Memories of Tomorrow Natalie R. Vice,2020-06-16 Can friendship last a lifetime? Everyone says that hindsight is 20/20. If that's true, how much of that image in the rear view affects who we are today, or who we will become tomorrow? Jo Felsenthal and Gina Ingram were the closest of childhood friends back in Polk Ridge, Arkansas. Growing up in this beautiful, close-knit Ozark community, they were surrounded by love and laughter. But as these girls grew into women, choices were made, and life took them in very different directions. Now, they're just hours away from a reunion several decades in the making. An out-of-the-blue Facebook "friend" request has snowballed into a face-to-face meeting. Both women are dealing with mixed emotions—excitement, nostalgia, and more than a little apprehension. In *Memories of Tomorrow*, Jo and Gina weave their way through childhood memories and difficult life choices. They ponder how to cross over all their yesterdays to the girls they once were. Can they find anything in common after so many years spent living such different lives? If you like *The Sometimes Sister* and *Hurricane Season*, you'll love the *Women of the Ozarks Scrapbook Series*.
