

Mike Rand

WJ Hussar

WW Vietnam Michael Rand,2018-02-23 After being married for thirty days I came home from work and school my wife informed me I had a letter, I open the letter and it read. From the President of the United States you have been drafted into the United States Army please report to the induction station in Miami, Florida. *WW Vietnam* - Michael Rand

White Crosses Larry Watson,1998-04 Mercer County Sheriff Jack Nevelsen has sworn to serve and protect his corner of Montana, which includes his lifelong home, the small tidy town of Bantrock.

Psychedelic-40 Louis Charbonneau,2014-04-11 A dream world or a living nightmare? Psychedelic-40, the miracle drug designed to give users a sense of serenity has an interesting side effect for a small segment of the population. In people with latent telepathic and extra-sensory abilities—the Sensitives, and the even more powerful Specials—PSI-40 enhances their exceptional mental capabilities. But in the general public, addiction to PSI-40 has virtually enslaved humanity. For years, the insidious Mental Freedom Syndicate has controlled the creation and sale of PSI-40, despite mounting opposition from the underground activist group, The Antis. Now, Jon Rand, a skilled Sensitive and a key Security agent for the MFS, has a new assignment—locate the leader of the Antis and neutralize him, by any means necessary. His target, Kemp “Killjoy” Johnson, isn’t an easy man to catch. A rogue Special with unprecedented abilities, Killjoy evaded the MFS for 17 years before resurfacing in Baja California. As Rand delves into the underbelly of the PSI-40 market, searching for any trace of the elusive Killjoy, he suddenly finds himself the target of an unknown adversary. The line between friend and foe is blurred, and Rand’s life, his mission, and the future of the world, all depend on exposing the true enemy.

Why They Do It Eugene Soltes,2016-10-11 What drives wealthy and powerful people to white-

collar crime? *Why They Do It* is a breakthrough look at the dark side of the business world. From the financial fraudsters of Enron, to the embezzlers at Tyco, to the insider traders at McKinsey, to the Ponzi schemer Bernie Madoff, the failings of corporate titans are regular fixtures in the news. In *Why They Do It*, Harvard Business School professor Eugene Soltes draws from extensive personal interaction and correspondence with nearly fifty former executives as well as the latest research in psychology, criminology, and economics to investigate how once-celebrated executives become white-collar criminals. White-collar criminals are not merely driven by excessive greed or hubris, nor do they usually carefully calculate costs and benefits before breaking the law. Instead, Soltes shows that most of the executives who committed crimes made decisions the way we all do-on the basis of their intuitions and gut feelings. The trouble is that these gut feelings are often poorly suited for the modern business world where leaders are increasingly distanced from the consequences of their decisions and the individuals they impact. The extraordinary costs of corporate misconduct are clear to its victims. Yet, never before have we been able to peer so deeply into the minds of the many prominent perpetrators of white-collar crime. With the increasing globalization of business threatening us with even more devastating corporate misconduct, the lessons Soltes draws in *Why They Do It* are needed more urgently than ever.

Stalemate Carol A. Strickland,2014-12-31 On trial for her life... And her heart! The exciting THREE WORLDS superhero romance saga continues! Lina O'Kelly, psychic and interstellar transporter, is finally reunited with her love, Londo (Valiant) Rand, the galaxy's most powerful parahero. He was forced to leave her on their wedding day, but their reunion is bittersweet. He brings news of a hero's

death, and then cannot stop a formal inquiry into the charge of mind control that the Mega-Legion commander has leveled against Lina. She stands to lose her very mind if the judgment goes against her. >>> Dark secrets revealed No matter which way the trial goes, they both carry secrets that could tear apart their new relationship. Jae (Neutrino) Rallene, the last of his mysterious kind, holds the key that could seal Lina and Londo's happiness... or keep them separated forever.

HOSTAGE/CRISIS NEGOTIATIONS Thomas Strentz, 2013-03-01 The focus of this book is on dealing with hostage and crisis negotiations and how this can be successfully accomplished in order to save lives. Typically, those encountered by correctional and law enforcement crisis negotiators fall into one of three broad categories: The Bad, the Mad, and the Sad – or, those with antisocial personality disorder; those who are severely mentally ill, insane or psychotic; or those who are contemplating suicide, respectively. This book outlines tactics and procedures for dealing with these three groups of individuals. Many excerpts will be found of siege dialogue and behind-the-scenes efforts of those in the command post and other locations whose efforts and energies play an integral role in this life-saving process. Some topics discussed include how using sleep deprivation should be avoided by hostage and crisis negotiators and how it can be used to advantage against the culprits; and how active listening skills (ALS) can be utilized and the mechanics of the process. These ALS guidelines show how being not only a good interviewer but also a good listener can be used to find a remedy to the situation. Team roles and responsibilities are also discussed in some detail. Using “hooks,” or topics/persons that can be used to extract the subject from the crisis, and “hot buttons,” or topics/persons that should be avoided from discussion, is also examined. Several “Lessons Learned” sections are also included after the dialogues, outlining what was learned and achieved in the process and which pitfalls should be avoided. Crisis negotiations has also been included in the book because a

growing number of subjects with whom crisis negotiators deal are not holding hostages. While it is not the purpose of this text to review all tactics and techniques of the negotiations process, many examples are provided of what does work and, on occasion, what does not. It will prove to be a very useful tool to corrections and police negotiators and crisis interveners who seek peaceful ends to these very volatile and dangerous situations.

Touch of Danger Carol A. Strickland,2021-01-09 Superhero Romance and Adventure Like You've Never Seen Before! Can love blossom when a touch is deadly? Sometimes a superhero is just too powerful to enjoy life. But Londo (Valiant) Rand's foes have temporarily blasted away his powers, leaving him to outrun a mercenary army across an otherwise deserted South Pacific island—accompanied by a beautiful woman, Lina O'Kelly. If they're lucky they can reach safety until Londo's powers return. But Londo doesn't want those powers back, not yet. This is the one day in his life he'll be able to touch someone without the potential of accidentally tearing them to shreds. Too bad that psychic Lina is acutely phobic to touch. What the world's greatest superhero asks for is what she's unable to give. Can they escape terrorists, gales and ghosts to find haven? If they should fall deeply in love, how will they cope when Londo's powers return and he's too strong to hold Lina in his arms? Two books in one! The original Touch of Danger has been combined with Star-Crossed to bring you a larger adventure in one volume. Now the story reaches out to the stars and other worlds. Londo's life hangs by a thread. Are Lina's psychic healing techniques enough to save him, or will she need the help of unearthly science—and a beautiful alien man's powers? Lina begins to understand just how dangerous it is to get close to the galaxy's most famous hero. Even his friends are plotting against her. Can she

make Londo realize that all this can't possibly work? Even above her own heart, she must protect his.

David King Rick Poynor,2020-01-01 Exploring an unjustly overlooked figure in 20th-century British visual culture This book offers a comprehensive overview to the work and legacy of David King (1943-2016), whose fascinating career bridged journalism, graphic design, photography, and collecting. King launched his career at Britain's Sunday Times Magazine in the 1960s, starting as a designer and later branching out into image-led journalism. He developed a particular interest in revolutionary Russia and began amassing a collection of graphic art and photographs--ultimately accumulating around 250,000 images that he shared with news outlets. Throughout his life, King blended political activism with his graphic design work, creating anti-Apartheid and anti-Nazi posters, covers for books on Communist history, album artwork for The Who and Jimi Hendrix, catalogues on Russian art and society for the Museum of Modern Art in Oxford, and typographic covers for the left-wing magazine City Limits. This well-researched and finely illustrated publication ties together King's accomplishments as a visual historian, artist, journalist, and activist.

The Great Accident Ben Ames Williams,2021-11-05 The plot of The Great Accident revolves around Congressman Amos Caretall. He has a steel-trap mind and is considerate, courteous, and deceptively slow-moving. Except for the back-room saloons that prey on the town's weaker citizens, he adores his hometown of Hardiston, Ohio. Winthrop Chase Sr., the smooth-talking smelter owner who is running for mayor and aspires to higher office, is Caretall's only local political rival. But, as the Congressman is well aware, Chase has a flaw: Winthrop Chase Jr., an otherwise intelligent and capable young man who drowns himself in alcohol. Caretall declares his intention to back a Chase for mayor just before the election. In the year that follows, the plan he implements results in positive

change for Hardiston as a whole and young Wint Chase in particular.

The Great Accident Ben Ames Williams,1920

Political Power: Rand Paul and Ron Paul: Don't Tread on Me Michael L. Frizell,2015-11-17 The doctors Paul, Ron and his son, Rand, are champions of constitutional government, support low taxes and free markets, and are staunchly pro-America in their take on foreign policy matters. But Ron, an icon of the Libertarian movement, and Rand, an outspoken product of the Tea Party era, are their own men, and their influence on American politics cannot be denied. This explosive volume collects the best selling *Political Power: Ron Paul* by New York Times bestselling writer Marc Shapiro and Luciano Kars and *Political Power: Rand Paul* by Michael Frizell and Joe Paradise with a new cover by Paradise.

Deadworld: Restoration #1 Gary Reed,2020-06-06 Before there was *The Walking Dead* there was *Deadworld*. With over 100 comic issues and graphic novels released and 1,000,000 copies sold, *Deadworld* is considered by many to be the godfather of the modern day zombie comic. Now in color comes *Deadworld: Restoration* - Winner of the Ghastly Award for Best Horror mini-series. From the same creative team that brought you the acclaimed *Deadworld: War of the Dead*. **THIS ISSUE:** The lepers have been slaughtered, the people who escaped the breeder pits head for the safety of New Washington, and now the zombies are under the control of Donna, the half-human/half-zombie hybrid. With King Zombie apparently dead, she leads the zombies. Or does she? *Deadworld*, the long running, award winning, comic series that depicts the zombie apocalypse from a totally different perspective. "This is still one of the best zombie comics being made today." - Bagged & Boarded Comic Reviews A Caliber Comics release.

Deadworld: Restoration Gary Reed,2020-06-06 Before there was *The Walking Dead* there was *Deadworld*. With over 100 comic issues and graphic novels released and 1,000,000 copies sold,

Deadworld is considered by many to be the godfather of the modern day zombie comic. Now in full color comes Deadworld: Restoration - Winner of the Ghastly Award for Best Horror mini-series. Restoration reaches deeper into the series described by Talking Comics as “frightening, haunting, gloomy, grave, and delectably mystifying.” With the lepers slaughtered, the human breeding pits abandoned, and the King Zombie apparently dead, the survivors of New Washington can continue their plan to bring the zombies under control. But Donna, the half-human/half-zombie hybrid is searching for her daughter and she’ll destroy anything and anyone in her path to find her. When the Grakken, four-armed killing machines are unleashed, the zombies have a new ally, one for more vicious than themselves. Collects Deadworld: Restoration issues #1-5. ...thinking man’s horror done right.” -Comic Bastards. “You don’t normally see imagery painted with words in comics...” - Florida Geek Scene. This is still one of the best zombie comics being made today.” - Bagged and Boarded Comic Reviews. “This comic really rewrites the genre and gives it a breath of fresh air...” - Unleash the Fanboy. “An intriguing story line and twist on the standard zombie apocalypse. - Mighty Ink Comic Reviews. A Caliber Comics release.

American Hereford Record and Hereford Herd Book American Hereford Cattle Breeders' Association, 1928 Brief history of Hereford cattle: v. 1, p. 359-375.

Standom Maryn Scott, 2022-04-14 Singer-turned-actress Sara Silver is thrilled when producer Mika Williams offers her the role of a lesbian detective in a hot new series. And with in-demand actresses Christina Landis and Abby Farina onboard, the show is a sure to be a hit. But when Christina’s personal life gets in the way of her performance, and she exits the show in a wave of bury-your-gays backlash, Abby moves into the role as Sara’s love interest. Totally fine. Except for that secret post-fundraiser kiss they haven’t talked about, and the fact Abby is supposedly straight.

Thank you for reading **Mike Rand**. Maybe you have knowledge that, people have look numerous times for their chosen novels like this Mike Rand, but end up in infectious downloads. Rather than enjoying a good book with a cup of coffee in the afternoon, instead they are facing with some malicious virus inside their computer.

Mike Rand is available in our book collection an online access to it is set as public so you can get it instantly.

Our books collection saves in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Mike Rand is universally compatible with any devices to read
