A Complaint Free World Will Bowen, 2013-02-05 Full of practical ideas and inspiring stories from people who have already transformed their lives through the Complaint Free program, you'll learn not only how to stop complaining but also how to become more positive and live the life you've always dreamed about. More than ten million people in 106 countries have used the simple principles found in this book to eradicate the toxicity of complaining from their lives. And, as a result, they have experienced better health, happier relationships, greater career success and a significant increase in happiness. A Complaint Free World will explain what constitutes a complaint, why we complain, what benefits we think we receive from complaining, how complaining is destructive to our lives, and how we can get others around us to stop complaining. Find out how forming the simple habit of not complaining can transform your health, relationships, career and life. Consciously striving to reformat your mental hard drive is not easy, but you can start now by using the steps Bowen presents here. If you stay with it, you'll find that not only will you stop complaining, but others around you will cease to do so as well and in a short period of time, you'll have a more positive life. "A Complaint Free World is an engaging, enjoyable, easy-to-read reminder that the only permanent, constructive changes you can make in the world are the changes that you make in yourself." –Gary Zukav, author of *The Seat of the Soul* and *Soul to Soul*
