Theological Bible Commentary Gail R. O'Day, David L. Petersen, 2009-04-28 Most one-volume Bible commentaries focus on standard scholarly issues, answering questions such as, who wrote the book? who was addressed? and how is the book structured? In contrast, this is the first one-volume commentary to emphasize theological questions: what does each biblical book say about God? how does the book describe God and portray God's actions? and who is God in these biblical books? This volume meets the need for a resource that puts the best of scholarship in conversation with the theological claims of the biblical text.

Mark- Everyman's Bible Commentary Earle Ralph, 1970-06-01 Designed for laypeople, these commentaries deal seriously with the biblical text without being overly technical. Introductory information, doctrinal themes, problem passages, and practical applications are examined.

The Tony Evans Bible Commentary Tony Evans, CSB Bibles by Holman, 2019-10-01 Tony Evans is one of the most influential church leaders of our time and has been studying and preaching the Gospel for over 50 years. He is senior pastor of Oak Cliff Bible Fellowship in Dallas, TX and founder of The Urban Alternative, a ministry which promotes a kingdom agenda philosophy designed to enable people to live all of life underneath the comprehensive rule of God. The Tony Evans Bible Commentary includes an introduction to each Bible book followed by passage-by-passage exposition of the entire Bible by Dr. Tony Evans. In addition, there is a special front matter section with introductory resources. The insights in this commentary will help explain God's Word in a fresh way. Applying these truths will empower readers to have transformed lives that then transfer the values of the kingdom of God to others. The Tony Evans Bible Commentary features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-changing message and to share it with others.

Ephesians, Colossians, and Philemon Ralph P. Martin, 2012-09-03 In his commentary, Ralph Martin singles out two themes that are high on today's agenda of theological and practical inquiry and planning. These themes are the cosmic dimensions of Christological teaching and the role of the church as God's locus and agent of reconciliation. In this examination, the author allows Paul's voice to be heard again on these important themes.

Revelation Craig S. Keener, 2000 The NIV Application Commentary helps readers with the vital task of bringing the ancient message of the Bible into a contemporary context. It gives preachers and teachers the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

Richard's Bible Commentary Richard Hirsch, 2020-04-14 This is a Layman's compilation of what the scripture literally says, apart from modification by denominational doctrine, theological views, or historical interpretations. It is intended as an aid to other lay persons to obtain a better and truer understanding of scriptures as contained in contemporary translations of the Bible. Special emphasis is given to the unfolding of God's endtimes scenario, as foretold by Jesus Christ in His Olivet Discourse, and as further outlined in the Book of Revelation. A special 8 page recap of this prophecy is provided.

The People's New Testament Commentary M. Eugene Boring, Fred B. Craddock, 2010-01-01 M. Eugene Boring and Fred B. Craddock present this new one-volume commentary on the New Testament. Writing from the fundamental conviction that the New Testament is the people's book, Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship. Their work clarifies matters of history, culture, geography, literature, and translation, enabling people to listen more carefully to the text. This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible.
