Letters to a Young Athlete Chris Bosh,2021-06-01 A legendary NBA player shares his remarkable story, infused with hard-earned wisdom about the journey to self-mastery from a life at the highest level of professional sports. Chris Bosh, NBA Hall of Famer, eleven-time All-Star, two-time NBA champion, Olympic gold medalist, and the league's Global Ambassador, had his playing days cut short at their prime by a freak medical condition. His extraordinary career ended "in a doctor's office in the middle of the afternoon." Forced to reckon with moving forward, he found himself looking back over the course he'd taken, to the pinnacle of the NBA and beyond. Reflecting on all he had learned from a long list of basketball legends, from LeBron and Kobe to Pat Riley and Coach K, he saw that his important lessons weren't about basketball so much as the inner game of success—right attitude, right commitment, right flow within a team. Now he shares that journey, giving us a view from the inside of what greatness feels like and what it takes. The Soul of Basketball Ian Thomsen,2018-04-17 "A fascinating, thorough look at pro basketball's continuing evolution to becoming the 'sport of the American Dream.'"—Publishers Weekly The Soul of Basketball tells the story of an NBA prodigy, his league, and their sport in the throes of crisis during the pivotal 2010-11 season. It began with The Decision, that infamous televised moment when uber-star LeBron James revealed that he was leaving the Cleveland Cavaliers—thereby distancing himself from his role model Michael Jordan—to pursue his first championship with his former opponents on the Miami Heat. To the great fortune of LeBron, the NBA, and basketball itself, the mission didn't work out as planned. In this book, veteran NBA writer Ian Thomsen portrays the NBA as a self-correcting society in which young LeBron is forced to absorb hard truths inflicted by his rivals Kobe Bryant, Doc Rivers, and Dirk Nowitzki, in addition to lessons set forth by Pat Riley, Gregg Popovich, Larry Bird, David Stern, Joey Crawford, and many more. Brimming with inside access, The Soul of Basketball tells the inspiring story of LeBron's loneliest year, insecure and uncertain, when his ultimate foe was an unlikely immigrant who renewed the American game's ideals. From Miami to Boston, Los Angeles to Dallas, Germany to the NBA's Manhattan headquarters, the biggest names in basketball are driven by something more valuable than money and fame—a quest that would pave the way for Stephen Curry, Kevin Durant, and future generations to thrive. "Ian Thomsen provides an antidote to the fast-food, twitter feed of instant information consumption...deft prose and snappy anecdotes...Great, great stuff."—Leigh Montville, New York Times—bestselling author of Sting Like a Bee "A fine work of sports journalism."—Kirkus Reviews (starred review)
