XC! High School Cross Country in Michigan Jeff Hollobaugh,2020-05-21 The definitive history of high school cross country in the state of Michigan, 1921-2019, brings to life the traditions and memories of the most challenging of high school sports. The legendary coaches and athletes and the races--in heat, snow, rain and mud--come to life in this compilation, which focuses on the state finals, as well as the Detroit City Championships from 1931-1960 (when Detroiters did not participate in MHSAA events). Also included: a history of Michigan the Mideast Meet of Champions, the Foot Locker Nationals and the NXN, as well as a review of Michigan high schoolers who have qualified for Team USA in cross country. Hundreds of pictures. And stats galore, including a complete record of teams that have raced at the Lower Peninsula Finals. In addition, this history introduces the new Legacy Ratings for the state of Michigan.

The Fleet Feet of Spring Jeff Hollobaugh,Jim Moyes,2019-12-05 SECOND EDITION: Includes

2019 State Finals! Decades in the making, this is the authoritative history of Michigan's high school state finals in outdoor track & field, a meet that traces its origins to 1895. The action, the records, the stories, the fascinating athletes and coaches--it's all here. Also included is a complete listing of every state champion individual ever, even the individuals on winning relays. **REVIEWS OF THE FIRST EDITION** (all 5 stars): Even though I don't live in Michigan, I love this book. It is very obvious that a lot of hard work and research went into the production of this book. This book begins with high school track and field in Michigan in 1895 (Grover Cleveland was president) and details the Michigan state meet all the way to last year (2018). I have followed track and field for 57 years and have never seen such a detailed and thorough book on high school track and field. If you live in Michigan or even if you live in Alaska or Florida, you will enjoy the information, photographs, and results in the 439 pages of this wonderful book. I expected this book to be a list of all of the great performances in Michigan track & field history. It is SO MUCH MORE! Great stories, pictures and summaries of amazing races. My entire family had enjoyed reading through it. I can not recommend it strongly enough! With Jim Moyes being my dad, I'm probably a little biased but he knows A LOT about track and field (he calls it useless knowledge) and is a fantastic writer (majored in journalism and Latin at Central Michigan University). I remember him, for example, going to Rome and Russia for meets and served as a starter for years at our local High School. He was working on this for decades. Thorough and thoroughly engaging! A well-researched mix of statistical history and personal profiles of the coaches and athletes who created it. I highly recommend it! Good.

Flipping Football Ryan P. Portenga, 2015-08-26 For over fifty years, Mona Shores High School's football program struggled to succeed on the gridiron. When alumnus Matt Koziak took over the program during the summer of 2011, the Sailors were one of the few schools left in Michigan that had yet to qualify for the state playoffs. Considering the school's location along the southern edge of Muskegon County - a locale thought by many to be the heart of high school football within the Great Lakes State - such a status was more than embarrassing. If fortunes were to be flipped, Koziak first needed to curb the pessimism - attitude, attrition, and apathy alike - that had long plagued the program. However, doing so meant changing the structure of the organization and making unpopular decisions - calls that included starting a thirteen year old freshman as quarterback and canceling one

of the oldest gridiron rivalries known throughout the state. After all, as the coach often explained, high school football games are not won or lost on Friday nights. To the smallest detail, *Flipping Football: A True Story of Resilience and Transformation* takes readers through the twists and turns of Shores' amazing four-year gridiron transformation - noting the lessons learned, the losses endured, and the locker room conversations that took place. From one regular season win to only one regular season loss - and one hell of an epic state tournament run... no stone is left unturned. Written from the vantage point of Mona Shores High School Athletic Director Ryan Portenga, the story not only sheds light on the administrative drama hovering around the flip, but it includes first-hand commentary from nearly one hundred individuals close to the story (current and former players, coaches, community members, members of the media, etc.) - including former National Football League player Mark Konecny, legendary Farmington Hills Harrison Head Football Coach John Herrington, and Michigan High School Athletic Association Historian Ron Pesch.

Michigan Jim Cnockaert, 2004 The numbers appear to be incongruous. The University of Michigan has won more football games than any other Division I-A school, yet the program has only produced three Heisman Trophy winners and precious few winners of other individual awards. The numbers are understandable, however. The focus of Michigan football has always been on the team rather than the individual. The Team, The Team, The Team has for decades been one of the program's best known mantras. No one player, not even someone worthy of the Heisman, is considered greater than anyone else. Team goals come first. Still, the storied history of the Michigan football program is composed mostly of the exploits of its players. While that history might start with the likes of Tom Harmon, Desmond Howard, and Charles Woodson, it does not end there. For every Heisman Trophy winner, there are hundreds of other players who helped to make the Michigan winged helmet the most recognized symbol in college football. *Michigan: Where Have You Gone?* offers a look at 50 of those other players. Some had a singular moment that would forever define their careers. Others played an exceptional game, in many cases against the Wolverines' biggest rivals. Still others are remembered for a marvelous season. All of them helped Michigan become, as the words to the school's fight song suggest The leaders and best and the champions of the west.
