*Shootout at Miracle Valley* William R. Daniel, 2008 A little over one hundred years after the legendary shootout at the OK Corral, a radical South Chicago preacher named Frances Thomas moved to Miracle Valley, Arizona. She brought not only her congregation, but also a dangerous cocktail of fanaticism, faith healing, bigotry, and dynamite. Believing that God had called her to take over Miracle Valley, Pastor Thomas and her cult of followers set out to do just that -- with explosive results.

Miracle Minded Manager John Murphy, 2019-10-22 Readers witness fictional company president Jack MacDonald use the wisdom from A Course in Miracles to transform his company and relationships beyond anything he could ever imagine. Written in story form, *Miracle Minded Manager* approachably integrates the lessons author John J. Murphy has learned in both his personal and professional life since first learning about A Course in Miracles in 2008. Murphy credits the Course for accelerating his growth and prosperity and quadrupling his business revenues within two years, and now you, too, can benefit from the blending of lessons from A Course in Miracles and Murphy's modern-day training. Jack MacDonald, president of TYPCO, is trying to transform his company. He's hit a roadblock with unhelpful and defensive direct reports and ingrained systems of doing business that no longer serve. Unsure of how to continue, he turns to business consultant Jordan McKay, who has helped Jack with management challenges in the past. Jack is surprised that instead of suggesting practical business tactics, Jordan encourages him to adopt A Course in Miracles to open his mind and let go of ego. Though at first, he's reluctant, Jack and his wife, Judy, begin to follow the Course. The results are life changing.

**Neptune Basketball Club: God By the Lee** Jim O'Donoghue, 2020-10-16 This book covers the history of Neptune Basketball Club from 1947 to the present as told by its longest serving member and, while it refers to games, trophies, and tournaments, it concentrates on the social, cultural, and community aspects of the club's development, showing the uniqueness of Neptune on several counts. The book's setting is focussed in a relatively small area of Cork City's northside and provides a unique perspective on life in this working class area, especially in the post-war years of the late 1940s and 50s. It shows how a small group of dedicated working-class men came together, during hard financial times, to not only build a successful vibrant club but amazingly the only purpose built basketball stadium, which uniquely is owned by its members, not only in Ireland but in the world. This stadium was the largest building project in the Northside of Cork at that time, and the only venue capable of accommodating press and television with up to date facilities. The book is told through the memories of the club's longest serving member, Jim O'Donoghue and is rich with stories of times past, providing a snapshot of an era and cultural heritage now gone. It tells tales of first journey's abroad, mishaps with old jalopies of cars and bomb scares. It chronicles how Cork's Northside became the stronghold of basketball from its beginnings, in the only playing court available at Collins Barracks to the many civilian teams and courts of today, the first civilian players being Neptune members. Jim O'Donoghue gratefully acknowledges the assistance of Cork City Council and the Heritage Council in the production of this publication.

A Big Heart Mike Papale , 2021-09-01 As a teen, Mike Papale had one dream: to play college basketball.

He was laser-focused—training like an Olympic hopeful to make his dream reality. Out of nowhere, his world changed. August 24, 2006, while coaching a summer camp basketball game, he slumped over, unresponsive, turning blue within minutes. He was 17, and had gone into cardiac arrest. With no AED on site, he was given a one in a million chance to survive. He was soon diagnosed with Hypertrophic Cardiomyopathy, or HCM, which, left undiagnosed and untreated, can lead to sudden cardiac arrest. At the time, he was crushed—processing the life-altering news he would never be able to play competitive basketball again. He quickly realized he was fortunate to be alive, and redefined his life's purpose. *A Big Heart* brings the reader on Mike's story of reinvention, hope, and survival. It is guaranteed to inspire readers to battle adversity and attack their dreams!

**Mischief, Miracles, Motherhood, & Menopause** The Maverick Messenger, 2011-05-26 Mischief, Miracles,

Motherhood, and Menopause shares the stories of where author Julie B's life has taken her and what she has learned from each experience. Dubbing herself The Maverick Messenger, she is a therapist, artist, singer-songwriter, author, wife, mother, and recovering alcoholic. She tells humorous and touching tales of being the baby of her family, dealing with the realities of flat-chestedness, surviving the pregnancy and birth of twins, and dating again after a divorce. She offers her take on being an overwhelmed mother of three teenagers while mired in the hormonal hell of menopause. Julie also candidly shares painful and heartfelt stories about her rape at age twelve, her experiences with drinking through the ten years that covered her twenties, and her journey through recovery and divorce as well as two miscarriages, a house-fire, three hurricanes, and her father's death. Although each experience was devastating in its own right, as a whole they have given her a down-to-earth perspective on love, faith, and relationships. She hopes to inspire others to reevaluate their own lives and relationships with an open mind and heart. Her light-hearted, humorous perspective on a variety of subjects from adolescence to alcoholism will keep you laughing and crying at the same time.

Experience the program's turning point from the court of the 1947 98-29 loss to Kentucky that sent a clear message: time to play ball or drop it. The first full-time head coach, Bob Polk, soon arrived and built Vanderbilt basketball into the national contender it is today. Feel the magic of Memorial Gymnasium and get on your feet to cheer for impossible buzzer-beaters and thrilling victories.

The Legends Club John Feinstein, 2017-02-21 On March 18, 1980, the Duke basketball program announced the hiring of Mike Krzyzewski, the man who would restore glory to the team. The only problem: no one knew who Krzyzewski was. Nine days later, Jim Valvano was hired by North Carolina State to be their new head coach. The hiring didn't raise as many eyebrows, but the two new coaches had a similar goal: to unseat North Carolina's Dean Smith as the king of college basketball. And just like that, the most sensational competitive decade in history was about to unfold. In the skillful hands of John Feinstein, The Legends Club captures an era in American sport and culture, documenting the inside view of a decade of absolutely incredible competition. Feinstein pulls back the curtain on the recruiting wars, the intensely personal competition that wasn't always friendly, the enormous pressure and national stakes, and the battle for the very soul of college basketball.

**The Final Shot** David J. Yarbrough, 2011-01-06 This is a phenomenal sports story that happened in a town in Utah that most people can't even pronounce; Tooele, tu:illa. It is a true story about a team of destiny that learned about life, compassion, and athletic achievement. It is a real underdog story, a modern day Hoosiers, a shot HERD round the world. It was a miracle. The message is delivered to us by an underdog comprised of fifteen boys, five assistant coaches, and their head coach. They started out as individuals then worked to become true champions who loved and respected each other. The team was plagued with setbacks and surrounded by an unending array of naysayers and skeptics who defined the impossible. For their head coach it would become a love for his players, his family, his home town, and a battle for life itself.

The Big One Mike Krysiuk, Julia Bobkoff, 2023-06-09 1974 High school senior Mike Krysiuk loves baseball, playing guitar in a band with his buddies, and cruising the suburban streets of Westport, Connecticut in his Chevy Chevelle blasting tunes on his 8-track. Finally part of the in crowd-the cool jocks who cut classes without consequences-Mike has hit his stride. And at six foot four, with an oversized personality to match, he's earned his nickname-The Big One. After Mike comes off the bench to save a game with his famous sinker, turning a blowout into a one-run loss, a Mets' scout hands him a card and says he'll be back. Suddenly, the major leagues are more than just a pipe dream. Mike is supposed to go straight home after the game, to finish up his last term paper. But Ted, the cool crowd's cocky ringleader, presses Mike to join him and the rest of the gang on a beer run over the New York border. Mike agrees-a fateful decision that will permanently alter his life. The rest of the story is a family saga of determination, teamwork, and resolute optimism. Mike's remarkable journey reminds us that, in a life-threatening crisis,

the love of parents, siblings, relatives, and friends is invaluable-and likely the key difference between premature death and a new lease on life. Miracles really can happen when you shoot for the sun.

**The Miracles of Christ as Attested by the Evangelists** Alvah Hovey, 1864

Miracle at Midway Gordon W. Prange, Donald M. Goldstein, Katherine V. Dillon, 2014-05-06 New York Times bestseller: The true story of the WWII naval battle portrayed in the Roland Emmerich film is “something special among war histories” (Chicago Sun-Times). Six months after Pearl Harbor, the seemingly invincible Imperial Japanese Navy prepared a decisive blow against the United States. After sweeping through Asia and the South Pacific, Japan’s military targeted the tiny atoll of Midway, an ideal launching pad for the invasion of Hawaii and beyond. But the US Navy would be waiting for them. Thanks to cutting-edge code-breaking technology, tactical daring, and a significant stroke of luck, the Americans under Adm. Chester W. Nimitz dealt Japan’s navy its first major defeat in the war. Three years of hard fighting remained, but it was at Midway that the tide turned. This “stirring, even suspenseful narrative” is the first book to tell the story of the epic battle from both the American and Japanese sides (Newsday). Miracle at Midway reveals how America won its first and greatest victory of the Pacific war—and how easily it could have been a loss.

Russell's Revenge Dennis Fishel, 2005-07 Blending wry wit with a dose of regional flair, this fun-loving story reaffirms that not everything is as it seems, especially when you're only thirteen years old.

**The Miracle Habits** Mitch Horowitz, 2020-07-14 The People Who Doubted You Are In for the Shock of Their Lives Mitch Horowitz, “a cross between Aleister Crowley and Alan Watts” (Duncan Trussell), delivers this generation’s most literate and liberating self-help book in *The Miracle Habits*. Mitch shows how to foster a life of revolutionary self-direction through thirteen “Miracle Habits”—radical but workable commitments that allow you to “Spend for Power” (Habit 8), “Get Away from Cruel People” (Habit 6), “Rule In Hell” (Habit 13), and produce fortuitous events surpassing all expectation in career, creativity, relationships, charisma, and self-respect. “This book,” Mitch writes, “is about more than cultivating sanctioned notions of success or acceptance. It is not about being 10% happier, ‘good enough,’ or reorganizing your sock drawer. It is about fostering miracles. Not as a once-in-a-lifetime experience but as a recurring and natural part of life.” Washington Post: “Treats esoteric ideas and movements with an even-handed intellectual studiousness that is too often lost in today’s raised-voice discussions.” Paris Match: “Convincing...takes us far from naive doctrines.” David Lynch: “Mitch is solid gold.”
