**Digital Culture & Society (DCS)** Ramón Reichert, Annika Richterich, Pablo Abend, Mathias Fuchs, Karin Wenz, 2016-12-31 »Digital Culture & Society« is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. The third issue »Politics of Big Data« edited by Mark Coté, Paolo Gerbaudo, and Jennifer Pybus, critically examines the political and economic dimensions of Big Data and thus details its contestation. The contributions focus on the materialities and processes which manifest Big Data and explore forms of value beyond the state and capital. These range from open data initiatives, social media metrics, machine learning algorithms, data visualisation to data dashboards, critical data analysis, and new modes of data action research and practice.

**Not Needing All the Words** Annick Hillger, 2006 Reading selected texts by Michael Ondaatje, including the novels *In the Skin of a Lion* and *The English Patient* and the poem *Birch Bark*, Annick Hillger demonstrates how his writing both answers and challenges attempts to delineate the idea of a Canadian national self. She sets Ondaatje's work within the context of theoretical and philosophical ideas, developing the notion of a literature of silence concerned with finding a ground for self beyond the realm of language.

Everything appears to be perfect until an inexplicable and unsettling force begins to consume him. Terrifying occurrences disrupt his once-normal existence, leaving him bewildered and afraid. When enigmatic figures clad in dark blue coveralls arrive to claim him, *Fresco*'s world spirals into chaos. He is thrust into a nightmarish reality where he becomes entangled in the clutches of addiction to a mysterious substance called *Wasteland*. Alone and desperate, he finds himself wandering the unforgiving streets, haunted by unanswered questions and a relentless hunger that gnaws at his core. Patti Larsen's *Fresco* is a gripping new adult urban fantasy novel that deftly blends elements of the supernatural with the grit and darkness of the urban landscape. Prepare to be enthralled as *Fresco*'s journey unfolds, taking you on a heart-pounding adventure where secrets, danger, and self-discovery intertwine. Larsen's evocative storytelling will transport you to a world where the boundaries between reality and the unknown blur, and the line between salvation and damnation hangs in the balance. As you delve deeper into the story, you'll accompany *Fresco* on his quest for answers, grappling with the consequences of his addiction and the dark forces that seek to control him. *Fresco* is more than just an urban fantasy novel; it delves into the depths of human resilience, exploring themes of identity, self-discovery, and the inherent power we possess within ourselves. The Mirror of Ideas Michel Tournier, 1998-01-01 Tournier treats pairs both lowly and exalted - moving from fork and spoon, horse and bull, cat and dog, to fear and anguish, poetry and prose, body and soul, being and nothingness. Hardly an exhaustive inventory of traditional pairs, his selection nonetheless opens the door to patterns deeply embedded in culture and civilization, speech and writing, memory and habit.

*Free Wind Home* Gary Saunders, 2007 *Free Wind Home* carries the reader full circle through a childhood rooted in a sleepy Newfoundland outport with nineteenth century traditions, existing in a twentieth century world of war and uncertain politics. Theatre and Adaptation Margherita Laera, 2014-08-28 Contemporary theatrical productions as diverse in form as experimental performance, new writing, West End drama, musicals and live art demonstrate a recurring fascination with adapting existing works by other artists, writers, filmmakers and stage practitioners. Featuring seventeen interviews with internationally-renowned theatre and performance artists, *Theatre and Adaptation* provides an exceptionally rich study of the variety of work developed in recent years. First-hand accounts illuminate a diverse range of approaches to stage adaptation, ranging from playwriting to directing, Javanese puppetry to British children's theatre, and feminist performance to Japanese Noh. The transition of an existing source to the stage is not a smooth one: this collection examines the practices and the complex set of negotiations each work of transition and appropriation involves. Including interviews with Societas Raffaello Sanzio, Handspring Puppet Company, Katie Mitchell, Rimini Protokoll, Elevator Repair Service, Simon Stephens, Ong Keng Sen and Toneelgroep Amsterdam, the volume reveals performance's enduring desire to return, rewrite and repeat.

Break.up Joanna Walsh, 2018-04-27 A novel in essays that locates a "romance" within the mesh of electronic communication. So I didn't call you: instead I posted a new avatar of myself without my habitual dark glasses. I have learned: an image, any image, is a blind. All avatars give different information, illusions of contact called Telepresence, none of them the real thing. You texted me, 3 am, from some station ... As though it made any difference. But it did. —from *Break.up* In this "novel in essays," Joanna Walsh simultaneously flees and pursues an ambiguous partner in an affair conducted mostly online. Traversing Europe, she awaits emails and texts and PMs, awash in her dreams, offering succinct meditations on connection and communication. If Marguerite Duras situated the telephone as the twentieth century's preferred hopeless form of connection, Walsh pinpoints the nodal points of a "romance" within today's mesh of electronic communication. As Deborah Levy observed recently, "Joanna Walsh is fast becoming one of our most important writers." Her 2015 book *Hotel*, an investigation of transience conducted through hotel reviews, was described by *The Paris Review* as "a slim, sharp meditation on hotels and desires. [Walsh is] funny throughout, even as she documents the dissolution of her marriage and the peculiar brand of alienation on offer in lavish places." Praise for Joanna Walsh "Walsh's writing has intellectual rigor and bags of formal bravery." —*The Financial Times* "Hotel feels like something you want to endlessly quote: sharp, knowing, casually erudite ... there is power and an affecting gravitas in what Walsh does with detail." —*Sydney Review of Books* "Walsh is a sublimely elegant writer ... artful and intelligent." —*The New Statesman*

**Solip: System (Hardwired)** Walter Jon Williams, 2016-01-27 They call it Black Mind. Using this covert technology, Reno has written his own consciousness over that of Albrecht Roon, one of Earth's greatest enemies. A saboteur surrounded by enemies, he must act quickly, and without giving himself away, in order to turn the Orbital oppressors against each other and bring down their entire system. He's living in a labyrinth of paranoia, surrounded by bodyguards and treacherous rivals. And then he discovers that Black Mind is not a complete success-- Roon still lives inside him, and Roon is mad. **Myths of the Mirror** D Wallace Peach, 2013-04 Twenty years past, the governors plotted murder. Ruled by avarice, they imprisoned the winged dragons of Taran Leigh in the black cells of a stone lair. Tormented by spine and spur the once peaceful creatures howl, immense webbed wings beating beneath iron bars. Those who raised their voices in protest were banished--skyriders, the men who rode the dragons--vanished to the distant mountains of the Mirror. Now, Treasa, the daughter of exiles, seeker of secrets, dreams with the lair's dragons, her heart torn by her love for the winged creatures and a man who masters them. She must choose her path with care. The lair's black-garbed riders sense the dragon's growing savagery. Yet one, Conall, longs to grasp their power, subdue them and soar, unaware that winged flight, merged in harmony, is his for the asking. Then, a curved talon rends Conall's flesh and dragon scale, rattling against white ribs and the world shifts. As hearts once parted bind, Terasa and Conall join forces to fight for the dragon's freedom. Alliances form, old myths are revealed and new myths are born.
