The Ashland Series Alexandria Bishop,2019-02-17 A bundle of four books in the Ashland series, FINDING FLYNN, FALLING FOR HUDSON, FREEING JUDE, and FIGHTING FOR JAX. FINDING FLYNN When the drama in your life is crazier than fiction, anyone would want to escape. Bookworm Ashtyn is fed up with the immature rich boys who fill her high school. Her parents' marriage is on self-destruct mode. And her sister puts on a facade of perfection. Now her mom is running away and dragging Ashtyn with her. Finding herself in the middle of nowhere right before her senior year, she has no qualms about turning anything around. A distraction is just what the doctor ordered, and he comes in a tall, dark, and tattooed rocker package. At night, Flynn slings drinks as a bartender. During the day, the success of his band is the only thing on his mind. Neither was looking for love, but they can't deny their sizzling attraction. As the summer heats up so does their relationship, but will a secret that Flynn is keeping be enough to tear them apart or is their connection strong enough to withstand anything? FALLING FOR HUDSON What would you do if you suddenly lost your parents? Becoming an orphan right before her senior year is not something Chloe had on her agenda. Neither was moving away from the only home she's ever known. Rather than dealing with her grief she drowns her sorrows in a liquor-induced haze and relies heavily on Hudson. The only person who truly has her happiness in mind. With his band starting to take off the only thing missing from Hudson's life is someone to share it with. Lost in an internal battle between being the friend Chloe needs and the boyfriend she wants his resolve soon weakens when they find themselves locked in their school's auditorium for a long weekend. When these friends decide to finally become lovers, could a misunderstanding break their already unstable foundation? Or will they persevere and be exactly what the other needs? FREEING JUDE What happens in the past never truly stays there. Abbie dreams of an Olympic gold medal came crashing to the ground as a result of a former taboo relationship with her coach. With a fresh start, her thoughts are no longer consumed by gymnastics and the future she'll never have. Recently emancipated and freed from his past, Jude is finally going after his dreams, and nothing is standing in his way. Marlowe, the pop-punk band he's in is taking off and now he's determined to get the girl. A major event will change not only their lives but the small town they live in forever. Are Abbie and Jude strong enough to make it through and be free of their demons? Or will the weight of it all be their undoing? FIGHTING FOR JAX What would you do for a second shot at true love? When she was 17, Erin made a decision that would forever change everything. With fierce determination and hard work, she's found success but at the price of her happiness. Four years later, Erin has an opportunity to right the wrongs of her past and help the one person she's never stopped loving. Jax embraces his new rock star lifestyle. Women. Booze. Drugs. When he's given an ultimatum by his bandmates to clean up or leave the band, Jax agrees to accept help from the one person who has the ability to break him. Again. When Erin and Jax return to her family's ranch in Texas they're forced to face the ghosts of their past and decide if the time apart has changed the love they once shared. They must answer a question that neither is prepared to face - Can your first love remain your true love? Together they're given a second chance. At life. At love. At everything. BONUS: Includes the short story A Very Marlowe Christmas, previously published in the charity Anthology Love, Snow & Mistletoe.

Tears of Longing Christine Yano,2002-07-01 Enka, a sentimental ballad genre, epitomizes for many the nihonjin no kokoro (heart/soul of Japanese). To older members of the Japanese public, who constitute enka’s primary audience, this music—of parted lovers, long unseen rural hometowns, and self-sacrificing mothers—evokes a direct connection to the traditional roots of “Japaneseness.” Overlooked in this emotional invocation of the past, however, are the powerful commercial forces that, since the 1970s, have shaped the consumption of enka and its version of national identity. Informed by theories of nostalgia, collective memory, cultural nationalism, and gender, this book draws on the author’s extensive fieldwork in probing the practice of identity-making and the processes at work when Japan becomes “Japan.”

Media and Politics in Japan Susan Pharr,Ellis S. Krauss,1996-03-01 Japan is one of the most media-saturated societies in the world. The circulations of its big five national newspapers dwarf those of any major American newspaper. Its public service broadcasting agency, NHK, is second only to the BBC in size. And it has a full range of commercial television stations, high-brow and low-brow magazines, and a large anti-mainstream media and mini-media. Japanese elites rate the mass media as the most influential group in Japanese society. But what role do they play in political life? Whose interests do the media serve? Are the media mainly servants of the state, or are they watchdogs on behalf of the public? And what effects do the media have on the political beliefs and behavior of ordinary Japanese people? These questions are the focus of this collection of essays by leading political scientists, sociologists, social psychologists, and journalists. Japan's unique kisha (press) club system, its powerful media business organizations, the uses of the media by Japan's wily bureaucrats, and the role of the media in everything from political scandals to shaping public opinion, are among the many subjects of this insightful and provocative book.

**Home and Away** Neville Krasner, 2011-07-22 Although I have penned the odd verse since I was a youngster, I started writing regularly when I married. For the past forty-three years, I have composed for my wife Marion a poem for our anniversary, her birthday on the following day and for Valentines Day. She calls me a dreamy romantic, and I probably am, but I don't apologise for it. The tradition has progressed so that I usually provide a piece for birthdays of my family, occasionally for friends, and also for special occasions. These have been my main inspiration. Two other stimuli act as my muse: a love of travel and a love of Nature. Professionally and on vacation, I have travelled widely, and on all modes of transport. I am not particularly knowledgeable about Nature, but I love observing the cycle of the seasons and their effect on birds and small animals in the area where I live.

**DK Eyewitness Travel Guide: Vietnam and Angkor Wat** Richard Sterling, 2011-12-01 Vietnam opened its doors to tourists in the late 80s and, while at first a destination frequented by backpackers and war veterans, its appeal has grown ever since. Blessed with a long coast sprinkled with casuarina-lined beaches, the country now attracts sun-lovers and surfers, with resorts and spas sprouting all along the coast. Part of the award-winning Eyewitness series, this sumptuously illustrated guide leads readers to it all, from the floating markets of the Mekong Delta in the south to the hill towns inhabited by the Hmong minority in the north, and the best beaches to be found in between. A full chapter is dedicated to Angkor in neighboring Cambodia, with the astounding temples illustrated in glorious detail. Whether zipping around old Hanoi in a pedal-powered cyclo or dining on the exquisite local cuisine, the Eyewitness Guide to Vietnam and Angkor Wat is indispensable.

**Moving Day (Allie Finkle's Rules for Girls #1)** Meg Cabot, 2009-10-01 #1 New York Times bestselling author Meg Cabot's middle grade debut -- now in paperback! When nine-year-old Allie Finkle's parents announce that they are moving her and her brothers from their suburban split-level into an ancient Victorian in town, Allie's sure her life is over. She's not at all happy about having to give up her pretty pink wall-to-wall carpeting for creaky floorboards and creepy secret passageways-not to mention leaving her modern, state-of-the-art suburban school for a rundown, old-fashioned school just two blocks from her new house.

**King Dork** Frank Portman, 2008-02-12 As John Green, New York Times bestselling author of *The Fault in Our Stars* said, "King Dork will rock your world." The cult favorite from Frank Portman, aka Dr. Frank of the Mr. T. Experience, is a book like nothing ever done before--King Dork literally has something for everyone: At least a half-dozen mysteries, love, mistaken identity, girls, monks, books, blood, bubblegum, and rock and roll. This book is based on music--a passion most kids have--and it has original (hilarious) songs and song lyrics throughout. When Tom Henderson finds his deceased father's copy of J. D. Salinger's *The Catcher in the Rye*, his world is turned upside down. Suddenly high school gets more complicated: Tom (aka King Dork) is in the middle of at least half a dozen mysteries involving dead people, naked people, fake people, a secret code, girls, and rock and roll. As he goes through sophomore year, he finds clues that may very well solve the puzzle of his father's death and--oddly--reveal the secret to attracting semi-hot girls (the secret might be being in a band, if he can find a drummer who can count to four. A brilliant story told in first person, King Dork includes a glossary and a bandography, which readers will find helpful and hilarious. Praise for King Dork: "Basically, if you are a human being with even a vague grasp of the English language, King Dork, will rock your world."--John Green, author of *The Fault in Our Stars* "[No account of high school] has made me laugh more than King Dork. . . . Grade A."--Entertainment Weekly "Impossibly brilliant."--Time "Provides a window into what it would be like if Holden Caulfield read *The Catcher in the Rye*."--New York Post [STAR] "Original, heartfelt, and sparkling with wit and intelligence. This novel will linger long in readers' memories."--School Library Journal, Starred [STAR] "A biting and witty high-school satire."--Kirkus Reviews, Starred [STAR] "Tom's narration is piercingly satirical and acidly witty."--The Bulletin of the Center for Children's Books, Starred "Loaded with sharp and offbeat humor."--USA Today "King Dork is smart, funny, occasionally raunchy and refreshingly clear about what it's like to be in high school."--San Francisco Chronicle "King Dork: Best Punk Rock Book Ever."--The Village Voice "I love this book as much as I hated high school, and that's some of the highest praise I can possibly give."--Bookslut.com

**Ground Zero (Edisi Bahasa Inggris 'Titik Nol')** Agustinus Wibowo, 2015-11-10 After ten years wandering the world, Agustinus Wibowo has finally come home. He is now forced to face a reality that he has always feared. His mother is on the brink of death, as cancer ravages her body. Not unlike Scherazade who reads through one thousand and one tales over as many nights, the traveller recounts his journey to his ailing mother, who has barely ever left their little village in Java, Indonesia. He talks about the illusory homeland of China, the holy Tibet, the spiritual Nepal, the dramatic India, the struggling Pakistan, and the surviving Afghanistan. And along with these stories, his mother nally nds a voice to recount her own life journey. Fragments of their lives come together, two distinctive roads spanning time and distance only to converge, to become a heart-wrenching tale of love and survival. "Relating his travels to his dying mother, Wibowo beautifully captures the

bittersweet experience of solo travel. The excitement of discovery, the shadow of a changeling identity and the low-grade thrum of the road not taken combine to produce this lyrical journey through time and place.” –Elizabeth Pisani, author of *Indonesia Etc.: Exploring the Improbable Nation*

**Contemporary Asian Modernities** Eva Kit-Wah Man,2010 This book is a collection of selected essays presented at the International Symposium on «Contemporary Asian Modernities: Transnationality, Interculturality and Hybridity» hosted by the Humanities Programme of Hong Kong Baptist University in September 2006. As «modernity» has been used to describe the cultural, economic and socio-political conditions in the Western worlds, the time in which we now live and the Asian countries where capitalistic transformation is extensively carried out are already articulating their own descriptions. The essays collected here discuss the notions of «contemporary», «Asia» and «modernities» as they relate to the global trend of adopting capitalism. They probe into questions related to modernity as well as global modernity, ranging from China in particular to Asia in general. As reflected in the pluriversal meanings in the title, the book endeavours to make critical inquiries into the concept of modernity/modernities from different perspectives.

**Encyclopedia of Television Film Directors** Jerry Roberts,2009-06-05 From live productions of the 1950s like *Requiem for a Heavyweight* to big budget mini-series like *Band of Brothers*, long-form television programs have been helmed by some of the most creative and accomplished names in directing. *Encyclopedia of Television Film Directors* brings attention to the directors of these productions, citing every director of stand alone long-form television programs: made for TV movies, movie-length pilots, mini-series, and feature-length anthology programs, as well as drama, comedy, and musical specials of more than 60 minutes. Each of the nearly 2,000 entries provides a brief career sketch of the director, his or her notable works, awards, and a filmography. Many entries also provide brief discussions of key shows, movies, and other productions. Appendixes include Emmy Awards, DGA Awards, and other accolades, as well as a list of anthology programs. A much-needed reference that celebrates these often-neglected artists, *Encyclopedia of Television Film Directors* is an indispensable resource for anyone interested in the history of the medium.

**Karaoke** Xun Zhou,Francesca Tarocco,2013-06-01 *Dancing Queen. Respect. Brandy (You’re a Fine Girl)*. There are some songs so infectious that you can’t help but belt out the lyrics along with the singer. Karaoke—meaning “empty orchestra” in Japanese—gets rid of the singer and leaves you in the spotlight alone. It is the social manifestation of our desire to sing, in tune or out, and in three short decades, it has exploded into a worldwide craze. In this unprecedented study, Zhou Xun and Francesca Tarocco engagingly examine karaoke and all its associated kitsch, crime, and weirdness. Usually thought of as the pastime of desperately bad singers and slurring drunks, karaoke has never enjoyed a particularly stellar image. Xun and Tarocco, however, reveal its surprisingly complex history and significant cultural impact around the world. Originating in postwar Japan, karaoke soon spread to Southeast Asia and the West. Karaoke traces how it became a wildly successful social phenomenon that constantly evolved to keep pace with changes in technology and culture. Drawing on extensive research and international travels, the authors chart the varied manifestations of karaoke, from karaoke taxis in Bangkok to nude karaoke in Toronto to the role of karaoke in prostitution. Extensive personal anecdotes reveal the dramatic range of social experiences made possible by karaoke and how the obsession with performance and song has touched politics, history, and pop culture throughout global society. Karaoke bars are at the heart of rich escapist fantasies and the authors—in readable fashion and using vibrant full-color illustrations—document this unpredictable fantasy world and the people who inhabit it. Karaoke,therefore, will delight anyone who has had the courage to take the mike and front the “empty orchestra.”
