Miracle Town Ted Price, John G. Miller, 1997-01-01 The book contains the recollections of Ted Price as told to John Miller about the re-inventing of an economically depressed town in central Washington into a busy Bavarian village. The community development and resulting tourism, according to the authors, happened as a result of the community spirit, vision and dedication to the continued existence of a small town that was their community.

Milan Since the Miracle John Foot, 2001-10 This book is the first comprehensive post-war history of one of Europe's most vibrant cities throughout an extraordinary period of social, cultural and economic change. The capital of Italy's economic miracle of the 1950s and 60s, Milan was a magnet for immigrants, as industry, design and culture created a heady mix of wealth, innovation and conflict. By the 1980s, heavy industry had all but disappeared and the city had reinvented itself as the world capital of fashion and a dynamic post-industrial metropolis. Meanwhile, the urban landscape was darkened by the bleak estates of the peripheries and the corruption scandals that exploded in what became known as 'Tangentopoli', or Bribesville. This fascinating book traces Milan's 'biography' through its buildings, design, fashion, cinema, families, immigrants and television. The city emerges as a potent economic power-house and laboratory for change, where art and culture converge in a modern but problematic urban space. Anyone interested in Italian history, urban studies or the future of Europe's cities will find this book an essential read.

The Miracle on Cooper Street Gloria Bonilla-Santiago, 2014-03-25 Author Dr. Gloria Bonilla-Santiago, a Puerto Rican child of migrant farm workers, defied family, tradition, and expectations to reach the highest ranks of academia and overcome monumental obstacles to create LEAP Academy, one of the nation's best charter schools. In The Miracle on Cooper Street, Bonilla-Santiago shares the challenges and obstacles, potential resources, and support of fellow professionals that moved LEAP Academy from a small charter school in 1997 to its top position today. She describes and analyzes the establishment and accomplishments of LEAP Academy in one of America's poorest and most violent cities, Camden, New Jersey. Bonilla-Santiago also shares the story of her personal and professional struggles as a Latina from an impoverished and working-class background, surviving and fighting for respect in an academic world that many times did not value racial or ethnic diversity. Those experiences forged a dream of transforming a poor urban community through education. The Miracle on Cooper Street narrates an inspiring account that shows how one determined individual can make a profound difference in the lives of at-risk children and their communities. It presents a working model for charter schools, while at the same time admitting that LEAP is a work in progress. Most of all, it describes an inspiring institution that has seen many young people break the cycle of poverty, graduate from high school, succeed in college, and go on to live productive lives.

Miracle Mile in Los Angeles Ruth Wallach,2013-07-09 The world-famous Miracle Mile in Los Angeles was shaped into a great commercial and cultural district by the city's tremendous urban expansion in the early twentieth century. Its origins along Wilshire Boulevard are directly related to the twin LA booms in auto travel and real estate ventures. Once the home of such famous stores as the May Company, Silverwood's, Coulter's and Desmond's, as well as Streamline Moderne and Art Deco architecture, Miracle Mile has boasted the La Brea Tar Pits and Farmer's Market, Gilmore Field and CBS Television City, as well as Pan Pacific Park and Museum Row. Join author Ruth Wallach, head of the University of Southern California's Architecture and Fine Arts Library, for this tour through the most emblematic neighborhood of twentieth-century Los Angeles development.

Florida's Miracle Strip Tim Hollis,2010-01-06 Since World War II, tourists have flocked to Florida's northwest Gulf Coast and sun and fun spots at Panama City Beach, Fort Walton Beach, and Pensacola Beach. Every year those visitors number in the millions. For those who long to recall how the vacationland appeared thirty, forty, or even fifty years ago, Tim Hollis has written *Florida's Miracle Strip: From Redneck Riviera to Emerald Coast*. In a style that informs and entertains, Hollis describes the rise of early developments, such as Long Beach Resort, and major tourist attractions, such as the Gulfarium and the Miracle Strip Amusement Park. With heartfelt nostalgia and a dose of tongue-in-cheek, he reminisces on the motels and tourist cottages; the restaurants, such as Captain Anderson's and Staff's; the elaborate miniature golf courses, such as Goofy Golf and its many imitators. He takes a special delight in recovering the memories of those quirky businesses that now exist only in faded photographs and aging postcards, such wacky tourist traps as Castle Dracula, Petticoat Junction, Tombstone Territory, and the Snake-A-Torium. In the book, Hollis examines how this area became known as the Miracle Strip, and how the local chambers of commerce got so tired of that image that the name gradually fell into disuse. The book is illustrated with a profusion of vintage photos and advertisements, most of which have not been seen in print since their original appearances. For the nostalgia lover, the snowbird, the tourist seeking yesteryear, *Florida's Miracle Strip: From Redneck Riviera to Emerald Coast* will be a welcome traveling companion.

Miracle Country Kendra Atleework,2021-06-01 WINNER OF THE SIGURD F. OLSON NATURE WRITING AWARD “Blending family memoir and environmental history, Kendra Atleework conveys a fundamental truth: the places in which we live, live on—sometimes painfully—in us. This is a powerful, beautiful, and urgently important book.” —Julie Schumacher, author of *Dear Committee Members* and *The Shakespeare Requirement* Kendra Atleework grew up in Swall Meadows, in the Owens Valley of the Eastern Sierra Nevada, where annual rainfall averages five inches and in drought years measures closer to zero. Her parents taught their children to thrive in this beautiful if harsh landscape prone to wildfires, blizzards, and gale-force winds. Above all, the Atleework children were raised on unconditional love and delight in the natural world. But when Kendra’s mother died when Kendra was just sixteen, her once-beloved desert world came to feel empty and hostile, as climate change, drought, and wildfires intensified. The Atleework family fell apart, even as her father tried to keep them together. Kendra escaped to Los Angeles, and then Minneapolis, land of tall trees, full lakes, water everywhere you look. But after years of avoiding her troubled hometown, she felt pulled back. *Miracle Country* is a moving and unforgettable memoir of flight and return, emptiness and bounty, the realities of a harsh and changing climate, and the true meaning of home. For readers of Cheryl Strayed, Terry Tempest Williams, and Rebecca Solnit, this is a breathtaking debut by a remarkable writer.

The Miracle Gilbert Morris,2009-05-26 Raising four strong-willed younger siblings after her mother’s death and her father’s imprisonment,

seventeen-year-old Lanie Freeman never knows what new adventure will roll into view—such as her brother’s wild idea to turn the family’s old truck into a traveling store. The Freeman Rolling Emporium could provide the financial security Lanie and her family so desperately need, or it could tear them apart. Yet it’s only a prelude to other changes. Author Brent Hayden’s arrival in Fairhope breathes fresh life into Lanie’s dream of becoming a writer. And then the hammer descends ... Lanie’s father is diagnosed with cancer, and the faith and unity of her family are stretched to the limit. And on top of this shattering news, a crisis is about to strike that will rock the whole town of Fairhope—and shatter Lanie’s dreams of love. The Miracle continues the story of a young woman’s valiant struggle to uphold her faith, her family, and her dreams during the height of the Great Depression.

Miracle on the Gridiron Jim Black, 2009-10 At long last, the story behind one of the most memorable chapters in Texas high school football history: The 1964 Class A State Champion Archer City Wildcats. An enthralling account from the team's humble beginnings to its improbable march through the play-offs. In the tradition of Hoosiers and Remember the Titans, Jim Black's latest novel will have readers laughing, crying, and cheering the remarkable story of a Cinderella high school football team in a small Texas town in the 1960s. Once Upon a Town Bob Greene, 2009-03-17 In search of the best America there ever was, bestselling author and award-winning journalist Bob Greene finds it in a small Nebraska town few people pass through today—a town where Greene discovers the echoes of the most touching love story imaginable: a love story between a country and its sons. During World War II, American soldiers from every city and walk of life rolled through North Platte, Nebraska, on troop trains en route to their ultimate destinations in Europe and the Pacific. The tiny town, wanting to offer the servicemen warmth and support, transformed its modest railroad depot into the North Platte Canteen. Every day of the year, every day of the war, the Canteen—staffed and funded entirely by local volunteers—was open from five a.m. until the last troop train of the day pulled away after midnight. Astonishingly, this remote plains community of only 12,000 people provided welcoming words, friendship, and baskets of food and treats to more than six million GIs by the time the war ended. In this poignant and heartwarming eyewitness history, based on interviews with North Platte residents and the soldiers who once passed through, Bob Greene tells a classic, lost-in-the-mists-of-time American story of a grateful country honoring its brave and dedicated sons.
