

# Missoula Zillastate

Stan Cohen

**Missoula** Philip Maechling,Stan Cohen,2010 In this survey of how Missoula has changed since the late 1800s, important historic sites in the city and environs are showcased in vintage and modern imagery.

**Historic Underground Missoula** Nikki M. Manning,2015 Much of Missoula's history lies beneath the surface. As in many Old West cities, cavernous underground tunnel systems purportedly hid countless nefarious activities, from clandestine prostitution and Chinese opium dens to booze running during Prohibition. These sordid tales captivate today's residents and beg questions about the city's furtive past. Did local elite gentlemen mask their carnal habits there? Did John Wayne really use the passageways to run personal errands unnoticed? Author and urban archaeologist Nikki Manning ventures below to reconcile oral history with archaeological data in a fascinating exploration of Missoula's subterranean labyrinths.

**Missoula** Lenora Koelbel,1983-04-01

**Report of the President** Montana State University (Missoula, Mont.),1901

Missoula County Images Stan Cohen,1993

*Red Ribbons* John H. Toole,1989 A story of Missoula and its newspaper.

*Missoula Bitterroot Memory Book* Stan Cohen, Frank Houde,1979-01-01

*Energy Sprawl Solutions* Joseph M. Kiesecker,David E. Naugle,2017-06-15 Over the next several decades, as human populations grow, the demand for energy will soar. But renewable energy sources have a large energy sprawl--the amount of land needed to produce energy--which can threaten biodiversity. In *Energy Sprawl Solutions*, scientists Joseph M. Kiesecker and David Naugle provide a roadmap for preserving biodiversity despite the threats of energy sprawl. Their strategy--development by design--identifies and sets aside land where biodiversity can thrive while consolidating development in areas with lower biodiversity value. This contributed volume features case studies from countries around the world, each describing a different energy sector and the way they have successfully maximized biodiversity protection. This book provides a needed guide for elected officials, industry representatives, NGOs and community groups who have a stake in sustainable energy-development planning.

Organization-Representation John Hassard,Ruth Holliday,1998-02-28 The representation of organizations and working life in the popular media signifies, but also helps shape, contemporary practice and institutions. *Organization-Representation* unravels the complex social relationship between organization and its representation, offering new insights into the interaction between the popular images we create and receive, and the power relations that govern society, working life and culture. Representations in Hollywood movies, ethnographic and documentary films, children's literature and the popular and 'quality' press replicate the power structures they supposedly describe and consequently help shape contemporary realities. This volume offers rich insights into the relations between cu
