Capital Moves Jefferson Cowie, 2001 Globalization is the lead story of the new century, but its roots reach back nearly one hundred years, to major corporations' quest for stable, inexpensive, and pliant sources of labor. Before the largest companies moved beyond national boundaries, they crossed state lines, abandoning the industrial centers of the Eastern Seaboard for impoverished rural communities in the Midwest and South. In their wake they left the decaying urban landscapes and unemployment rates that became hallmarks of late twentieth-century America. This is the story that Jefferson Cowie, in a stunningly important work of historical imagination and rediscovery (Nelson Lichtenstein), tells through the lens of a single American corporation, RCA. *Capital Moves* takes us through the interconnected histories of Camden, New Jersey; Bloomington, Indiana; Memphis, Tennessee; and Juárez, Mexico--four cities radically transformed by America's leading manufacturer of records and radio sets. In a sweeping narrative of economic upheaval and class conflict, Cowie weaves together the rich detail of local history with the national--and ultimately international--story of economic and social change.

**Crossing the Aisle** Keel Hunt,2018-11-06 The latter third of the twentieth century was a time of fundamental political transition across the South as increasing numbers of voters began to choose Republican candidates over Democrats. Yet in the 1980s and '90s, reform-focused policymaking—from better schools to improved highways and health care—flourished in Tennessee. This was the work of moderate leaders from both parties who had a capacity to work together across the aisle. The Tennessee story, as the Pulitzer Prize-winning author Jon Meacham observes in his foreword to this book, offers striking examples of bipartisan cooperation on many policy fronts—and a mode of governing that provides lessons for America in this frustrating era of partisan stalemate. juramos amarnos toda la  
vida pero aqui me encuentro  
solo en el mundo el dia que  
te fuiste me destruiste solo  
queda una carta diciendome  
adios no he podido  
arrancarte de mi alma  
aunque escrito este en la  
carta que ya no me amas  
tengo la esperanza que

regreses o que encuentre  
una carta pidiendo perdón  
no he podido arrancarte de  
mi alma
