Wall of Fame Jonathan Freedman,2000 As public education declined and many

Americans despaired of their children's future, Pulitzer Prize-winning journalist Jonathan Freedman volunteered as a writing mentor in some of California's toughest innercity schools. He discovered a program called AVID that gave him hope. In this work of creative non-fiction, Mr. Freedman interweaves the lives of AVID's founder, Mary Catherine Swanson, and six of her original AVID students over a 20-year period, from 1980 to 2000. With powerful personalities, explosive conflicts, and compelling action, Wall of Fame portrays the dramatic story of how one teacher in one classroom created a pragmatic program that has propelled thousands of students to college. This story of determination, courage, and hope inspires a new generation of teachers, students, and parents to fight for change from the bottom up.
