**Yachts: The Impossible Collection** Miriam Cain,2021-08-01 Yachts: The Impossible Collection is an eclectic and carefully curated anthology of ships, from the 1851 ship for which the America's Cup was named, to J Class racing yachts of the early 1900s, to the current high-tech megayachts, from classics with timeless silhouettes, to head-turners that broke the mold with daring design and redefined their era. And with so much focus today on the environment and the health of the oceans, the yachting world is changing quickly, increasingly pursuing sustainability. Whether impossible in sheer size, speed, luxurious features or advanced green technology, all of the vessels in this fantasy marina have transformed the yachting seascape.

**DREAM CRUISES** Imagine Media LLC,2007-10-12 Tips for Booking Trips on All Budgets-from \$1,000 to \$1,000,000 Gavin compares cruise ships and yacht charters to showcase the biggest advantage of the latter: personalized comfort. -Soundings Charter cruising comes in many flavors, from fully crewed luxury megayachts to pilot-your-own bareboats, and Kim Gavin has sampled just about all of them. -Offshore Say good-bye to lengthy security lines, overpriced piña coladas, and jam-packed shore excursions. Never again will your cruise vacation include jostling with crowds, squishing into a kiddie-filled swimming pool, or rushing back from a land tour in time for a pre-assigned dinner seating on a massive, impersonal ship. Dream Cruises introduces you to the joys of private yacht charter vacations, a fast-growing and often surprisingly affordable alternative to cruise ships. With charters, you get the whole boat for your family and friends, with a crew catering only to you, and you go wherever you choose-from Alaska to the South Pacific. Based on first-hand experience as well as advice and information from sixty charter-industry experts worldwide, Dream Cruises explains which kinds of yachts are available, where to book them, how to find a trustworthy broker, what you can expect to pay, and much more. Why book another cabin when you can have the whole boat for yourself?

**The America's Cup Yachts** Richard V. Simpson,1999 The dominance of the New York Yacht Club, in possession of the America's Cup between 1851 and 1983, has given Newport, Rhode Island, the status of yachting capital of the world. Seven of the most respected America's Cup defenders were built in Bristol, Rhode Island. The state's contribution to racing yacht technology began in Bristol, when N.G. Herreshoff designed and built the Vigilant in 1893. The Goetz Custom Sailboat Company continues the Bristol tradition of building superior sailing vessels, many of which have been challengers for the coveted America's Cup, beginning with the America 3 in 1992. In his sixth volume for the Images of America series, author Richard V. Simpson explores the allure of the America's Cup yachts and racing through more than 200 images from his own diverse collection. The photographs focus on the beauty and dignity of the yachts, the genius of engineering minds, and the handiwork of skilled crafters. Within these pages, view a variety of rare images captured by turn-of-the-century biograph and stereoscopic cameras, and experience the majestic dance of the yachts as they jockey for position, from the starting gun to the crossing of the finish line.
