Meet the Latkes Alan Silberberg, 2018-10-16 Imagine James Marshall's *The Stupids* celebrating Hanukkah, and you'd get the Latke family! Lucy Latke's family is just like yours or mine. Except that they're potato pancakes. And also, they are completely clueless. After lighting the menorah and gobbling the gelt, Grandpa Latke tells everyone the Hanukkah story, complete with mighty Mega Bees who use a giant dreidel to fight against the evil alien potatoes from Planet Chhh. It's up to the Latke family dog to set the record straight. (To start with, they were Maccabees, not Mega Bees...) But he'll have to get the rest of the Latkes to listen to him first!

All-of-a-Kind Family Hanukkah Emily

Jenkins, 2018-09-11 The beloved characters from Sydney Taylor's *All-of-a-Kind Family* return in this heartwarming picture book from the acclaimed author and Caldecott Award-winning artist. A Kirkus Reviews best book of the year that is perfect for Hanukkah gift-giving! Share this joyous holiday tale of a Jewish immigrant family all year long. -- Kirkus Review, starred review The beloved *All-of-a-Kind Family* comes to life in a new format perfect for younger readers. Join the five sisters back in 1912, on the Lower East Side of NYC, and watch as preparations for Hanukkah are made. When Gertie, the youngest, is not allowed to help prepare latkes, she throws a tantrum. Banished to the girls' bedroom, she can still hear the sounds and smell the smells of a family getting ready to celebrate. But when Papa comes home she is given the best job of all: lighting the first candle on the menorah. First published in 1951, Taylor's chapter books have become time-honored favorites, selling over a million copies and touching generations of readers. In this time when immigrants often do not feel accepted, the *All-of-a-Kind*

Family gives a heartwarming glimpse of a Jewish immigrant family and their customs that is as relevant--and necessary--today as when it was first written. Jenkins and Zelinsky's charming compliment to Taylor's series perfectly captures the warmth and family values that made the original titles classics.

The Lincoln Highway Amor Towles, 2021-10-05 #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope." —Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the

opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. “Once again, I was wowed by Towles’s writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero’s journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel.”
– Bill Gates

The Girl in the Corn Jason Offutt, 2022-01-11 Beware of what lurks in the corn. Fairies don’t exist. At least that’s what Thomas Cavanaugh’s parents say. But the events of that one night, when he follows a fairy into the cornfield on his parents’ farm, prove them wrong. What seems like a destructive explosion was, Thomas knows, an encounter with *Dauðr*, a force that threatens to destroy the fairy’s world and his sanity. Years later, after a troubled childhood and a series of dead-end jobs, he is still haunted by what he saw that night. One day he crosses paths with a beautiful young woman and a troubled young man, soon realizing that he first met them as a kid while under psychiatric care after his encounters in the cornfield. Has fate brought them together? Are they meant to join forces to save the fairy’s world and their own? Or is one of them not who they claim to be?

find yourself aspiring to be, as Kate is, a home chixologist overrun by gorgeous, loud, early-rising egg-laying ladies, and in need of a very strong drink.

Isobel is a problem solver . . . addition, subtraction, multiplication, division! But trying to figure out who is causing all the noise next door is one problem she can't quite work out. Will Will Smith, 2021-11-09 The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason,

that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

Farm Sanctuary Gene Baur, 2008-11-04 Written by one of the foremost experts on animal rights, *Farm Sanctuary* is an insightful, thought-provoking examination of the ethical questions involved in the breeding of animals for food.

Global Trends 2030 National Intelligence Council (U.S.), 2012 This report is intended to stimulate thinking about the rapid and vast geopolitical changes characterizing the world today and possible global trajectories over the next 15 years. As with the NIC's previous *Global Trends* reports, we do not seek to predict the future, which would be an impossible feat, but instead provide a framework for thinking about possible futures and their implications. In-depth research, detailed modeling and a variety of analytical tools drawn from public, private and

academic sources were employed in the production of Global Trends 2030. NIC leadership engaged with experts in nearly 20 countries, from think tanks, banks, government offices and business groups, to solicit reviews of the report.

The Ruthless Elimination of Hurry John Mark Comer, 2019-10-29 ECPA BESTSELLER • A compelling emotional and spiritual case against hurry and in favor of a slower, simpler way of life “As someone all too familiar with ‘hurry sickness,’ I desperately needed this book.”—Scott Harrison, New York Times best-selling author of Thirst “Who am I becoming?” That was the question nagging pastor and author John Mark Comer. Outwardly, he appeared successful. But inwardly, things weren’t pretty. So he turned to a trusted mentor for guidance and heard these words: “Ruthlessly eliminate hurry from your life. Hurry is the great enemy of the spiritual life.” It wasn’t the response he expected, but it was—and continues to be—the answer he needs. Too often we treat the symptoms of toxicity in our modern world instead of trying to pinpoint the cause. A growing number of voices are pointing at hurry, or busyness, as a root of much evil. Within the pages of this book, you’ll find a fascinating roadmap to staying

emotionally healthy and spiritually alive in the chaos of the modern world.

Member of the Family Dianne Lake, Deborah Herman, 2017-10-24 In this poignant and disturbing memoir of lost innocence, coercion, survival, and healing, Dianne Lake chronicles her years with Charles Manson, revealing for the first time how she became the youngest member of his Family and offering new insights into one of the twentieth century's most notorious criminals and life as one of his girls. At age fourteen Dianne Lake—with little more than a note in her pocket from her hippie parents granting her permission to leave them—became one of Charlie's girls, a devoted acolyte of cult leader Charles Manson. Over the course of two years, the impressionable teenager endured manipulation, psychological control, and physical abuse as the harsh realities and looming darkness of Charles Manson's true nature revealed itself. From Spahn ranch and the group acid trips, to the Beatles' White Album and Manson's dangerous messiah-complex, Dianne tells the

riveting story of the group's descent into madness as she lived it. Though she never participated in any of the group's gruesome crimes and was purposely insulated from them, Dianne was arrested with the rest of the Manson Family, and eventually learned enough to join the prosecution's case against them. With the help of good Samaritans, including the cop who first arrested her and later adopted her, the courageous young woman eventually found redemption and grew up to lead an ordinary life. While much has been written about Charles Manson, this riveting account from an actual Family member is a chilling portrait that recreates in vivid detail one of the most horrifying and fascinating chapters in modern American history. Member of the Family includes 16 pages of photographs.
