- 📖 **Internet Children’s Television Series, 1997-2015** Vincent Terrace,2016-08-08 Created around the world and available only on the web, internet television series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fifth in a series focusing on the largely undocumented world of internet TV, this book covers 573 children’s series created for viewers 3 to 14. The genre includes a broad range of cartoons, CGI, live-action comedies and puppetry. Alphabetical entries provide websites, dates, casts, credits, episode lists and storylines.

- 📖 **Mermaid** Carolyn Turgeon,2011-03-01 A surprising take on Hans Christian Anderson’s classic tale, Mermaid is the story of two women with everything to lose. Princess Margrethe has been hidden away while her kingdom is at war. One gloomy, windswept morning as she stands in a convent garden overlooking the icy sea, she witnesses a miracle: a glittering mermaid emerging from the waves, a nearly drowned man in her arms. By the time Margrethe reaches the shore, the mermaid has disappeared into the sea. As Margrethe nurses the handsome stranger back to health, she learns that not only is he a prince, he is also the son of her father’s greatest rival. Sure that the mermaid brought this man to her for a reason, Margrethe devises a plan to bring peace to her kingdom. Meanwhile, the mermaid princess Lenia longs to return to the human man she carried to safety. She is willing to trade her home, her voice, and even her health for legs and the chance to win his heart.... Beautifully written and compulsively readable, Mermaid will make you think twice about the fairytale you heard as a child, keeping you in suspense until the very last page.
- 📖 **The First Book of Old Mermaids Tales** Kim Antieau,2011-11-29 The old mermaids left the disappearing old sea and stepped onto the new desert where they exchanged their finware for skinware. With barely a backward glance, the mysterious and mystical old mermaids began building their sanctuary from earth, water, straw, and their own breath. These standalone tales, many excerpts from the novels Church of the Old Mermaids and An Old Mermaid Sanctuary, remind us of the beauty all around us, even on those days when we wonder how we’ll survive, let alone thrive. Sister Ruby Rosarita Mermaid brews a magical storytelling soup to bring peace. A mysterious stranger brings the old mermaids an elixir which is supposed to heal all. And then there’s the Tea Shell where the old mermaids serve the most marvelous teas, and Sister Sophia Mermaid dispenses bits of wisdom like, “Never try to stop a wave,” “A watched pot eventually boils,” and “This is not the end of the world, it just feels like it.” Despite having lost their home and community, the old mermaids support one another other, love their new world, and build community with all their new human and nonhuman neighbors. You can be assured when you stop by the Tea Shell for a cup of Essence of Coyote Laughter Tea that no coyotes were harmed in the making of your brew.
