God's Megathemes Jim Phillips,2019-02-22 There are many truths in scripture that are never explicitly stated yet are present in every story in the Bible. For example, we miss God's best for us when we are disobedient, and when God acts, it always results in the greatest good, for the greatest number, for the longest period of time. But while these and other truths are available for us, there may not always be an explicit chapter and verse of the Bible to consult. In God's Megathemes, author Jim Phillips identifies over twenty "megathemes" of scripture—those principles, lessons, ideas, and truths that are never explicitly stated but that pervade the Lord's message to us. Arranged under six major themes for your spiritual growth, these megathemes range from themes of the trustworthiness of God and his Word, the destructiveness of sin, and the goodness of the gospel to what it means to live a Christlike life, how God provides for us, and what kind of adversity we face as followers of Jesus. Knowing these truths will affect your deepest convictions about who God is, what God does, and why he does it. God's Megathemes will help any who want to know God better to find the spiritual nourishment they need from uncovering the truths of God's Word.

*The Mega Church* Dag Heward-Mills,2007-05-21 Philippians is considered God's spiritual manual on joy and rejoicing but it's more than that. This Bible study answers the question everyone is asking What would Jesus do It is God's revelation on how Christians should think in a world whose values and priorities are contrary and often hostile to God and His people. This study will teach you how to escape much of the unbiblical thinking that dominates our world.Lesson titles includeThe Surrendered MindThe Servant MindThe Settled MindThe Sanctified Mind

*The Action Bible: Faith in Action Edition* Sergio Cariello,2024-02-06 This reimagining of the mega-selling Action Bible combines 230 stories of biblical heroes with vibrant comic-book-style illustrations and an immersive online experience. Readers will explore seven dynamic attributes of God's story, earn Faith in Action Badges representing those qualities, and discover even more through a discoverable QR code in each story that takes them to a safe online adventure of games, playlists, Bible studies, activities, and a complete devotional designed to increase their time with God. Since its release in 2010, The Action Bible has received widespread acclaim for its high-energy, engaging graphics and over 230 spiritually-transformative Bible stories. Introducing the Faith in Action program that reinvents the bestselling, comic-book-style Bible with a systematic approach to experiencing the Word of God for the next generation. In addition to an interior redesign refresh, this exciting edition includes: The Faith in Action system which gives young readers an easy-to-navigate and engaging experience for exploring the Bible through themes that connect directly to their felt needs. A Faith in Action Badge for each story that corresponds with one of seven biblical attributes: courage, faith, hope, love, service, trust, and wisdom. Discoverable QR codes in every story take readers to a safe online experience to explore even more content: videos, games, a digital Scripture index, prayers, Bible facts, devotions, playlists, reading plans, interactive maps, Bible study sessions, and more. A reading challenge chart spurs young readers on to earn a Faith in Action Title. With all the intrigue of a graphic novel and all the truth of God's Word, The Action Bible: Faith in Action Edition satisfies the curious minds and adventurous hearts of today's young learners, guiding them to connect more deeply with God's Word, develop a richer relationship with their Savior, and grow in their compassion for the world around them.

Mega Book: Encyclopedia of Gods and Goddesses of Mesopotamia Phoenicia, Ugarit, Canaan, Carthage, and the Ancient Middle East Maximillien De Lafayette,2015-02-24 Mega book: Encyclopedia of Gods and Goddesses of Mesopotamia Phoenicia, Ugarit, Canaan, Carthage, and the Ancient Middle East. Two volumes in one: A-Z. Also available in 2 separate volumes. This encyclopedia lists and defines approximately 125 gods and goddesses, and includes translations of Akkadian, Sumerian, Chaldean, and Assyrian texts and tablets by a noted scholar and one of the world's most distinguished linguists, who authored more than 20 encyclopedic dictionaries and 3 encyclopedias on the languages, culture, religion, and history of the ancient Middle East, and Near East. The encyclopedia is highly recommended to universities' professors who teach those fields, as well as to all those who are interested in the culture, religions and civilizations of the ancient world.

**Majestie** David Teems,2010-10-18 In the Beginning, James. Orphaned, bullied, lonely, and unloved as a boy, in time the young King of Scots overcame his troubled beginnings to ascend the English throne at the height of England's Golden Age. In an effort to pacify rising tensions in the Anglican Church, and to reflect the majesty of his new reign, he spearheaded the most important literary undertaking in Western history—the translation of the Bible into a beautiful, lyrical, and accessible English. David Teems's narrative crackles with wit, using a thoroughly modern tongue to reanimate the life of this seventeenth century king—a man at the intersection of political, literary, and religious thought, yet a man of contrasts, dubbed by one French king as "the wisest fool in Christendom." Warm, insightful, even at times amusing, Teems's depiction of King James has all the elements of a grand tale—conspiracy, kidnapping, witchcraft, murder, love, despair, loss. Majestie offers an engaging new look at the world's most cherished, revered, and influential translation of Sacred Writ and the king behind it. "Engrossing and entertaining...a delightful read in every way." — Publishers Weekly

**The Mega Misconception Book** James Egan,

*Megashift* James Rutz,2011-01-13 The 1,700-year nightmare is over. A megashift of spiritual power in the hands of ordinary people is about to overwhelm the world. Prepare yourself to take part in a total makeover of planet earth! It's a shocker! Rutz's research has found fifty-two countries where God has raised people from the

dead, mostly in the last fifteen years. These are not near-death experiences, but bona fide resurrections - by regular people. China already has over 110 million Christians who are taking power roles in the church. Since 2001, Rutz has taught former Hindus across India who now have planted thousands of house churches. The revolution is headed this way. Discover a new world where . . . · Over a billion non-Christians may become highly active Christians in the next dozen years. · A whole new form of Christianity promises to bring a far greater impact than the Protestant Reformation. · Millions of ordinary people are doing miracles. · A vast cleansing storm is roaring toward us from abroad. Megashift is a startling introduction to that surge of grass roots power and love that will lay a whole new basis for civilization. Thousands of committed teams around the globe are producing a neo-culture of responsible freedom. This is the next step up from Protestantism, though the beliefs remain the same. It is a joyful megashift away from pastor-centered, spectator religion toward a more biblical church where God works directly through you--and you are freed from your problems and empowered to do wonders. This book can turn you into a genuine priest with full authority to transform people and start your own network: small, sermon-free, life-changing circles of power where people are allowed to speak and interact and form the deepest friendships of their lives. Your adventure is here.

Jj's Mega Mistake Monica Johnson,2019-02-27 The JJ's book series are story book devotionals that tell the stories of a boy named JJ who is learning what it means to be a Christian. As young readers see JJ learning about his faith they gain the tools they need to help them build theirs. As they see how JJ's faith plays out in everyday situations, they learn how they can live out the teachings in the Bible as well. The discussion questions at the end of each book will help parents engage their young ones in conversations that will help to reinforce how the lessons from the stories apply to their lives. In JJ's Mega Mistake, JJ really upsets his big sister Justine and can't think of a way to gain her forgiveness. But with wisdom from Proverbs 17:9, he not only learns the importance of why we forgive each other, but he also learns why sometimes forgiveness can come at a price he doesn't have to pay.

Unraveling the Mega-Church Wilmer MacNair,2009-05-14 As American mega-churches continue to grow in both number and congregation size, more and more people want to know what all the commotion is about. Here, MacNair shows the emergence of the modern mega-church as not only a disturbing break from tradition, but as a distortion of the Christian tradition of worship - morphing the Church into something more like a business than a place of worship or a place where the presence of Jesus is preserved for future generations. This book answers several questions in an effort to help readers better understand this trend: What is the impact of the emergence of the mega-church, what does this mean to modern Christianity and to the future of Christianity? What does this tell us about the practice of religion today and about faith in God, in any God, in any religion, in the face of the encroachment of mega organizational thinking and money-making upon traditional belief systems? An inside observer, social scientist and faith leader, MacNair offers an insightful critique of mega-churches and their proliferation throughout the country. Reporting from within the halls of Christian history and the Christian intellectual tradition, he offers a new perspective on a growing trend in American Christianity. Taking readers on a tour of a typical mega-church, MacNair reveals the inner workings of this growing organizational approach to American Christianity. He looks at the physical meeting place, the music, the sermon, the groups and services available to congregants, the messages and values it promotes, and the future of the mega-

church in America. He argues that the main goal of the mega-church is growth and expansion, and that such an approach distorts the essence of Christianity and sends the wrong message to followers. With more than 1200 mega-churches in the U.S., and hundreds of thousands of congregants, this controversial work will pique the interest of anyone who wishes to know more about the movement as well as the critiques it engenders.

*The Megachurch Book* LaDonna Carter,Sharnette Mitchell,2012-06-11 The Megachurch Book juxtaposes the way of the scripture to the way of the modern day church, particularly the megachurch. A broad range of subjects are explored including church membership, lavish buildings, dual church locations, the absence of men in the church, neglect of community, the corporate orientation of the megachurch, the tax exempt charter, and many more intriguing topics. The book primarily focuses on trends and practices that are found in African American community based megachurches. Certain topics are written in prose and biblical metaphoric style for greater impact. The more biblical versed a reader is, the more the book will resonate. In order to accommodate various levels of biblical familiarity, the author includes a Discussions and Supporting Scriptures section at the conclusion of each topic. The Megachurch Book was written to open dialogue, invoke discourse, and inspire church attendees to not only consider the appropriateness of certain megachurch practices, but to also question such practices.

*Reading the Bible Again For the First Time* Marcus J. Borg,2009-10-13 One of the vital challenges facing thoughtful people today is how to read the Bible faithfully without abandoning our sense of truth and history. Reading the Bible Again for the First Time provides a much-needed solution to the problem of how to have a fully authentic yet contemporary understanding of the scriptures. Many mistakenly believe there are no choices other than fundamentalism or simply rejecting the Bible as something that can bring meaning to our lives. Answering this modern dilemma, acclaimed author Marcus Borg reveals how it is possible to reconcile the Bible with both a scientific and critical way of thinking and our deepest spiritual needs, leading to a contemporary yet grounded experience of the sacred texts. This seminal book shows you how to read the Bible as it should be examined—in an approach the author calls historical-metaphorical. Borg explores what the Scriptures meant to the ancient communities that produced and lived by them. He then helps us to discover the meaning of these stories, providing the knowledge and perspective to make the wisdom of the Bible an essential part of our modern lives. The author argues that the conventional way of seeing the Bible's origin, authority, and interpretation has become unpersuasive to millions of people in our time, and that we need a fresh way of encountering the Bible that takes the texts seriously but not literally, even as it takes seriously who we have become. Borg traces his personal spiritual journey, describing for readers how he moved from an unquestioning childhood belief in the biblical stories to a more powerful and dynamic relationship with the Bible as a sacred text brimming with meaning and guidance. Using his own experience as an example, he reveals how the modern crisis of faith is itself rooted in the misinterpretation of sacred texts as historical record and divine dictation, and opens readers to a truer, more abundant perspective. This unique book invites everyone—whatever one's religious background—to engage the Bible, wrestle with its meaning, explore its mysteries, and understand its relevance. Borg shows us how to encounter the Bible in a fresh way that rejects the limits of simple literalism and opens up rich possibilities for our lives.

### Mega Bibles Introduction

In today's digital age, the availability of Mega Bibles books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mega Bibles books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mega Bibles books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mega Bibles versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mega Bibles books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF

files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mega Bibles books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mega Bibles books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mega Bibles books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mega Bibles books and manuals for download and embark on your journey of knowledge?
