

Mission Cobra Strike

Patrick E. Thomas

Cobra Strike Patrick E. Thomas,2012-08-27 No enemy of the United States has escaped the cunning and bravery of Captain Zakkova Ikanovich, a fifteen-year veteran of the US Navy SEALs. After a highly decorated career that includes the killing of Osama Bin Laden, Ikanovich and his 140-pound King Cobra snake retire. But the president of the United States and his advisors are not about to let Ikanovich's skills go unused. He is hired as a private citizen to undertake black covert operations and eliminate some of the world's worst terrorists and heads of state. Ikanovich exploits run the gamut: He blows up Iran's nuclear centrifuges in Qom, Iran, setting back Iran's nuclear warhead ambitions by years. He assassinates Grand Ayatollah Sayyed Ali Hosseini Khamenei and President Mahmoud Ahmadinejad of Iran. He attacks and destroys the Sinaloa cartel's major headquarters and cocaine processing facility. He kills thirty Muslim Brotherhood members who try to invade his home. Throughout his missions, Ikanovich befriends a motorcycle gang and becomes their guardian angel against rival gangs and the police. For the formidable Ikanovich, no mission seems too dangerous or too difficult as he seeks to protect the United States from evil forces.

The Point Team: Cobra Strike - Book #3 J.B. Hadley,2009-10-31 Three Americans are trapped in Afghanistan. Their only hope--The Point Team. The pulse-pounding action continues in book 3 of J.B. Hadley's thrilling Point Team series,

Cobra Strike Timothy Zahn,1990-04-01

Cobra Strike J. B. Hadley,1986

Strike of the Cobra Timothy Rizzi,1994 A space shuttle down . . . a load of nukes

aboard . . . a race to save the world. The Cobra Team, consisting of advanced-technology aircraft and crews, must mobilize every high-tech resource at its disposal before the space shuttle and its deadly cargo fall into enemy hands bent on global annihilation.

Snake Pilot Randy R. Zahn, 2003 Based on audiotapes he recorded during the war and sent home to his family, Randy Zahn's *Snake Pilot* recounts his experiences flying AH-1 Cobra helicopters during the Vietnam War. First deployed in Vietnam in 1967 and loaded with a formidable arsenal of weaponry, the Cobra was the first helicopter designed from inception as an attack aircraft. It dramatically changed the nature of the war in Vietnam by offering the Army, for the first time, its own powerful and highly accurate weapons platform for close-air-support missions. Randy Zahn arrived in Vietnam shortly before the 1970 U.S. invasion of Cambodia, one of the most impressive demonstrations by the Cobra in the war. He describes his stunning transformation from a naive, middle-class teenager from southern California to a hardened killer during his tour in Vietnam. Unlike the pilots who flew the fast-moving strike jets, Zahn experienced the war up close and personal, witnessing the grisly effects of the Cobra's firepower on enemy soldiers. The author does not glorify killing but rather explains in sharp relief the kaleidoscope of emotions associated with combat: fear, revenge, hate, remorse, pity, and even ecstasy. He captures many of the ironies and nuances inherent in Vietnam, especially during the final years of the conflict. Zahn displays a sensitivity rarely found in memoirs written by battle-hardened warriors. This human element, combined with the vast amount of archival research and interviews with members of his former unit, ensures that *Snake Pilot* will become the definitive account of the role helicopters played in Vietnam.

Super Cobra Attack Helicopters Michael Green, Gladys Green, 2005 Describes the AH-1W Super Cobra helicopter, including its history, equipment, weapons, tactics, and future use. Includes photo diagram.

Survivor's Quest: Star Wars Legends Timothy Zahn, 2011-06-28 The specter of the menacing Grand Admiral Thrawn looms over Luke and Mara Jade Skywalker as they embark on a journey to recover an important piece of Jedi history. Sometimes it seems a Jedi's work is never done, and Luke and Mara Jade Skywalker know this only too well. Despite the bond they share in the Force, the Jedi Master and his wife are still learning the ropes of being a couple after three years of marriage—and struggling to find time together between the constant demands of duty. But all that will change when they're united on an unexpected mission: They must pool their exceptional skills to combat an insidious enemy and salvage a part of Jedi history. Whatever may await, the Skywalkers will not face it alone. Joining them on the strange and solemn journey are an officer of the post-Palpatine Empire escorted by a detachment of Imperial stormtroopers; a party of diplomats from a gentle alien species that reveres the fallen Jedi for saving them from bloodthirsty conquerors; and a New Republic ambassador who harbors his own mysterious agenda. Soon enough, suspicion, secrecy, and an unknown saboteur run rampant aboard the isolated ship. But the gravest danger lies within the derelict walls of Outbound Flight, buried for half a century on a desolate planetoid. As the marooned hulk yields up stunning revelations and unexpected terrors to its visitors, Luke and Mara find all that they stand for—and their very existence—brutally challenged. The ultimate test will be surviving the deathtrap carefully laid by foes who are legendary for their ruthlessness, and determined

to complete the job Thrawn began: exterminating the Jedi.

Night of the Cobra Sgt. Jack Coughlin, Donald A. Davis, 2015-08-18 [Top-ranked sniper Kyle] Swanson is sent on a mission to track down two targets--one is the Cobra, the warlord who spent twenty years in prison after Swanson captured him and is now back in charge of the strong Somali underworld, vowing vengeance on the Marine; the other is the grandson of the schoolteacher who once saved his life, who has joined the Cobra's army of terror--

Scoundrels: Star Wars Legends Timothy Zahn, 2013-11-26 To make his biggest score, Han's ready to take even bigger risks. But even he can't do this job solo. NEW YORK TIMES BESTSELLER Han Solo should be basking in his moment of glory. After all, the cocky smuggler and captain of the Millennium Falcon just played a key role in the daring raid that destroyed the Death Star and landed the first serious blow to the Empire in its war against the Rebel Alliance. But after losing the reward his heroics earned him, Han's got nothing to celebrate. Especially since he's deep in debt to the ruthless crime lord Jabba the Hutt. There's a bounty on Han's head—and if he can't cough up the credits, he'll surely pay with his hide. The only thing that can save him is a king's ransom. Or maybe a gangster's fortune? That's what a mysterious stranger is offering in exchange for Han's less-than-legal help with a riskier-than-usual caper. The payoff will be more than enough for Han to settle up with Jabba—and ensure he never has to haggle with the Hutts again. All he has to do is infiltrate the ultra-fortified stronghold of a Black Sun crime syndicate underboss and crack the galaxy's most notoriously impregnable safe. It sounds like a job for miracle workers . . . or madmen. So Han assembles a gallery of rogues who are a little

of both—including his indispensable sidekick Chewbacca and the cunning Lando Calrissian. If anyone can dodge, deceive, and defeat heavily armed thugs, killer droids, and Imperial agents alike—and pull off the heist of the century—it's Solo's scoundrels. But will their crime really pay, or will it cost them the ultimate price? Praise for Scoundrels "Rapid-fire adventure [that] adds yet another dimension of enjoyment to a rousing galactic romp."—Library Journal "Highly entertaining . . . excellent Star Wars . . . There are many twists and turns [and] Zahn manages to find ways to twist them one step further than you'd expect."—Examiner.com "[Scoundrels] brings freshness to the franchise."—USA Today

Heir to the Empire: Star Wars Legends Timothy Zahn, 2011-09-06 Here is a special 20th anniversary edition of the #1 New York Times bestselling novel that reignited the entire Star Wars publishing phenomenon—featuring an Introduction and annotations from award-winning author Timothy Zahn, exclusive commentary from Lucasfilm and Del Rey Books, and a brand-new novella starring the ever-popular Grand Admiral Thrawn. The biggest event in the history of Star Wars books, *Heir to the Empire* follows the adventures of Luke Skywalker, Han Solo, and Princess Leia after they led the Rebel Alliance to victory in *Star Wars: Episode VI Return of the Jedi*. Five years after the Death Star was destroyed and Darth Vader and the Emperor were defeated, the galaxy is struggling to heal the wounds of war, Princess Leia and Han Solo are married and expecting twins, and Luke Skywalker has become the first in a long-awaited line of new Jedi Knights. But thousands of light-years away, the last of the Emperor's warlords—the brilliant and deadly Grand Admiral Thrawn—has taken command of the shattered Imperial fleet, readied it for war,

and pointed it at the fragile heart of the New Republic. For this dark warrior has made two vital discoveries that could destroy everything the courageous men and women of the Rebel Alliance fought so hard to create. The explosive confrontation that results is a towering epic of action, invention, mystery, and spectacle on a galactic scale—in short, a story worthy of the name Star Wars. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Winner Lose All--A Lando Calrissian Tale: Star Wars Legends (Novella) Timothy Zahn, 2012-12-10 Timothy Zahn's upcoming novel *Scoundrels*, starring Han Solo, Chewbacca, and Lando Calrissian, returns to the excitement of the classic Star Wars films. In this thrilling prequel eBook novella, *Winner Lose All*, Lando and a pair of unlikely allies find themselves involved in a dangerous game. Fortunately, Lando can survive against the odds—a skill that he will need in spades. Lando Calrissian's no stranger to card tournaments, but this one has a truly electrifying atmosphere. That's because the prize is a rare sculpture worth a whopping fifty million credits. If Lando's not careful, he's going to go bust, especially after meeting identical twins Bink and Tavia Kitik, master thieves who have reason to believe that the sculpture is a fake. The Kitiks are beautiful, dangerous, and determined to set things right—and they've convinced Lando to help them expose the scam. But what they're up against is no simple double cross, nor even a twisted triple cross. It is a full-blown power play of colossal proportions. For an unseen mastermind holds all the cards and has a fail-proof solution for every problem: murder.

Scoundrels Timothy Zahn, 2013 Han Solo, Chewbacca, and Lando Calrissian work

together on a potentially lucrative heist in the hopes of paying of Jabba the Hutt's bounty on Han's head.

Vietnam War After Action Reports ,

Cobra Bargain Timothy Zahn,1988 An anti-Cobra faction begins to chip away at the political power of Aventine governor Corwin Moreau, while his niece, Jasmine, is reluctantly accepted into the Cobra academy, and assigned to a dangerous mission to the planet Quasama

Spy School Secret Service Stuart Gibbs,2018-10-02 Ben goes undercover in the White House to take on a SPYDER operative determined to assassinate the president in this latest addition to the New York Times bestselling Spy School series. Thirteen-year-old Ben Ripley has had a lot of field success despite only just beginning his second year at Spy School, something even graduates rarely experience. But he'd never have survived without the help from experienced agents and his friends. Now he's been called in on a solo mission--and the fate of the United States of America is on his shoulders alone. The Mission: Prevent a presidential assassination by infiltrating the White House, and locating the enemy operative. But when the president's son is as helpful as a hamster, and a trained SPYDER agent would never appear to be up to something (they're far too clever for that), Ben may be in over his head this time. And when everything goes wrong, Ben must rely on his Spy School friends to save his reputation...but even friends can double-cross or be swayed to the enemy's side.

The Icarus Plot Timothy Zahn,2022-07-05 NEW SCIENCE FICTION SERIES FROM THE CREATOR OF THE COBRA SERIES AND STAR WARS' ADMIRAL THRAWN There

wasn't much money to be made as a Trailblazer, searching out new worlds for possible development. Still, it was safer than the bounty hunter career that had cost Gregory Roarke his left arm six years ago. And thanks to his Kadolian partner Selene's ultrasensitive sense of smell, they occasionally discovered a medically promising seed or spore they could sell under the table. It was a quiet life, uneventful and mostly legal. Until Roarke was approached by two men with a proposal: track down a mysterious woman named Tera and, through her, locate a secret project called Icarus. The challenge was intriguing. The unlimited budget was tempting. But Roarke had a more personal reason to accept the job. The chance for long-delayed payback. At the publisher's request, this title is sold without DRM (Digital Rights Management). About *The Icarus Plot*: "There are plenty of little things to delight the longtime Zahn reader, while also bringing new fans in a way that is perfectly accessible . . . Zahn remains one of the best writers of action I have ever had the pleasure of reading . . . *The Icarus Plot* is pure fun in the way that only one of the genre's greatest yarn-weavers can do." —Warped Factor "Anyone who has ever been interested in noir science fiction and espionage should read this. Take the espionage of John le Carre, the deduction of Sherlock Holmes, the twisty nature of *The Sting*, and you have *The Icarus Plot*." —Upstream Reviews About Timothy Zahn: "Zahn fans will enjoy the variety of small-unit combat scenes in the action-packed third and final *Cobra Rebellion* military SF adventure . . . [a] gripping series." —Publishers Weekly "Zahn keeps the story moving at a breakneck pace, maintaining excitement." —Publishers Weekly ". . . you can count on Timothy Zahn for three things: clean, sparse prose; good pacing; and great action scenes. The first book in the *Cobra War* series hits all those marks in admirable

style and makes for a quick, entertaining sci-fi novel.” —BlogCritics “[Conqueror’s Heritage] is another finely wrought space adventure . . . [with] social, political, and emotional complications, all of which Zahn treats with his usual skill.” —Booklist “Zahn paints every detail [in Angelmass] with gleamy realism . . . scientific dialogue that streams with starship hardware and military trooper talk . . . immensely appealing.” —Kirkus Review

The Icarus Job Timothy Zahn, 2024-03-05 Hoping to take possession of a new alien star-hopping portal, Roarke and Selene are tasked with transporting an assassin, who is herself being targeted. For years Gregory Roarke and his Kadolian partner Selene worked as crocketts, combing through the atmospheres of uninhabited worlds for places that might be colonized or hold valuable resources. Now, they work for the Icarus Group, a top-secret government organization hunting for portals created by a long-vanished alien race, portals that can teleport a person hundreds or thousands of light-years in the blink of an eye. Usually, those hunts are long and tedious. But Roarke has now been handed an intriguing offer. A criminal boss, Robertine Chernob, will hand over a hitherto unknown portal to the Icarus Group in exchange for Roarke and Selene agreeing to transport a passenger named Nikki across the Spiral. There’s only one catch. Nikki is a professional, high-priced, highly feared assassin. And she’s on the job. That would have been bad enough. But when the alien Patth also move to gain possession of the portal, bad quickly promises to go to worse. Especially when it becomes clear that Nikki herself is being hunted by someone. It’s up to Roarke and Selene to untangle the mysteries and get to the truth before they become someone’s collateral damage.

A Call to Vengeance David Weber, Timothy Zahn, Thomas Pope, 2018-03-06 Book three in the nationally best-selling Manticore Ascendant series, a prequel series to David Weber's multiple New York Times best-selling Honor Harrington series. Sequel to *A Call to Duty* and *A Call to Arms*. After the disastrous attack on the Manticoran home system by forces unknown, the Royal Manticoran Navy stands on the brink of collapse. A shadowy enemy with the resources to hurl warships across hundreds of light years seeks to conquer the Star Kingdom for reasons unknown, while forces from within Manticore's own government seek to discredit and weaken the Navy for reasons very much known: their own political gain. It's up to officers like Travis Long and Lisa Donnelly to defend the Star Kingdom and the Royal Manticoran Navy from these threats, but the challenge is greater than any they have faced before. Weakened but not defeated, the mercenary forces and their mysterious employer could return at any time, and the anti-Navy faction within Parliament is growing. The situation becomes even more dire when fresh tragedy strikes the Star Kingdom. While the House of Winton faces their enemies at home, Travis, Lisa, and the other officers of the Royal Manticoran Navy must reunite with old friends and join new allies to hunt down and eliminate the forces arrayed against them in a galaxy-spanning conspiracy. Manticore has learned that the universe is not a safe place, but the Star Kingdom's enemies are about to learn it's dangerous to mess with the Manticore!

The Icarus Twin Timothy Zahn, 2023-12-05 A NEW NOVEL IN THE ICARUS SERIES FROM NEW YORK TIMES BEST-SELLING AUTHOR OF THE ADMIRAL THRAWN STAR WARS NOVELS TIMOTHY ZAHN For years Gregory Roarke and his Kadolian partner Selene worked as crocketts, combing through the atmospheres of uninhabited worlds for

places that might be colonized or hold valuable resources. Now, they quietly work for the Icarus Group, a top-secret government organization hunting for portals created by a long-vanished alien race, portals that can teleport a person hundreds or thousands of light-years in the blink of an eye. Roarke and Selene are searching one such possibility when they find that someone appears to be stalking them. They evade their pursuers and return to find that a man named Easton Dent has been searching the Spiral's databases for the names Gregory Roarke and Icarus. Roarke reluctantly agrees to meet with him. But that first contact is cut short, and hours later Roarke is arrested and accused of Dent's murder. More importantly to Roarke's Icarus Group overseers, that brief meeting also confirms that Dent was in recent contact with a portal. But the alien Patth are also searching for such portals, and they are also on the trail. It's now a race . . . and the Patth have resources and ruthlessness far beyond anything Roarke and Selene can match. At the publisher's request, this title is sold without DRM (Digital Rights Management). Praise for *The Icarus Plot*: "This is Zahn at his best—great characters and settings, great worldbuilding, great suspense, and just a ton of action and space opera fun . . . It's also a passion project for the author, so if you enjoy Zahn, it's not to be missed." —Analog SF&F "There are plenty of little things to delight the longtime Zahn reader, while also bringing new fans in a way that is perfectly accessible . . . Zahn remains one of the best writers of action I have ever had the pleasure of reading . . . *The Icarus Plot* is pure fun in the way that only one of the genre's greatest yarn-weavers can do." —Warped Factor "Timothy Zahn is a mainstay in the field of science fiction." —Seattle Book Review "Anyone who has ever been interested in noir science fiction and espionage should read this. Take the

espionage of John le Carre, the deduction of Sherlock Holmes, the twisty nature of The Sting, and you have The Icarus Plot.” —Upstream Reviews About Timothy Zahn: “Zahn fans will enjoy the variety of small-unit combat scenes in the action-packed third and final Cobra Rebellion military SF adventure . . . [a] gripping series.” —Publishers Weekly “Zahn keeps the story moving at a breakneck pace, maintaining excitement.” —Publishers Weekly “. . . you can count on Timothy Zahn for three things: clean, sparse prose; good pacing; and great action scenes. The first book in the Cobra War series hits all those marks in admirable style and makes for a quick, entertaining sci-fi novel.” —BlogCritics “[Conqueror’s Heritage] is another finely wrought space adventure . . . [with] social, political, and emotional complications, all of which Zahn treats with his usual skill.” —Booklist “Zahn paints every detail [in Angelmass] with gleamy realism . . . scientific dialogue that streams with starship hardware and military trooper talk . . . immensely appealing.” —Kirkus Review

This is likewise one of the factors by obtaining the soft documents of this **Mission Cobra Strike** by online. You might not require more become old to spend to go to the book introduction as competently as search for them. In some cases, you likewise accomplish not discover the proclamation Mission Cobra Strike that you are looking for. It will very squander the time.

However below, later you visit this web page, it will be so very easy to get as skillfully as
