Performing American Identity in Anti-Mormon Melodrama Megan Sanborn
Jones,2009-06-10 In the late nineteenth century, melodramas were spectacular entertainment for Americans. They were also a key forum in which elements of American culture were represented, contested, and inverted. This book focuses specifically on the construction of the Mormon villain as rapist, murderer, and Turk in anti-Mormon melodramas. These melodramas illustrated a particularly religious world-view that dominated American life and promoted the sexually conservative ideals of the cult of true womanhood. They also examined the limits of honorable violence, and suggested the whiteness of national ethnicity. In investigating the relationship between theatre, popular literature, political rhetoric, and religious fervor, Megan Sanborn Jones reveals how anti-Mormon melodramas created a space for audiences to imagine a unified American identity.

Sons of War Paul Byrnes,2022-10-25 In the Second World War, thousands of Australian boys lied about their age and volunteered for a war the scale of which they could never have imagined. Like many of their fathers in the Great War, they went with their eyes wide shut: under-trained, under-equipped and under-age. Some were as young as thirteen - too young even to shave. Many did not grow old; others came back broken. A handful are still alive to tell their tales. This extraordinary book captures the bold and untold stories of forty Australian children who fought in the deadliest war in history. Follow these boys through Libya and Palestine, Greece and Crete to the jungles of Malaya, Papua New Guinea and Borneo, fighting for their lives, their country, their mates. Many of the photographs have never been seen. Haunting images of youths in training camps and behind the lines stand beside moving portraits of old men who have not forgotten. Sons of War is a deeply personal military history: an homage to youthful bravery, a eulogy for those who fell, a tribute to those still standing.

The Sands of Windee Arthur W. Upfield,2020-06-01 Why had Luke Marks driven specially out to Windee? Had he been murdered or had he, as the local police believed, wandered away from his car and been overwhelmed in a dust-storm? When Bony noticed something odd in the background of a police photograph, he begins to piece together the secrets of the sands of Windee. Here is the original background to the infamous Snowy Rowles murder trial. Napoleon Bonaparte my best detective. - Daily Mail

Follow the Rabbit-Proof Fence Doris Pilkington,2013-05-01 This extraordinary story of courage and faith is based on the actual experiences of three girls who fled from the repressive life of Moore River Native Settlement, following along the rabbit-proof fence back to their homelands. Assimilationist policy dictated that these girls be taken from their kin and their homes in order to be made white. Settlement life was unbearable with its chains and padlocks, barred windows, hard cold beds, and horrible food. Solitary confinement was doled out as regular punishment. The girls were not even allowed to speak their language. Of all the journeys made since white people set foot on Australian soil, the journey made by these girls born of Aboriginal mothers and white fathers speaks something to everyone.

Wake In Fright Kenneth Cook,2017-08-28 The controller stood back. 'Right,' he said. 'Spin 'em!' The man flipped the piece of wood and the coins spun up into the air above his head and dropped down on to the carpet. There was silence. Wake in Fright tells the tale of John Grant's journey into an alcoholic, sexual and spiritual nightmare. It is the original and the greatest outback horror story. Bundanyabba and its citizens will forever haunt its readers. Kenneth Cook was born in Sydney. Wake in Fright, which drew on his time as a journalist in Broken Hill, was first published in 1961 when Cook was thirty-two. It was published in England and America, translated into several languages, and a prescribed text in schools. Cook wrote twenty-one books in a variety of genres, and was well known in film circles as a scriptwriter and independent film-maker. He died in 1987 at the age of fifty-seven. 'Wake in Fright deserves its status as a modern classic. Cook's prose is masterful and the story is gripping from the first page to the last.' M.J. Hyland 'A classic novel which became a classic film. The Outback without the sentimental bulldust. Australia without the sugar coating.' Robert Drewe 'A true dark classic of Australian literature.' J.M. Coetzee 'Wake in Fright is a classic of the ugly side of Menzies' Australia, its brutality, its drunkenness, its anxiety to crush all sensibility. All of this is harrowingly re-recorded —the destruction of a young soul fresh to Australia—in Kenneth Cook's remarkable novel.' Thomas Keneally
