Husbands That Cook Ryan Alvarez,Adam Merrin,2019-03-12 FEATURED IN: LA Times • Relish Magazine • Epicurius.com • Eat Your Books • The Eagle Rock Boulevard-Sentinel • Men's Vow's • Powell's Books Blog • Bay Area Reporter • Passport Magazine Gaby Dalkin says: Adam and Ryan make vegetarian recipes that are not only delicious but they'll satisfy any meat lover too! Molly Yeh says: I love this book! It is truly impossible not to love Adam and Ryan and Husbands that Cook. Between the giggle-worthy headnotes and wildly craveable recipes, this is a book that you will use again and again, and all the while feel as if you are cooking with two great friends. From the award-winning bloggers behind Husbands That Cook comes a book of original recipes inspired by their shared love of vegetarian food, entertaining, world travel—and each other. Food has always been a key ingredient in Ryan Alvarez and Adam Merrin's relationship—and this cookbook offers a unique glimpse into their lives beyond their California kitchen. From their signature Coconut Curry with Chickpeas and Cauliflower, which was inspired by their first date at a shopping mall food court, to the Communication Breakdown Carrot Cake (which speaks for itself), these and other recipes reflect the husbands' marriage in all its flavor and variety. Written with the same endearing, can-do spirit of their blog, the husbands present more than 120 brand-new recipes—plus some greatest hits from the site—that yield delicious results every time. Each entry in Husbands That Cook is a reminder of how simple and satisfying vegetarian meal-making can be, from hearty main dishes and sides to healthy snacks and decadent desserts and drinks. Ryan and Adam also outline common pantry items and everyday tools you'll need to fully stock your kitchen. Whether you're cooking for one or feeding the whole family, this book is chock-full of great creative recipes for every day of the week, all year long.

Uncle Bob and Aunt Becky's Strange Adventures at the World's Great Exposition ... Wilbur Herschel Williams,1904 Trip from Skowhegan through many cities to the goal of their ambition the marvelous event of the century [St. Louis World's Fair].

Graf von Anderson's College German Grammar and Culture Christian Anderson,2021-04-05 Graf von Anderson's College German Grammar and Culture is a beginners' textbook (CEFR A1-B2, ACTFL novice low – intermediate low) for the German language for college students and for those engaged in self-study with popular software programs and apps. In addition to illuminating profiles of key places and individuals who helped shape German history from Roman times to the present day, the textbook also includes important cultural briefings. Chapter by chapter the book delineates the scope of the German language, beginning with "ich", and moving on to subjects and verbs. Later chapters introduce cases, indirect and direct objects, prepositions, tenses, moods, and adjectives. Each chapter includes challenging exercises, and an answer key is provided. The rich cultural component in each chapter includes a travel guide, a historical snapshot, several musical selections, and a German text to read. This book is a straightforward and thorough introduction to the basic structures of German grammar and provides an overview of selected highlights of German culture to engage and enthuse.

Short Stories Kyrle Bellew,2021-04-11 Despite what the title may imply, the following work is actually an autobiography written by Kyrle Bellew, an English stage and silent film actor. He notably toured with Cora Brown-Potter in the 1880s and 1890s, and was cast as the leading man in many stage productions alongside her. He was also a signwriter, gold prospector and rancher mainly in Australia.

Hill of Grace Stephen Orr,2011-05 1951. Among the coppiced carob trees and arum lilies of the Barossa Valley, old-school Lutheran William Miller lives a quiet life with his wife, Bluma, and son Nathan, making wine and baking bread. But William has a secret. He's been studying the Bible and he's found what a thousand others couldn't: the date of the Apocalypse.

An Alabama Story Daniel Hammarberg,2012-12-05 An Alabama Story is based on the accounts a southern man living in Alabama related to the

author - he will here be referred to as Billy Bob. When Hammarberg came across Billy Bob, he was able to share in captivating tales of Billy Bob's family life and how he and his family (here called the Hix) had interacted with their surrounding community. When Billy Bob let the author share in his tales, he made the author swear that he wouldn't let anyone else hear about them. Yet the author decided that these tales were simply too remarkable for the world to be denied them. Hence this book was written, a compilation of the tales Billy Bob had told the author about a year in the life of the Hix family. Hopefully Billy Bob will forgive Hammarberg for breaking his vow and publishing the book. Billy Bob insisted that even though many of his tales simply required the suspension of disbelief, every single one of them were absolutely true. But since the author doesn't want to jeopardize his good name by categorizing this work as non-fiction, in the case that some of them turn out not true, it sorts under Young-Adult Fiction. Inside the covers of this book, the reader will be treated to anecdotes like these from the Hix family life: The time the Hix burglarized a mansion as a family and brought home a hundred grand's worth of loot The time Billy Bob and one of his sons chased all the blacks out of the Birmingham welfare office How Billy Bob managed to prevent his lesbian daughter from marrying a 50-year-old woman The story of when Billy Bob ran for mayor of Birmingham How two of the family members became local heroes in the pro-wrestling circus During this year, the family ran into a number of celebrities as well, and these encounters are retold in full detail. Hopefully reading the book will bring many hours of enjoyment, and perhaps even spark a debate about freedom of speech. Speaking of free speech - prior to the publication of this novel, certain well-known voices in American public life demanded that their commentary on the book would be included with its distribution. The author had no problems with including them, and their messages are listed below: Once again the white devil has put his racist sentiments on display for all of us to see. Peaceful activists such as myself are doing the best we can to let our nation heal the wounds it's suffered under white supremacist rule, then this book comes along and ruins it all! /A. Sharpton This book will singlehandedly set us back at least 50 years in the struggle for women's liberation. Not a single woman in this book has a career or works for a living; and even worse, the family's lesbian daughter is constantly bullied throughout the whole book! /J. Fonda This is an outrage! In spite of a lifetime spent fighting for civil rights, I'm being scoffed and ridiculed in the pages of this book! Us blacks need to picket the Capitol over this! /J. Jackson I fear that after this book has been widely circulated, even more young queers than today will make that tragic step into the great beyond by taking their own lives, tormented by homophobia. Before you buy this book, think of the children! /D. Savage I feel that the language and the narrative elements of this book are very racially divisive and that they're entirely inappropriate for 21st-century America. I'm especially appalled at the disrespectful references to me as a person and I urge you not to buy the book! /B.H. Obama For more information, go to alabamastory.com.

An American Glossary Richard Hopwood Thornton, 1912 In this compilation are included: forms of speech now obsolete or provincial in England which survive in the U.S.; words and phrases of distinctly American origin; nouns which indicate quadrupeds, birds, trees, articles of food, etc. that are distinctly American; names of persons, classes of persons, and of places; words which have assumed new meanings; words and phrases with earlier American examples than in English writers.
