**Arthur L. Finkle**

**Gabriel's Palace** ,1993 Over 150 tales from the Talmud, the Zohar, Jewish folktales, and Hasidic lore.

**The Shofar** Jeremy Montagu,2015-10-16 In *The Shofar*, Jeremy Montagu offers a detailed study of the ram's horn of the Bible, describing its history and use—both ritual and secular—from biblical times to the present. Because the same person normally blows the shofar each year during the Jewish High Holy Days, few are aware of the wide differences among communities around the world: the varying points in the Jewish liturgical service when the shofar is blown, what sound combinations exist, and the many varieties of the instrument. This is the first work of its kind to detail the full range of historical, musical, antiquarian, and religious issues surrounding the ancient instrument with all relevant citations from the Bible, the Talmud, and key post-Talmudic sources. Jeremy Montagu carefully examines horn types, sound characteristics, liturgical uses, and community functions to illustrate how the shofar has reflected local custom, regional needs, and religious practice. Chapters provide difficult-to-find information on how shofars are made; advice on how to choose, prepare, and maintain shofars; and instructions for aspiring blowers on a variety of traditions. With more than sixty photographs from the author's personal collection, this is an ideal work for Jews and Christians, religious scholars and musicologists, and even practicing musicians seeking to understand the crucial role of this instrument in the life of a people.

Sounding the Shofar Janet Rae Askins,2016-10-27 The SHOFAR is a voice in the wilderness of today's dry and barren land. People have so much knowledge of God, but do not seem to know how to get in touch with God. I've noticed this piercing sound helps usher people into His presence. HE will be sounding the SHOFAR to call His bride, His beloved to her new home. Will you recognize the cry

COME? For no man knows the day or the hour of His call for you as an individual \*\*\* ARE YOU READY?

2005, *הפיוטים של ראש השנה* With their difficult wording and esoteric meanings, piyutim are often little understood by many who read them. But the richness and depth of piyutim--written by pure and holy Torah giants--is a treasure waiting to be uncovered. In this eye-opening work, the words and meaning of the Piyutim which are said on Rosh Hashanah, are translated and explained. With precision and clarity, they are brought to light, enabling every reader to grasp the power of these uplifting prayers. With facing Hebrew and English and the commentary of Rabbi Dr. Joseph Breuer, ztl, who drew largely on the teachings of his grandfather, Rav Samson Raphael Hirsch.

*The Easy Guide to Shofar Sounding* Arthur L. Finkle, 2004 This short manual will help those who want to learn the significance and the art of the shofar. This is a great pre-High Holiday unit for children and adults.

*Go! Set a Watchman* Thomas Greaves, 2023-03-08 All of us have a God-given calling. Our faith is not a passive one. We are purposed for the action of great and mighty deeds. We are called to advance against an unseen enemy, take the high ground, and take back lost territory in the spiritual realm. Are you a prayer warrior? A watchman standing in the night hours when it is not easy to stand in this present darkness that seems too willing to overtake us if we fall asleep spiritually. Are you a prayer warrior? A watchman or watchwoman standing on the frontlines when it is not easy and the dawning of God's coming seems far away. Learn how to take on these spiritual dark forces head-on. Ever wanted to be in God's special forces for the breaking of spiritual strongholds? You must be an open instrument for God's purposes to flow through you. If you are clogged with the worldly things of this life, you will not be able to send a clear message to those who need to hear the good news. Learn

the ways of the ancient watchman that are just as vital in this modern age. Learn how God has used the shofar horn from Mount Sinai to the far reaches of this modern age by taking that trumpet sound outside the walls of your congregations. We all need to protect ourselves by putting on the full armor of God in order to be ready for the greatest of special operations missions--when we are all suddenly taken off the battlefield at the trumpet call of God's shofar horn at the rapture of believers. The stories are all true, and now I see that when I was in my mother's womb, God said, Go, set a watchman.

Sound the Shofar! Leslie Kimmelman,1998-07-22 Uncle Jake gets to blow the shofar twice within ten days, as the family celebrates first Rosh Hashanah and then Yom Kippur.

**For Signs and for Seasons** Eliezer Segal,2011-09-30 For Signs and for Seasons is a natural sequel to its companion volumes, Holidays, History and Halakhah, In Those Days, At This Time and Sanctified Seasons. Like those earlier books, this volume brings together a diverse collection of essays related to the cycle of Jewish holy days. Each chapter illustrates in a different way the interplay between the received teachings of the Torah and the vital impact of interpretations by diverse types of personalities, ideologies, historical events and communal dynamics. The articles are written from a sympathetic, but non-dogmatic perspective by an expert in the academic study of the Jewish religion. They were originally published as newspaper columns, and are designed to entertain as much as to educate the intelligent non-specialist.

**Maḥzor Or Le-Yiśra'el Le-Rosh Ha-Shanah** ,1928

**Awaken: Arise** Christopher Anderson,2016-03-30 As I read this book, there was a stirring that began to take place deep within my spirit. The fire within me was being rekindled! A passion and an overwhelming desire to see God awaken not only myself but also my family, my church, my

community, and the world filled my heart. I was reminded of what is missing in the Church: the truth of Gods Word coming forth that would bring conviction to the hearts of man. Pastor Billy Keller Senior Pastor, Trinity Church of God Winchester, KY Anderson makes the case that God has set aside some in this generation who will rise up as Samuel did in ancient Israel to replace the current leaders of the Church to help purify the Bride of Christ for His Return. And do we ever need that! Christians need to wake up and begin functioning in the full power of the Holy Spirit. You will know, as you read this book, exactly where you are and find out what you need to do next. Christopher Mantei Managing Director, Wings of the Eagle Resist the Beast

**Physics God and the End of the World** Dennis Wright,2006 In his 1989 book The Time Illusion, Dennis predicted incredible new developments; science is now providing them. In this new book, he provides the detail of how time travel is possible. The same hypothesis explains many of the problems confronting science today, such as Dark Matter and Energy, but raises a new question. Have we been

ignoring scientific proof of the existence of God?

**Scarlet Threads** Perry Stone,2014 Using the Biblical story of Rahab as an example, the author presents advice for mothers on how to use spiritual practices, confessions, and prayers to keep their family safe.

Building Benjamin Barbara M. Britton,2017-02-10 Love Grows Where God Grafts the Tender Shoot. Naomi desires to dance well enough to catch the eye of a wealthy landowner. Her father needs a substantial bride price due to the deaths of her brothers at the hands of the tribe of Benjamin. But when Benjamites raid the Ephraimite feast and capture young girls, Naomi is bound and carried from her home by Eliab, a troubled shepherd who needs a wife. As Naomi awaits rescue, she finds Eliab has a strong faith in God and a just reason for abducting her. A reason that affects all the tribes of Israel. The future of the tribe of Benjamin hangs in the balance, but if Naomi follows her heart and stays with Eliab to rebuild his lineage, she must forfeit her family and become a traitor to her own tribe.

**The Book of Our Heritage** Eliyahu Kitov,1997 Explores the Jewish year with great depth, sensitivity, and insight. Laws, customs and practices are all noted and explained, along with the words of our Sages in a wealth of Midrashic commentary.

**Shofar** Aaron Osborne,2008-12 This study of the Shofar will change your life forever! The Shofar is a sadly neglected, yet greatly needed, instrument which is created by Jehovah God and placed into the hands of His believers. This instrument is used as a means of warfare, repentance, encouragement, warning, conviction and victory. The sound of the Shofar is as powerful as it is unique. As we unearth the truths that surround the Shofar we find that there is an awesome connection between it and God's greatest creation; mankind! From within our churches to our streets, the sound of the Shofar will penetrate the hearts and lives of all those within earshot of its powerful
