonymity allows their experience to be both individual and universal? In each of these anonymous characters, Herbers introduces us to dear friends we just haven't met yet. And each of their ages-old encounters with Jesus contains a gift for all of us today.

Instant Friendship The INSTANT-Series,2016-04-05 The Instant-Series Presents Instant Friendship How to Make Friends Instantly! It's the weekend...finally! You've made it! You've been working long and hard all week, and now you're ready to unwind. Just as you're about to enjoy yourself, that feeling of accomplishment turns into disappointment almost immediately as you get depressed. Why is that? It's because you have no friends! You have no friends to call up on. You have no friends to go out with or want to hang out with YOU. How come? It could be because you never really were the extroverted social type growing up with the opportunity to develop your social skills; you and your friends have grown apart due to time or new life priorities; or perhaps you have just relocated without knowing anybody and have to rebuild your social circle from scratch. As much as you would still like to go out, you're afraid to go out by yourself feeling the dreaded social anxiety and from not knowing how to meet and make friends! So rather than going out - you stay in being glued to Netflix, wasting time on Facebook looking at all the posted images of the wonderful nights others are having, and wishing you could be a part of that! Thus, the real questions we should be asking: Are you feeling sick and tired of being lonely not having anybody to hang out with? Are you jealous of other people who always seem to have fun when they're out? Are you secretly envious of the folks who always have exciting things to do with their friends? If you ARE, you can develop instant friendships now! Within Instant Friendship: * How to determine your current friendability level in order to calibrate your social interaction in making friends. * How to meet new people and where to meet them with all the friendly tricks of the trade that you'll need. * How to cold approach random strangers and go from first meeting to progressing into a real friendship step-by-step. * How to be the social butterfly you always wanted to be to explode your social life exponentially to the next level. * How to maintain your friendships once they're established so all the effort put into them don't go to waste. * Plus, custom practical how-to strategies, techniques, applications and exercises on how to get friends. ...and much more.
