23 Minutes Vivian Vande Velde,2016-04-05 A teen girl races against the clock to prevent a terrible tragedy in this time travel suspense thriller that will keep middle grade and young adult readers on the edges of their seats By both society’s measure and her own, fifteen-year-old Zoe Mahar is pretty much a loser. Then one day she ducks into Spencerport Savings and Loan simply to get out of the rain—and witnesses a bank robbery gone horrifyingly wrong. The good news is that Zoe has a unique ability: she can play back time and repeat events. But it's not an unlimited deal—she can only jump 23 minutes, and her first playback creates an even more disastrous outcome. Zoe has only ten tries to get it right before this particular 23 minutes becomes irreversible. But in the process of trying to become the heroine she doesn’t believe she can be, Zoe will learn about herself—and realize that there is more to who she is than she thought.

Nineteen Minutes Jodi Picoult,2013-01-22 The daughter of a judge in a New Hampshire school shooting case witnessed the events but cannot remember the last several minutes of the attack.

Four Minutes Nataliya Deleva,2021-08-17 Giving voice to people living on the periphery in post-communist Bulgaria, Four Minutes centers around Leah, an orphan who suffered daily horrors growing up, and now struggles to integrate into society as a gay woman. She confronts her trauma by trying to volunteer at the orphanage, and to adopt a young girl--a choice that is frustrated over and over by bureaucracy and the pervasive stigma against gay women. In addition to Leah's narrative, the novel contains nine other standalone character studies of other frequently ignored voices. These sections are each meant to be read in approximately four minutes, a nod to a social experiment that put forth the hypothesis that it only takes four minutes of looking someone in the eye and listening to them in order to accept and empathize with them. A meticulously crafted social novel, Four Minutes takes a difficult, uncompromising look at modern life in Eastern Europe.

Every Fifteen Minutes Lisa Scottoline,2015-04-14 A single father and head of a successful Philadelphia psychiatric care unit sees his life begin to crumble when a teen patient is implicated in a murder and the doctor himself is wrongly accused of sexual harassment. By the best-selling author of Keep Quiet.

18 Minutes Peter Bregman,2011-09-28 Based upon his weekly Harvard Business Review columns (which is one of the most popular columns on HBR.com, receiving hundreds of thousands of unique page views a month), 18 MINUTES clearly shows how busy people can cut through all the daily clutter and distractions and find a way to focus on those key items which are truly the top priorities in our lives. Bregman works from the premise that the best way to combat constant and distracting interruptions is to create productive distractions of one's own. Based upon a series of short bite-sized chapters, his approach allows us to safely navigate through the constant chatter of emails, text messages, phone calls, and endless meetings that prevent us from focusing our time on those things that are truly important to us. Mixing first-person insights along with unique case studies, Bregman sprinkles his charming book with pathways which help guide us -- pathways that can get us on the right trail in 18 minutes or less.

An Ocean of Minutes Thea Lim,2019-06-04 A shortlisted finalist for the 2018 Scotiabank Giller Prize and the ALA 2019 Reading List for Science Fiction “Thea Lim’s An Ocean of Minutes is that rare thing—a speculative novel that is as heartfelt as it is philosophical. In lucid prose, Lim lays bare the complexities of migration and displacement, while offering a clear-eyed meditation on the elusive nature of human devotion.” —Esi Edugyan, Man Booker Prize Finalist and author of Washington Black “Lim paints a strange and unfamiliar world with her novel, full of fascinating social commentary on class differences, racism, and sexism.” —The Los Angeles Times In September 1981, Polly and Frank arrive at the time travel terminal at Houston Intercontinental Airport. One will travel, and one will stay. America is in the grip of a deadly flu pandemic. Frank has caught the virus and Polly will do whatever it takes to save him, even if it means risking everything. So she agrees to a radical plan—time travel has been invented in the future to thwart the virus. If she signs up for a one-way-trip into the future to work as a bonded laborer, the company will pay for the life-saving treatment Frank needs. Polly promises to meet Frank again in Galveston, Texas, where she will arrive in twelve years. But when Polly is re-routed an extra five years into the future, Frank is nowhere to be found. Alone in a changed and divided America, with no status and no money, Polly must navigate a new life and find a way to locate Frank, to discover if he is alive, and if their love has endured. “Lim’s enthralling novel succeeds on every level: as a love story, an imaginative thriller, and a dystopian narrative” (Publishers Weekly, starred review).

Book of Minutes Gemma López,2019 Imagine a book of hours condensed into a book of minutes: that is the project of the compact lyrical prose poems found in Gemma Gorga's Book of Minutes, the first English-language translation of this emerging poet, widely known and loved in her native Catalonia yet little

known outside it. The poems in Book of Minutes move seamlessly from philosophical speculation to aphorism, condensed narrative, brief love letter, and prayer, finding the metaphysical in even the most mundane. In the space of one or two paragraphs, they ponder God, love, language, existence, and beginnings and endings both large and small. In her openness to explore these and many other subjects, Gorga's leitmotif might well be light. Carrying with them echoes of Wallace Stevens, Rainer Maria Rilke, Hans Christian Andersen, Francis Ponge, George Herbert, and Emily Dickinson, the poems in Book of Minutes are nonetheless firmly in the twenty-first century, moving in a single breath from the soul to diopters or benzodiazepine. In deft, idiomatic translation from Sharon Dolin, Book of Minutes also retains the original Catalan texts on facing pages.
