The Letters of Cole Porter Cole

Porter, 2019-11-25 The first comprehensive collection of the letters of one of the most successful American songwriters of the twentieth century From Anything Goes to Kiss Me, Kate, Cole Porter left a lasting legacy of iconic songs including You're the Top, Love For Sale, and Night and Day. Yet, alongside his professional success, Porter led an eclectic personal life which featured exuberant parties, scandalous affairs, and chronic health problems. This extensive collection of letters (most of which are published here for the first time) dates from the first decade of the twentieth century to the early 1960s and features correspondence with stars such as Irving Berlin, Ethel Merman, and Orson Welles, as well as his friends and lovers. Cliff Eisen and Dominic McHugh complement these letters with lively commentaries that draw together the loose

threads of Porter's life and highlight the distinctions between Porter's public and private existence. This book reveals surprising insights into his attitudes toward Hollywood and Broadway, and toward money, love, and dazzling success.

However, the realities of Filipino life are complex; the façade of the English language does not run deep. *Culture Smart! Philippines* gives you the inside story of this unique and attractive country and unpacks the daily lives of its inhabitants. An explanation of the values, attitudes, and customs of the Filipinos today opens the way to a more meaningful experience, while an abundance of practical information on socializing, working, shopping, and communicating will help to make it a more enjoyable experience, too. Have a richer and more meaningful experience abroad through a better understanding of the local culture. Chapters on history, values, attitudes, and traditions will help you to better understand your hosts, while tips on etiquette and communicating will help you to navigate unfamiliar situations and avoid faux pas.

Hitchcock à la Carte Jan Olsson, 2015-02-25
Alfred Hitchcock: cultural icon, master film director, storyteller, television host, foodie. And as Jan Olsson argues in *Hitchcock à la Carte*, he was also an expert marketer who built his

personal brand around his rotund figure and well-documented table indulgencies. Focusing on Hitchcock's television series Alfred Hitchcock Presents (1955-1962) and the The Alfred Hitchcock Hour (1962-1965), Olsson asserts that the success of Hitchcock's media empire depended on his deft manipulation of bodies and the food that sustained them. Hitchcock's strategies included frequently playing up his own girth, hiring body doubles, making numerous cameos, and using food—such as a frozen leg of lamb—to deliver scores of characters to their deaths. Constructing his brand enabled Hitchcock to maintain creative control, blend himself with his genre, and make himself the multi-million-dollar franchise's principal star. Olsson shows how Hitchcock's media brand management was a unique performance model that he used to mark his creative oeuvre as strictly his own.

Roll-Up Thomas J. Flaherty, 2022-04-05 The ultimate guide to the ongoing consolidation of the utilities industry □ *Roll-Up* delves into the rich history of utilities consolidation—from the original, highly fragmented U.S. industry structure, through the development of industry views on consolidation and participation, to the drivers and events occurring in the cycles of the modern era, from 1995–2020. Expert utilities consultant Tom Flaherty interviewed eleven current or former chief executive officers, investment bankers, attorneys, and ratings analysts who provided introspection and commentary on their experiences with consolidation in the modern era. These notable individuals made the tough decisions

about whether to pursue a transaction, evaluated the logic of potential combinations, crafted merger agreements, designed the process for successful outcomes, and guided the execution of mergers through the strategy, financing, regulatory, and integration processes. In Roll-Up, Flaherty has combined these interviews of experts in the utilities industry with detailed research and decades of experience to explore topics like • the changing motivations for combinations, • hands-on perspectives of successful transaction execution, • the current nature of business simplification and portfolio rationalization, • what could happen next for utility mergers and acquisitions. Roll-Up covers the past and present of utilities consolidation and looks over the horizon at how future transactions might evolve beyond those historically conducted.

Hollywood Cartoons Michael Barrier, 2003-11-06 In Hollywood Cartoons, Michael Barrier takes us on a glorious guided tour of American animation in the 1930s, '40s, and '50s, to meet the legendary artists and entrepreneurs who created Bugs Bunny, Betty Boop, Mickey Mouse, Wile E. Coyote, Donald Duck, Tom and Jerry, and many other cartoon favorites. Beginning with black-and-white silent cartoons, Barrier offers an insightful account, taking us inside early New York studios and such Hollywood giants as Disney, Warner Bros., and MGM. Barrier excels at illuminating the creative side of animation--revealing how stories are put together, how animators develop a character, how technical innovations enhance the realism of cartoons. Here too are colorful portraits of the

giants of the field, from Walt and Roy Disney and their animators, to Bill Hanna and Joe Barbera. Based on hundreds of interviews with veteran animators, Hollywood Cartoons gives us the definitive inside look at this colorful era and at the creative process behind these marvelous cartoons.

Newspaper Competition in the Millennium Janet A. Bridges,2006 Technology in the 21st century has redesigned most editorial jobs and extended the potential reach of any publication, no matter how small . In effect, not only the individual business models but also the overall industry competitive model has changed. No longer confined to serving a physically defined environment, individual newspapers can set their own goals, both for news distribution and for advertising reach, without concern for physical restrictions. And the continual sales of newspaper properties result in mergers, increased clustering and other types of group alliances. The newspaper industry is also affected competitively by employee

recruitment and retention, the non-daily market, other news-related media and non-news carriers of advertising. The industry-related technology has in effect exploded, reaching every news medium in some way. Within the framework of the exploding technological environment, the country's economy and changing demographics have created increased challenges for an industry so dependent on advertising revenue and reader reach. This volume explores the competitive issues as they relate to the industry at this time.

This Good Book Iain Hood, 2021-06-30 'Sometimes I wonder, if I had known that it was going to take me fourteen years to paint this painting of the Crucifixion with Douglas as Jesus, and what it would take for me to paint this painting, would I have been as happy as I was then?' Susan Alison MacLeod, a Glasgow School of Art graduate with a dark sense of humour, first lays eyes on Douglas MacDougal at a party in 1988, and resolves to put him on the cross in the Crucifixion painting she's been sketching out, but her desire to create 'good' art and a powerful, beautiful portrayal means that a final painting doesn't see the light of day for fourteen years. Over the same years, Douglas's ever-more elaborately designed urine-based installations bring him increasing fame, prizes and commissions, while his modelling for Susan Alison, who continues to work pain and suffering on to the canvas, takes place mostly in the shadows. This Good Book is a wickedly funny, brilliantly observed novel that spins the moral compass and plays with notions of creating art. 'A novel about Glasgow, about art, and about

obsession. This Good Book will have you gripped from the opening chapter to its disturbing conclusion. Iain Hood is an original new voice in Scottish fiction.' Colette Paul

Above the Fold John Honderich, 2022-11-01 A remarkable memoir and journalistic history of the Toronto Star, the newspaper that has shaped and continues to shape the issues most important to Canadians. Don't let them ruin the newspaper. . . These were the dying words of Beland Honderich to his son, John. The newspaper was the Toronto Star, founded in 1892 by Joseph E. (Holy Joe) Atkinson and, to this day, one of the world's leading and most respected socially liberal broadsheets. For the second half of its legendary—and sometimes controversial—history, both John and his father, as successive editors, publishers, and family owners, made it into the newspaper we know today. The Star has been, at different times, home base to the likes of Ernest Hemingway, Morley Callaghan, Pierre Berton, June Callwood, Peter C. Newman, Gary Lautens, Robert Fulford, Richard Gwyn, Christie Blatchford, Michele Landsberg, Chantal Hébert, Joey Slinger, and many more. It also brandishes a corporate history unlike any other. In an extraordinary exercise of arbitrary power, the Ontario government held veto power over all of the Star's operations until the paper eventually evolved to the five families of the Torstar Voting Trust, one of which were the Honderichs. And in that process, those families committed in court to observe and promote the intellectual and spiritual basis on which the Star has always operated. Completed just weeks before

the author's untimely death, *Above the Fold* gives us an on-the-ground account of how the *Star*, once known primarily for its tabloid sensationalism and screaming headlines, transformed into a bastion of journalistic quality that routinely wins the industry's highest honours and accolades.

Honderich writes about the paper he loved and the challenges it faced over the years, including crippling strikes, boardroom battles, soaring egos, the vicious newspaper wars with various competitors, and, most recently, the shift away from print. He also delves deeply into his relationship with his father, who could be remarkably cold and unfeeling toward his son and others, earning the nickname "The Beast." There was great love between the two men but it came at a cost both professionally and, of course, personally. Always worried about accusations of nepotism as he rose to the top job at the paper, John felt he needed to prove himself that much more, which he did—and then some. Honest, frank, generous, and highly informative, *Above the Fold* is a personal history of one of the most storied and successful newspapers of our time, told through the lives of the father and son who ran it for close to half-a-century.

Broken Badge Kenneth M. Haines, 2009

He John Connolly, 2018-05-01 John Connolly conjures the Golden Age of Hollywood in this moving, literary portrait of Laurel & Hardy--two men who found their true selves in a comedic partnership. **AMBITIOUS . . . EVOKES THE STYLE OF SAMUEL BECKETT. --NEW YORK TIMES BRILLIANT. --SEATTLE BOOK REVIEW EXTRAORDINARY. --LIBRARY**

JOURNAL (STARRED REVIEW) An unforgettable testament to the redemptive power of love, as experienced by one of the twentieth century's greatest performers. When Stan Laurel is paired with Oliver Hardy, affectionately known as Babe, the history of comedy--not to mention their personal and professional lives--is altered forever. Yet Laurel's simple screen persona masks a complex human being, one who endures rejection and intense loss; who struggles to build a character from the dying stages of vaudeville to the seedy and often volatile movie studios of Los Angeles in the early years of cinema; and who is haunted by the figure of another comic genius, the brilliant, driven, and cruel Charlie Chaplin. Eventually, Laurel becomes one of the greatest screen comedians the world has ever known: a man who enjoys both adoration and humiliation; who loves, and is loved in turn; who betrays, and is betrayed; who never seeks to cause pain to anyone else, yet leaves a trail of affairs and broken marriages in his wake. But Laurel's life is ultimately defined by one relationship of such astonishing tenderness and devotion that only death could sever this profound connection: his love for Babe.
