Reaper's Fall Joanna Wylde,2015-11-10 The New York Times bestselling author of *Reaper's Stand* is back in her “uber-alpha rough world of MCs”** as one woman’s future is rocked by the man whose hardcore past could destroy her... He never meant to hurt her. Levi “Painter” Brooks was nothing before he joined the Reapers motorcycle club. The day he patched in, they became his brothers and his life. All they asked in return was a strong arm and unconditional loyalty—a loyalty that’s tested when he’s caught and sentenced to prison for a crime committed on their behalf. Melanie Tucker may have had a rough start, but along the way she’s learned to fight for her future. She’s escaped from hell and started a new life, yet every night she dreams of a biker whose touch she can’t forget. It all started out so innocently—just a series of letters to a lonely man in prison. Friendly. Harmless. Safe. Now Painter Brooks is coming home... and Melanie’s about to learn that there’s no room for innocence in the Reapers MC.

The Clock, the Cloak and the Needles: The Stories of the Enchanted Items from Beneath the Morvan Moon Courtney Mroch,2017-05-09 Gretchen Lauterbach travels to Brevard, where she meets Zachary, an American ex-pat living in France who deals in antiques...decidedly unusual antiques. This collection of three short stories features the backstories of the cursed items from *Beneath the Morvan Moon*. In *Le Meneur Des Loups*, Zachary possesses a cloak rumored to have the power to transform a man into a wolf that Pascal, a Brevardian, wants for his collection of lycanthropic memorabilia. Europeans have a history of suffering due to wolves. Thus it was wolves and werewolves, or loup garous, came to be among the most feared beasts in French folklore, as did *Le Meneur de Loops*, the Wizard of the Wolves, responsible for commanding the wolves on their missions of terror. But were the legends merely that? The Clockmaker tells the tale of a clock Zachary discovers in Pascal's shop that chimes only when Death is near. Finally, *Casting On, Binding Off* features a pair of knitting needles that almost kill Zachary.

The Last Lecture Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled *The Last Lecture*. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—*Really Achieving Your Childhood Dreams*—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Reaper's Hollow The Complete Series Box Set ID Johnson, This box set includes all three books in the *Reaper's Hollow* series! *Ruin's Lot*—Book 1 Someone is killing unmarked souls, and Ru Roberts is the only one that can stop them. That's a bit of a problem, though, since she has no idea she's a Keeper. Adopted as a small child, Ru knows next to nothing about her birth parents. Her new mom insists she was given up because she ruins everything. Hence, her name-Ruin. Yet, Ru has managed to make a life for herself in the small town of *Reaper's Hollow*, working as a fourth grade teacher, which she loves. If it wasn't for her inability to touch anything electrical without starting a fire, she'd be the happiest girl in Upstate New York. That is, until the charming and devastatingly handsome Cutter Michaels moves into the classroom across the hallway and starts filling her head with all sorts of unbelievable fantasies. He claims she is the lost Keeper, the daughter of a half-angel and a half-demon, and she is the only one who can help him locate three portals the Reapers, as in *Grim Reaper*, are using to ferry souls away to the Underworld. Ru knows he's lost his mind, and yet she finds herself being sucked into his delusions more and more each day. The fact that he can shoot blue fire out of his hands might have something to do with that. Once she begins having strange dreams where she comes face to face with Thanatos, the most powerful Reaper of all, Ru begins to think there might be more to Cutter's story than she's been giving him credit for. Will joining Cutter lead her to find her biological parents and discover the

powers coursing through her veins, or will Thanatos claim her for his own? **Ruin's Promise—Book 2** To prove herself to the other Keepers, Ru must close three portals to Hell.... Ruin Roberts is just coming to grips with the idea that she is actually a Keeper, a half-angel charged with keeping Grim Reapers from claiming unmarked souls, when she is tasked with closing the remaining portals to Hell. She's made a promise to her friend Cutter that she'll complete her mission, no matter the cost. Luckily, she has a team of experienced Keepers to help her. If she can find her missing mother, who may hold the map to the portals, in time, Ru may be able to complete her task before Thanatos hunts her down. Will Ru find her mom and the portals before Thanatos finds her, or will Ru lose everything to the half-demons stalking the citizens of Reaper's Hollow? **Ruin's Legacy—Book 3** The time has come, and Ru must fulfill her destiny. Now that Ru Roberts has come to accept that she's a Keeper, a half-angel charged with sending Grim Reapers back to Hell, she's been charged with a difficult task: close the remaining three portals to Hell, trapping the Reapers on Earth where they can be destroyed. But first, she has to find the portals. And then—she'll have to actually close them, a task that takes incredible power, and she has no idea if she's up to the challenge. Not only is Ru uncertain how to locate the portals, she also knows she must defeat Thanatos, the most powerful Reaper of all. When he tells her he also has a mission—and that involves killing her—Ru's task becomes even more complicated. She knows the son of Azrael, the demon who commands all the Reapers, will stop at nothing when it comes to hunting her down and putting an end to Ru's undertaking—and her life. Will Ru locate the portals and close them before Thanatos finds her?
