Tim Gunn's Fashion Bible Tim Gunn,Ada Calhoun,2012-09-11 In the beginning there was the fig leaf... and the toga. Crinolines and ruffs. Chain mailand corsets. What do these antiquated items have to do with the oh-so-twenty-first-century skinny jeans, graphic tee, and sexy pumps you slipped into this morning? Everything! Fashion begets fashion, and life—from economics to politics, weather to warfare, practicality to the utterly impractical—is reflected in the styles of any given era, evolving into the threads you buy and wear today. With the candidness, intelligence, and charm that made him a household name on Project Runway, Tim Gunn reveals the fascinating story behind each article of clothing dating back to ancient times, in a book that reads like a walking tour from museum to closet with Tim at your side. From Cleopatra's crown to Helen of Troy's sandals, from Queen Victoria's corset to Madonna's cone bra, Dynasty's power suits to Hillary Clinton's pantsuits, Tim Gunn's Fashion Bible takes you on a runway-ready journey through the highs and lows of fashion history. Drawing from his exhaustive knowledge and intensive research to offer cutting-edge insights into modern style, Tim explains how the 1960s ruined American underwear, how Beau Brummell created the look men have worn for more than a century, why cargo capri pants are a plague on our nation, and much more. He will make you see your wardrobe in a whole new way. Prepare to be inspired as you change your thinking about the past, present, and future of fashion!

Gossip Girl #10: Would I Lie to You Cecily von Ziegesar,2008-08-01 Welcome to New York City's Upper East Side where my friends and I live, and go to school, and play, and sleep - sometimes with each other.We all live in huge apartments with our own bedrooms and bathrooms and phone lines.We're smart, we've inherited classic good looks, we have fantastic clothes, and we know how to party... Continuing the #1 New York Times bestselling series about the provocative lives of New York City's most prestigious private school young adults. Sharp wit, intriguing characters, and high stakes melodrama drive the action of this addictive series that have made Gossip Girl the lit world's coveted it girl.

Globalization, Gender Politics, and the Media Carolina Matos, Lecturer in Sociology, City, University of London,2016-11-16 Combining feminist media studies, sociology, and development studies, this book argues for feminist theory and media studies to become more inclusive, strengthening international feminisms and transnational networks of solidarity and support.

Ethnic Dress in the United States Annette Lynch,Mitchell D. Strauss,2014-10-30 A concise and systematic exploration of 150 distinct items of ethnic dress, their history, and their cultural significance within the United States.

The 1970s Kelly Boyer Sagert,2007-01-30 Few conventions were left unchallenged in the 1970s as Americans witnessed a decade of sweeping social, cultural, economic, and political upheavals. The fresh anguish of the Vietnam War, the disillusionment of Watergate, the recession, and the oil embargo all contributed to an era of social movements, political mistrust, and not surprisingly, rich cultural diversity. It was the Me Decade, a reaction against 60s radicalism reflected in fashion, film, the arts, and music. Songs of the Ramones, the Sex Pistols, and Patti Smith brought the aggressive punk-rock music into the mainstream, introducing teenagers to rebellious punk fashions. It was also the decade of disco: Who can forget the image of John Travolta as Tony Manero in Saturday Night Fever decked out in a three-piece white leisure suit with his shirt collar open, his hand points towards the heavens as the lighted disco floor glares defiantly below him? While the turbulent decade ushered in Ms. magazine, Mood rings, Studio 54, Stephen King horror novels, and granola, it was also the decade in which over 25 million video game systems made their way into our homes, allowing Asteroids and Pac-Man games to be played out on televisions in living rooms throughout the country. Whether it was the boom of environmentalism or the bust of the Nixon administration and public life as we knew it, the era represented a profound shift in American society and culture.

Crystals Dennis Smith,2001-07 A hero is a common man who happens to be in the right place at the right time; and who finds the moral power to do something that is extraordinary. Justin is such a man. His strength and determination gives him the power to rise above the pool of human mediocrity; and bring the whole race with him.

American Pop [4 volumes] Bob Batchelor,2008-12-30 Pop culture is the heart and soul of America, a unifying bridge across time bringing together

generations of diverse backgrounds. Whether looking at the bright lights of the Jazz Age in the 1920s, the sexual and the rock-n-roll revolution of the 1960s, or the thriving social networking websites of today, each period in America's cultural history develops its own unique take on the qualities define our lives. American Pop: Popular Culture Decade by Decade is the most comprehensive reference on American popular culture by decade ever assembled, beginning with the 1900s up through today. The four-volume set examines the fascinating trends across decades and eras by shedding light on the experiences of Americans young and old, rich and poor, along with the influences of arts, entertainment, sports, and other cultural forces. Whether a pop culture aficionado or a student new to the topic, American Pop provides readers with an engaging look at American culture broken down into discrete segments, as well as analysis that gives insight into societal movements, trends, fads, and events that propelled the era and the nation. In-depth chapters trace the evolution of pop culture in 11 key categories: Key Events in American Life, Advertising, Architecture, Books, Newspapers, Magazines, and Comics, Entertainment, Fashion, Food, Music, Sports and Leisure Activities, Travel, and Visual Arts. Coverage includes: How Others See Us, Controversies and scandals, Social and cultural movements, Trends and fads, Key icons, and Classroom resources. Designed to meet the high demand for resources that help students study American history and culture by the decade, this one-stop reference provides readers with a broad and interdisciplinary overview of the numerous aspects of popular culture in our country. Thoughtful examination of our rich and often tumultuous popular history, illustrated with hundreds of historical and contemporary photos, makes this the ideal source to turn to for ready reference or research.

World War II and the Postwar Years in America [2 volumes] William H. Young, Nancy K. Young, 2010-09-17 More than 150 articles provide a revealing look at one of the most tempestuous decades in recent American history, describing the everyday activities of Americans as they dealt first with war, and then a difficult transition to peace and prosperity. The two-volume World War II and the Postwar Years in America: A Historical and Cultural Encyclopedia contains over 175 articles describing everyday life on the American home front during World War II and the immediate postwar years. Unlike publications about this period that focus mainly on the big picture of the war and subsequent economic conditions, this encyclopedia drills down to the popular culture of the 1940s, bringing the details of the lives of ordinary men, women, and children alive. The work covers a broad range of everyday activities throughout the 1940s, including movies, radio programming, music, the birth of commercial television, advertising, art, bestsellers, and other equally intriguing topics. The decade was divided almost evenly between war (1940-1945) and peace (1946-1950), and the articles point up the continuities and differences between these two periods. Filled with evocative photographs, this unique encyclopedia will serve as an excellent resource for those seeking an overview of life in the United States during a decade that helped shape the modern world.

Up Close & Personal Jeff Lucas, 2011-07-01 The insightful, sometimes painful and often hilarious antics and musings of Helen Sloane, as she struggles to find love, battles with grief and juggles life as a social worker and member of New Wave Christian Fellowship at Frenton-on-Sea. 'The odds are against me writing anything that might win a Nobel Prize for Literature. Perhaps tomorrow.' Enter Helen Sloane and her diary; this is the hilarious second novel from the very popular Jeff Lucas. Battling with relationships, men and her career, Helen is coming to terms with the death of her father, whilst trying to live out her Christian life and help find a new pastor for their church. Corruption, chaos, passion, laughter, tears and thought-provoking lines are the ingredients of this page-turning read.

Explorer's Guide Hamptons: A Great Destination: Includes North Fork & Shelter Island (Sixth Edition) Suzi Forbes Chase, 2010-06-14 Visit New York's Hamptons, where miles of spectacular white sand beaches and sea grass-covered dunes dazzle visitors; where picturesque windmills provide evidence of an agrarian past; and many Native American and Dutch place names still survive, offering clues to the ethnic makeup of the area's population. Once home to occupying British troops, bootleggers, and whaling captains; longtime home of fishermen, artists, and duck farmers, the Hamptons are also known as the playground of the wealthy, with fabulous shopping, dining, and amenities, but don't be fooled: there's something for everyone in this lovely locale that's so close to New York City but a world away--Cover.

The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus, The Dictionary of Slang and Unconventional English, this two-volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945, and through the first decade of the new millennium, with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting and, at times, hilariously shocking, key features include: unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean emphasis on post-World War II slang and

unconventional English published sources given for each entry, often including an early or significant example of the term's use in print. hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge, commentary on the term's origins and meaning New to this edition: A new preface noting slang trends of the last five years Over 1,000 new entries from the US, UK and Australia New terms from the language of social networking Many entries now revised to include new dating, new citations from written sources and new glosses The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning – it's rude, it's delightful, and it's a prize for anyone with a love of language.

A Voyage Toward Vengeance Jule Miller,2010 Bill Stroud thought his life was over. His wife and son were dead, his daughter and his son-in-law had disappeared at sea while on passage toward the Caribbean, and he had lost interest in everything, including his only hobby: offshore sailing. But then a friend sends him a picture postcard of a marina in St. Thomas, and he is almost sure that one of the boats in the background is his daughter's. When he discovers that all her traveler's checks were cashed a week after she sailed on that final, ill-fated cruise, he knows there is one more voyage he must make.

Tyra Banks Carole Jacobs,2010-02-26 This book chronicles the fascinating life story of the supermodel turned media mogul who has become one of the most influential African American women in our popular culture. Tyra Banks: A Biography tells the story of one of today's most visible, successful, and inspiring young African American women. It is a revealing look at Banks's meteoric rise from geeky adolescent to supermodel, actress, and TV mogul—all in just seven years after initially being turned down by a number of agencies. In following the life of Tyra Banks, this authoritative biography finds the sources of her determination not just to succeed but to aggressively promote positive female role models and debunk biases and stereotypes too-often applied to women. Among the highlights are Banks's years as youth correspondent for Oprah Winfrey and her extensive philanthropic work, establishing scholarships, charities, and camps, while providing self-help advice for young women.

The Book of the Nerd Bjorn Peeters,2024-03-24 Cheer up, have fun, and relax with these 10 exciting men's comedy stories We all know reading helps us to relax and feel good; but how much stronger is the effect when you're reading a FUNNY book? One that's working hard to evoke bursts of laughter that bother your neighbors and scare the cat? And what if it gets even better? What if that funny book is about the most exciting subject? That's right! Man's Funny Book is all about sex, dates, flings, hookups, crushes, relationships, and marriage. Or rather, the infinite things that go spectacularly wrong with them. From a guy in a wheelchair who nearly dies trying to pick up bikini babes at the pool, to an apocalypse innkeeper ashamed to share his secret with a heavily-armed pretty girl, and a shopkeeper who hooks up with a blonde bombshell who loves setting things on fire—even her lovers! This bundle contains 10 complete stories, each about 30-60 minutes of reading fun. And they aren't just working hard to make you laugh. They're so easy to get (back) into, even tired people or with little time can enjoy them. These are all the fun, joke-filled stories you'll get if you buy this bundle: 01| The Nerd & the Ten Beautiful College Girls 02| The Wheelchair Jackass & the Bikini Babes 03| The Innkeeper & the Assault Rifle Housewife 04| The Beast & the Beautiful Enchantress 05| The Ten Second Guy & the Five Nurses 06| The Bouncy Boobs Guy & the Uptight Violinist 07| The Arguing Husband & the Feisty Wife 08| The Artist & the Two Beautiful Assistants 09| Pyro Penny & the Burning Shopkeeper 10| The Nerdy Girl & the Sandwich Guy And while this series is called Man's Funny Book, that doesn't mean it's only for men! Plenty of women thoroughly enjoy this type of testosterone-infused wacky comedy. Why? Because they laugh hardest of all, when they see the epic trouble these guys get themselves into by letting the little guy in their pants call the shots. Whether you sympathize and root for these guys or just make fun of them, there's a whole lot of laughter in it for you. Don't miss out on giving the next ten days of your life a big boost of happy feelings. If you can keep from finishing the book in one go, that is. Now go have fun!
