The Turnouts – Tribute to a distant star Upendra,2016-09-26 A ‘Child’, having sighted a distant bright star through the doorway of a coach of the train he is travelling in, recapitulates priceless memories of the bond he shared with this Star. The story, woven around emotional highpoints in the life of the ‘Child’, is centered on precious moments with this Star, with its own share of satire and inflexibility. The emotional transitions the ‘Child’ experiences during a train journey, switches tracks almost at the same pace as the train (if not faster!). And, this journey unfolds itself on a larger-than-life canvas, ‘The Turnouts’ The train, piercing through dense fog and clipping at breathtaking speed with a rhythmic rattle at turnouts, seemed to be in a greater hurry to end its journey. On opening the huge metallic door of the coach that I was in, a gust of chilled air gushed into the coach engulfing me. It was a bright starlit night. A distant star, pinned to a conspicuous corner of the vast bright canvas of the night sky, caught my attention. The star, with a smooth sparkle and simmering warmth, seemed unusually bright. The star's brightness piercing through the dense fog and its warmth overpowering the chillness around was trying to reach out to me with a message. The Star was probably trying to

convey something to me and it did, resulting in a volcano of emotions, with the speeding train shifting tracks on each turnout, oblivious of the turmoil within.

Missing Presumed Dead Kiran Manral,2018 In a dysfunctional marriage, it may seem convenient

when the wife commits suicide, but things aren't always what they seem. Battling both a fractured marriage and the monsters in her cranium, Aisha leads a sequestered life on the outskirts of a town in the hills of North India. She struggles to stay functional and tries to wean herself off the pills that keep her from tipping over the edge. Meanwhile, Prithvi, the husband she once loved, seems as eager to be rid of her, as she is to flee from him. Only her children keep her tethered to her hearth. One rainy afternoon, Heer, Aisha's half-sister, her father's illegitimate daughter from another woman, appears. Despite her misgivings, Aisha goes into town and never comes back. Seemingly unperturbed, Heer slips into her missing sister's shoes effortlessly, taking charge of the house, the kids-even Prithvi, who responds to her overtures willingly. A note found in Aisha's wallet states that she has killed herself, although strange happenings leave room for doubts. But, if she is not dead, where is Aisha? Did she really commit suicide? has she been abducted or is she hiding? Why does Prithvi not grieve for his deceased wife? And why does Heer vanish without a trace one day, leaving no forwarding address? Examining the destruction a dystopian marriage and mental illness leave in their wake, 'Missing

'Presumed Dead' confronts the fragility of relationships, the ugly truths about love and death and the horrifying loss of everything we hold dear, including ourselves.

Search for the Missing Hunter Dave Hart, 2020-04-06 Early October 2013, an experienced hunter

goes into a remote section of the New Jersey Pine Barrens alone ... and disappears. Five days later his pet cocker spaniel is found in his abandoned and unlocked SUV with the keys still dangling from the ignition. His wallet and cell phone lie undisturbed on the dashboard. For a solid week the authorities comb the forbidding woods but come up empty. Nine months later the case has gone cold. There have been no new leads in the deepening mystery. The ‘widow’ and her family are anxious to get closure and collect on the missing hunter’s sizeable life insurance policy. But the insurance company remains skeptical. Under pressure the company sends a small team back into the woods to conduct one final search for evidence of what may have happened to the missing man. The team includes Kelly Martin the insurance field investigator, her live-in boyfriend Danny Windsor who has scored a plum assignment with the local newspaper and Tom Banks, a well-known local guide and professional tracker. Also along are Park Ranger Randi Lee and the enigmatic FBI agent, Russell Shaw. Kelly’s brother Geoffrey is paired with Noah Parsons, a former Coast Guard commander to monitor the expedition remotely under the watchful glare of an incredulous NJ State Police Lieutenant

and the growing irritation of an uncooperative cranberry farmer. Based in part on an actual event all signs point to something sinister as the search team runs into trouble from the start before sending them on an unexpected and dangerous adventure of their own. With a large payout hanging in the balance and a man's fate lingering in mystery and doubt, every snapping twig, every falling leaf and every rustle of the wind will have your hair standing on edge.

The Dying Beach Angela Savage, 2013-07-01 A new case for expat private investigator Jayne Keeney. As Jayne and Rajiv holiday in Krabi, Jayne can't stop her mind straying to thoughts of the future: a successful business, perhaps even a honeymoon. Who would have thought she could be so content? But then their tour guide's body is found floating in the shallows and no one can explain the marks around her neck. Jayne and Rajiv are pulled into a case that the police have already decided isn't one: a case that will pull at the seams of their fledgling relationships and lead Jayne into grave danger. Angela Savage is a Melbourne-based crime writer, who has lived and travelled extensively in Asia. Her first novel, *Behind the Night Bazaar*, won the 2004 Victorian Premier's Literary Award for an

unpublished manuscript. She is a winner of the Scarlett Stiletto Award and has twice been shortlisted for Ned Kelly awards. 'The Dying Beach is a detective story rich in Thai culture...Jayne, who can speak Thai and knock about with the best of them, is an endearing character.' Readings Monthly 'With its intricate narrative structure, use of multiple points of view and flashbacks, this is Savage's most ambitious and accomplished crime novel to date.' Age 'Savage writes with dry humour and a beguiling sense of place, but a hard-boiled quality of meance underpins the light cleverness of her prose.' Weekend Australian 'Keeney is an appealing, flawed heroine.' Sun Herald 'From time to time I am reminded how spoilt we are in Australia with the depth of talent in the crime genre. The Dying Beach is Angela Savage's third novel in the 'Jayne Keeney PI' series and it's the perfect escapist read. It whisks you away to a warm location and once you're there, the quality of the writing and clever plot details make spending time with expat Jane and Rajiv, her partner in life and love, a very enjoyable experience indeed...For crime fans this novel ticks all the boxes, but it would also appeal to anyone looking to escape their everyday routine with a ripper read.' Good Reading 'The Dying Beach is a love

story as well as a tightly plotted crime thriller...deft and unobtrusive characterisation...is a mark of both the humour and insight that is a hallmark of Angela Savage's writing, and the reason I've been recommending it to so many people.' David Whish-Wilson 'Sun-drenched beaches, sex, death, corruption, environmental destruction, and cobras - what more could you want in a crime novel?' The Hoopla 'The Dying Beach...is a stylish, intriguing and entertaining novel featuring an appealing protagonist.' Book'd Out blog 'The Dying Beach has it all: an exotic, evocative setting; terrifically drawn characters including good guys you can't help but like and a story that manages to be thought-provoking and an edge-of-your-seat ride at the same time. Highly recommended.' Fair Dinkum Crime blog
