G Orfield

Beyond the Pearled Horizons Bernard Howell, 2013-06-14 When respectable, middle-aged English bachelor, Neil Morton, visits the Philippines, he falls in love with a much younger Filipina, Carla, who returns his love. Neil takes early retirement and moves to the Philippines to spend the rest of his life with her. The happiness and fulfilment he finds in his new life in an idyllic setting, contrasts sharply with the emptiness of his previous bachelor existence. Neil begins to rediscover the neglected human side of his character, surprising himself with the results. The idyll, however, is fairly short-lived. Fate steps in and deals the couple a tragic blow, which tests both Neils and Carlas inner resources to the utmost. Has Neil really been changed by his love for Carla? Will he crawl back into his protective shell, as a result of the tragedy? Or will he stand up and be counted in the battle for the survival of his family?

The Third Industrial Revolution Jeremy Rifkin, 2011-10-04 The Industrial Revolution, powered by oil and other fossil fuels, is spiraling into a dangerous endgame. The price of gas and food are climbing, unemployment remains high, the housing market has tanked, consumer and government debt is soaring, and the recovery is slowing. Facing the prospect of a second collapse of the global economy, humanity is desperate for a sustainable economic game plan to take us into the future. Here, Jeremy Rifkin explores how Internet technology and renewable energy are merging to create a powerful Third Industrial Revolution. He asks us to imagine hundreds of millions of people producing their own green energy in their homes, offices, and factories, and sharing it with each other in an energy internet, just like we now create and share information online. Rifkin describes how the five-pillars of the Third Industrial Revolution will create thousands of businesses, millions of jobs, and usher in a fundamental reordering of human relationships, from hierarchical to lateral power, that will impact the way we conduct commerce, govern society, educate our children, and engage in civic life. Rifkin's vision is already gaining traction in the international community. The European Union Parliament has issued a formal declaration calling for its implementation, and other nations in Asia, Africa, and the Americas, are quickly preparing their own initiatives for transitioning into

the new economic paradigm. The Third Industrial Revolution is an insider's account of the next great economic era, including a look into the personalities and players – heads of state, global CEOs, social entrepreneurs, and NGOs – who are pioneering its implementation around the world.

The Odd Is Out James Rallison,2019-01-10 Hilarious stories and advice about the ups and downs of growing up, from a hugely popular YouTube artist and storyteller.

Dagboken jag faktiskt skrev Jessica Devert,2022-01-26 Uppföljaren till Jessica Deverts omtyckta romandebut! Nytt år, nya möjligheter - och vår hjältinna från Dagboken jag aldrig skrev är tillbaka! Efter ett år av 50-årsfirande blandat med vallningar, mormorsångest och viss romantik har vardagen nu återgått till det normala. Men att vara femtio plus verkar vara precis lika komplicerat som att vara fyrtionio! Speciellt när man tampas med en sambo som är fullkomligt förtjust i den där nya, snygga och unga arbetskamraten. Lägg också till en sjuk mamma, en knepig syster, akvarellkurser, misslyckade skönhetsbehandlingar och ålderssnoja så är receptet komplett! Tur att allt får plats i den där dagboken... Dagboken jag faktiskt skrev är uppföljaren till Jessica Deverts hyllade debut Dagboken jag aldrig skrev. En rapp och rolig Bridget Jones för en mogen publik - fullpackad med igenkänning och Göteborgsmiljöer!

Problemet med Henry och Zoe Andy Jones, 2018 »En rörande, rolig roman som visar hur livet alltid kastar fram det oväntade.« Woman & Home »Har allt du kan vilja ha av en romantisk komedi och mer.« The Sun Henry och Zoe har mer gemensamt än vad de tror. Till exempel vill de båda till varje pris lägga det förflutna bakom sig. Henry har precis övergett sin ungdomsförälskelse på bröllopsdagen och åker till London där han hoppas kunna bygga upp sitt liv på nytt. Zoe har sina egna skäl att se över sitt liv, och hon tänker göra det genom att lämna London och resa över hela världen medan hon funderar på vad hon egentligen vill ha ut av livet. Hon vet inte vart hon är på väg, men hon är övertygad om att hon ska dit ensam. Om Henry och Zoe hade träffats för ett år sedan hade kanske allt sett annorlunda ut. Men det är inte så livet funkar och därför är den här boken inte heller en vanlig kärleksroman. ANDY JONES är en brittisk författare, bosatt i London med fru och två barn. Hans hyllade feelgood-roman Vi två kom ut på svenska 2016. Henry och Zoe är hans tredje roman.

The Kite Runner Khaled Hosseini, 2007 Traces the unlikely friendship of a wealthy Afghan youth and a servant's son in a tale that spans the final days of Afghanistan's monarchy through the atrocities of the present day.

Sjusiffrigt Anna Karolina, 2017-11-15 VÄNNER SVIKER HÅRDAST En sen kväll kidnappar Julia, Carla och Nikolina en ung miljardär. De är väl förberedda, synkade och stenhårda. Ingenting kan gå fel. Men när lösensumman uteblir tvingas de till nya brott. Allt kompliceras ytterligare när miljardären

hamnar på sjukhuset där Julia är läkare. Hon faller handlöst för sin patient. Under tiden arbetar sig polisen allt närmare kidnapparna, men har svårt att tro att det är kvinnor som ligger bakom de råa brotten. I Sjusiffrigt ställs vänskapens lojalitet mot attraktionens kraft. Det är en nervkittlande polisthriller med gripande intrig och oväntade förvecklingar. Tre barndomsvänner som yr från sitt förflutna – och rusar rakt mot en oförglömlig upplösning. ANNA KAROLINA har arbetat som polis i 15 år och är känd för sina trovärdiga polisiära beskrivningar. 2014 debuterade hon med Stöld av babian, som nominerades till Crimetimes debutantpris och Stora Ljudboks-priset. Därefter har hon skrivit ytterligare två böcker och översatts till ett flertal språk. Hon är bosatt i Malmö.

Överraska mig Sophie Kinsella, 2018-06-29 Personen du känner bäst kan ibland överraska dig mest! tio år har Sylvie och Dan varit ett par. De har ett mysigt hem, bra jobb, underbara tvillingflickor och de kommunicerar så självklart med varandra att de oftast avslutar varandras meningar. De vet allt om varandra och kunde helt enkelt inte vara lyckligare. Tills de på en läkarundersökning får höra att de båda har så perfekt fysik att de antagligen kommer att leva tills de blir hundra år. Vilket skulle innebära att de har 68 års äktenskap kvar?! Paniken slår till. Sylvie och Dan bestämmer sig för att hitta på små överraskningar för varandra, för att hålla relationen levande. Men under Projekt överraska mig allt från oväntade gåvor till restaurangdejter och udda fotograferingar staplas missförstånden på varandra

med komiska följder. Gradvis förvandlas överraskningarna dock till chockerande upptäckter. Och när en skandal från det förflutna avslöjas, börjar de undra om de någonsin känt varandra på riktigt ...Det här är Kinsella i högform. Det är stor humor och det är stor igenkänning. I Hyllan

In vino vänskap Maria Steen, 2023-06-13 Agneta är en storökande lagerarbetare, pigg på det mesta som kan göra livet lite roligare. Carina arbetar som revisor, och är betydligt mer försiktig av sig. Man skulle kunna se dem som en pingvin och en isbjörn – om inte särskilda omständigheter fört dem samman skulle de aldrig ha mötts. I Agnetas och Carinas fall är det en charterresa med buss till Italien som ligger bakom deras möte. Det visar sig att de faktiskt har något väsentligt gemensamt: förmågan att uppskatta ett gott glas vin eller två. Och under resans gång utvecklar de en stark gemenskap, inte bara tack vare vinprovningarna. På vägen ner till Italien händer nämligen mystiska saker som kräver sin lösning. Och det är något som de två damerna inte kan motstå. Serien "I vått och torrt" handlar om de två vännerna Agneta och Carina, som trots olikheterna har utvecklat en stark gemenskap. Tillsammans tar de sig igenom diverse problem som dyker upp i vardagen, allt ifrån otrogna män och jobbiga kollegor till misstänkta kidnappare. Maria Steen arbetade i många år som journalist, innan hon 2016 debuterade som författare. In vino vänskap är sjätte delen i hennes uppskattade feelgoodserie I vått och torrt.

Selecting, Preparing And Developing The School District Superintendent

David S.G. Carter, Thomas E. Glass, Shirley M. Hord, 2013-11-05 Growing discontent with the performance of educational institutions is common in the USA today and little is being done to address the real problem - that of the need to reform and restructure the entire educational system. A key issue in this reform is the training and development of leaders in educational administration; as experienced leaders retire, so new professionals are called to assume the mantle of the old hands and vital new opportunities exist for those willing to take up the challenge.; This vitally practical text is about the selection, preparation and professional development of aspiring school leaders over the course of their careers, concentrating on ways to increase their overall effectiveness - particularly in changing times. It looks at changes that have been made and considers what can be adapted from existing systems in order to make radical improvements for those in leadership positions.; It is intended for use by postgraduate students in education, teacher trainings, heads of education faculties and teachers in leadership positions, school board members and aspirant superintendents.

A Dictionary of Cebuano Visayan John Wolff, 2016-01-27 This is a dictionary of Cebuano Visayan, the language of the central part of the Philippines and much of Mindanao. Although the explanations are given in English, the aim of this work is not to provide English equivalents but to explain Cebuano forms in terms of themselves. It is meant as a reference work for Cebuano speakers and as a tool for students of the Cebuano language. There is a total of some 25,000 entries and an addenda of 700 forms which were prepared after the dictionary had been composed. This dictionary is the product of eleven years work by more than a hundred persons. The work was edited by John Wolff but the sources are entirely native, and all illustrations are composed by native speakers. To date, this work probably represents the most authoritative dictionary of the Cebuano Visayan language.

Grundläggande studier i hoppfullhet och hopplöshet Linn Spross, 2013-08-08 Hanna pluggar statsvetenskap i Uppsala. Där möter hon och knockas av den färgstarka Imagine, som är allt hon själv kanske önskar att hon vore – tvärsäker, glasklar, strålande. Men den gränslösa Imagine är svår att leva med, och frågan är om det går att strunta i lagar och normer i en värld som är full av just sådana. Ena dagen tycks världen ligga där för ens fötter och bara vänta på att bli erövrad, nästa grusas allt av att man inte ens har pengar till mjölken. Hannas mamma är 68-aktivisten som blivit radhusmorsa. Kanske är det i själva verket hon som står för den största handlingskraften,

som startar en feministisk studiecirkel med sina väninnor och engagerar sig fackligt för bättre arbetsvillkor? Hanna och Imagine ger kropp, ansikte och röst åt 80- och 90-talisterna – en generation mer globalt och politiskt medveten än någon tidigare, för vilken det bara är de verkligt stora politiska sammanhangen som känns värda att bry sig om. En träffsäker nutidshistoria om två revolutionstörstande tjugoåringar som tar livet och omgivningen med storm.
