*Embrace the Grim Reaper (Volume 1 of 2) (EasyRead Super Large 18pt Edition) ,*

*Embrace the Grim Reaper* Judy Clemens,2009-10-06 Casey Maldonado's life is over - at least as she knows it. In one brief moment of fire and wrenching metal, everything important was gone. The car manufacturer was generous with its settlement, but it can never be enough. Her family and friends - not to mention her lawyers - want her to go for more. More money, More publicity, More everything. But Casey is done. No financial gain or courtroom retribution will bring back what really matters. So she packs up, puts her house on the market, and leaves town. Her only companion: Death, who won't take her, but won't leave her alone. She stops on a whim in tragedy-stricken Clymer, a small blue-collar town in the midst of Ohio farmland. Not only is HomeMaker, the town's appliance factory and main employer, moving to Mexico, but the town has been rocked by the suicide of a beloved single mother. Casey is drawn to the town, and soon realizes that many of the citizens don't believe the verdict of suicide at all. Death encourages her to investigate, and she uncovers information that points to the factory. Was the victim's death a cover-up? Did she truly have the means - as she claimed - to keep the factory from leaving town. When Casey begins to receive messages that she should leave well enough alone, she decides she'd be better off back on the road, but the murderer can't let her go with everything she knows....

**Grim Reaper** O'Neill Denoux,O Denoux,1988-04 New Orleans is paralyzed by a series of gruesome, sadistic murders, and the burden falls on Detective Dino LaStanza to stem the hideous tide of death. To the media, the killer is The Slasher, but only the madman knows his own true identity--Jack Of The Night--Jack The Ripper.

The Grim Reaper's Diary Reginald Holmes,2020-11-11 Instead of watching a soap opera for the streets, here's one that you can read and it's called "The Grim Reaper's Diary". So let's take a walk inside the mind of the author, where the ghettos is Satan's playground. Young Swag is a bag chaser and keeps a clip in his pistol that's long as a ladder, even while on parole, with hopes of dying old and rich, but money doesn't come easy, especially for those who try to get wealthy without having to die trying. Swaggah has a little sister named Kayla, and everyday that passes is harder than the next, and not just because everybody who Kay' knows that's dead, had all died doing what they loved to do, unless someone did something stupid to get their loved one killed. Now Kayla don't just believe in karma, she believes in warning signs, because everyone is given one before the self-district, so pay attention to the signs before the last chapter of your life comes to an end.

*The Grim Reaper Story* Bobbie Duane McCoy,2013-05

Death of a Grim Reaper Bali Fields,2014-02-01 In *Death of a Grim Reaper*, Cornelius Hoyt struggles to harvest souls up and down the east coast of 21st century America, and learns the true meaning of death...and life. Once a twenty year-old farmer from colonial New England, Cornelius comes to doubt whether the deaths he inflicts actually play a vital role in the universe. He joins a renegade group, and seeks refuge in the remote Russian wilderness. Meanwhile, a diabolical reaper plots to rule Death and provokes an international crisis to devastate humanity. As events escalate, Cornelius risks capture to help save the very mortals he was trained to reap, and undergoes a life affirming transformation. A brilliantly imaginative view of mortality, *Death of a Grim Reaper* explores the relationship between the dead and the living.

**Death Inc.** Brent Abell,2020-05-18 The Grim Reaper comes for us all eventually. When he comes, how do we know it is the real deal? After eons of acting as Death, Grim has turned his job into the Afterlife's best profession. He also ushered in an era of commercialization in the realms of the dead. Grim is now the CEO of Death Incorporated, or Death Inc. for short. Milo Anderson is Death Inc's newest recruit, but when he botches his first Reaping, it sets off a chain of events throughout the Veil of Souls that will leave the Afterlife reeling and the fate of the Universe on the edge of oblivion. Can Milo complete his task and bring balance back to the Veil? Or will the Morningstar finally have his revenge and his place atop the throne? Enter the new world by Brent Abell, author of the Southern Devils series and White Creek cycle. Come pull back the Veil and see a side of the Afterlife we were never taught in Sunday School.

*Dark Ecology* Timothy Morton,2016-04-12 Timothy Morton argues that ecological awareness in the present Anthropocene era takes the form of a strange loop or Möbius strip, twisted to have only one side. Deckard travels this oedipal path in *Blade Runner* (1982) when he learns that he might be the enemy he has been ordered to pursue. Ecological awareness takes this shape because ecological phenomena have a loop form that is also fundamental to the structure of how things are. The logistics of agricultural society resulted in global warming and hardwired dangerous ideas about life-forms into the human mind. Dark ecology puts us in an uncanny position of radical self-knowledge, illuminating our place in the biosphere and our belonging to a species in a sense that is far less obvious than we like to think. Morton explores the logical foundations of the ecological crisis, which is suffused with the melancholy and negativity of coexistence yet evolving, as we explore its loop form, into something playful, anarchic, and comedic. His work is a skilled fusion of humanities and scientific scholarship, incorporating the theories and findings of philosophy, anthropology, literature, ecology, biology, and physics. Morton hopes to reestablish our ties to nonhuman beings and to help us rediscover the playfulness and joy that can brighten the dark, strange loop we traverse.

*Pandæmonium 1660-1886* Humphrey Jennings,2012-10-04 Collecting texts taken from letters, diaries, literature, scientific journals and reports, *Pandæmonium* gathers a beguiling narrative as it traces the development of the machine age in Britain. Covering the years between 1660 and 1886, it offers a rich tapestry of human experience, from eyewitness reports of the Luddite Riots and the Peterloo Massacre to more intimate accounts of child labour, Utopian communities, the desecration of the natural world, ground-breaking scientific experiments, and the coming of the railways. Humphrey Jennings, co-founder of the Mass Observation movement of the 1930s and acclaimed documentary film-maker, assembled an enthralling narrative of this key period in Britain's national consciousness. The result is a highly original artistic achievement in its own right. Thanks to the efforts of his daughter, Marie-Louise Jennings, *Pandæmonium* was originally published in 1985, and in 2012 it was the inspiration behind Danny Boyle's electrifying Opening Ceremony for the London Olympic Games. Frank Cottrell Boyce, who wrote the scenario for the ceremony, contributes a revealing new foreword for this edition.

Toll the Hounds Steven Erikson,2008-09-16 A thrilling, harrowing novel of war, intrigue and dark, uncontrollable magic, *Toll the Hounds* is the new chapter in Erikson's monumental series - epic fantasy at its most imaginative and storytelling at its most exciting. In Darujhistan, the city of blue fire, it is said that love and death shall arrive dancing. It is summer and the heat is oppressive, but for the small round man in the faded red waistcoat, discomfiture is not just because of the sun. All is not well. Dire portents plague his nights and haunt the city streets like fiends of shadow. Assassins skulk in alleyways, but the quarry has turned and the hunters become the hunted. Hidden hands pluck the strings of tyranny like a fell chorus. While the bards sing their tragic tales, somewhere in the distance can be heard the baying of Hounds...And in the distant city of Black Coral, where rules Anomander Rake, Son of Darkness, ancient crimes awaken, intent on revenge. It seems Love and Death are indeed about to arrive...hand in hand, dancing. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Gardens of the Moon** Steven Erikson,2004-06-01 Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan Empire in this first book in a major epic fantasy series from Steven Erikson. The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread Claw assassins. For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead. But Darujhistan, last of the Free Cities of Genabackis, yet holds out. It is to this ancient citadel that Laseen turns her predatory gaze. However, it would appear that the Empire is not alone in this great game. Sinister, shadowbound forces are gathering as the gods themselves prepare to play their hand... Conceived and written on a panoramic scale, *Gardens of the*

Moon is epic fantasy of the highest order--an enthralling adventure by an outstanding new voice. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Pathfinder Adventure Path Richard Pett,2015-11-03 With a hideout in the city of Kintargo established, the heroes of the growing rebellion are poised to take back the city. But before their group, the Silver Ravens, can strike against the diabolic House Thrune, a few final preparatory steps must be completed. Forging alliances with nearby tribes of aquatic elves and the free-city of Vyre and closing the mountain pass known as Menador Gap will cut off Cheliox's easy sea and land routes, forcing Inquisitor Barzillai Thrune to rely on his resources at hand to defend his control of Kintargo. Yet nothing is as simple as it could be, and the dangers awaiting the heroes of the revolution in the nearby seas, mountains, and the sin-wracked city of Vyre are not always those you can defeat with a spell or sword. And, of course, Barzillai Thrune won't take these new developments lying down - what retributive reaction might one of Cheliox's most dangerous inquisitors have in plan for the Silver Ravens? A Pathfinder Roleplaying Game adventure for 7th-level characters, Dance of the Damned continues the Hell's Rebels Adventure Path, an urban- and political-themed campaign that focuses on a rebellion against one of the Pathfinder Campaign Setting's most infamous nation - the devil-haunted Cheliox.

**Twelve Years a Slave** Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Against this backdrop, a band of fugitives seek a way out of the empire, but one of them, Fear Sengar, must find the soul of Scabandari Bloodeye. **Dust of Dreams** Steven Erikson,2010-01-19 In war everyone loses. This brutal truth can be seen in the eyes of every soldier in every world... In Letherii, the exiled Malazan army commanded by Adjunct Tavore begins its march into the eastern Wastelands, to fight for an unknown cause against an enemy it has never seen. And in these same Wastelands, others gather to confront their destinies. The warlike Barghast, thwarted in their vengeance against the Tiste Edur, seek new enemies beyond the border and Onos Toolan, once immortal T'lan Imass now mortal commander of the White Face clan, faces insurrection. To the south, the Perish Grey Helms parlay passage through the treacherous kingdom of Bolkando. Their intention is to rendezvous with the Bonehunters but their vow of allegiance to the Malazans will be sorely tested. And ancient enclaves of an Elder Race are in search of salvation—not among their own kind, but among humans—as an old enemy draws ever closer to the last surviving bastion of the K'Chain Che'Malle. So this last great army of the Malazan Empire is resolved to make one final defiant, heroic stand in the name of redemption. But can deeds be heroic when there is no one to witness them? And can that which is not witnessed forever change the world? Destinies are rarely simple, truths never clear but one certainty is that time is on no one's side. For the Deck of Dragons has been read, unleashing a dread power that none can comprehend... In a faraway land and beneath indifferent skies, the final chapter of ‘The Malazan Book of the Fallen' has begun... **Fantastic Creatures in Mythology and Folklore** Juliette Wood,2018-08-23 Drawing on historical sources, myth and folklore, Fantastic Creatures in Mythology and Folklore explores the roles of fantastical beasts - particularly the unicorn, the mermaid, and the dragon - in a series of thematic chapters organised according to their legendary dwelling place, be this land, sea, or air. Through this original approach, Juliette Wood provides the first study of mythical beasts in history from the medieval period to the present day, providing new insights into the ways these creatures continue to define our constantly changing relationship to both real and imagined worlds. It places particular emphasis on the role of the internet, computer games, and the cyberspace community, and in doing so, demonstrates that the core medieval myth surrounding these creatures remains static within the ever-increasing arena of mass marketing and the internet. This is a vital resource for undergraduates studying fantastic creatures in history, literature and media studies.
