Most marketing books give you a formula for how to market your stuff, or they give you ideas, sometimes really good ones, on how to do it. But no one actually helps you set up a marketing plan that works for you. This book is different. It helps you formulate an actual marketing plan, based on what your customers think and feel. It's interactive, and it teaches you how to mine information so you really do find out what your customers are thinking. This book gives you the opportunity to make smarter, more effective decisions about your marketing. You can make smart marketing decisions. You can be an effective marketer. You can be a savvy marketer.

Have you felt like you were being overcharged or pressured into unnecessary add-ons at the auto shop? Fear no more: The Girls Auto Clinic Glove Box Guide has got your back. So many women feel powerless, nervous, or embarrassed when taking our cars in for a repair, and yet we outnumber men both as drivers and as customers at auto repair shops The time has come for us to grab the wheel and finally take control of our cars. Filled with easy-to-follow illustrations and instructions, great tips, and lifesaving rules of thumb, The Girls Auto Clinic Glove Box Guide will help take away the confusion and mystery surrounding cars, teach women what they need to know about how their cars work, and what they need to do to keep them running smoothly. Patrice Banks was once like most of us: a self-professed “auto airhead” who was clueless about car maintenance, yet convinced that mechanics were taking advantage of her. Now she’s an auto pro devoted to empowering women to learn basic car repairs and knowing what to do in an emergency. So whether you get a flat tire when you’re stranded in the middle of nowhere, your car overheats, or a mysterious dashboard light suddenly starts blinking, help is just a reach-in-the-glove-box away.

Almost A Born Loser! Annis Gregory Aleck,2011-05-09 Canada also tried to exterminate the Indians just like the USA but used subtle methods like diseases, starvation, Residential Schools and oppression. Then when we tried to do something for ourselves we were held back by the Govt. and many Canadians wouldn’t hire us or didn’t treat us very well when we got hired. Canada kept the truth well hidden by not exposing the truth or distorting stories so much that when they were exposing what happened there was very little, if any truth to what they’re saying. My story will expose some of these issues and how we had to struggle against overwhelming odds to do something with our lives but still weren’t able to work to our full potential.
