OuterSpeares Daniel Fischlin,2014-01-01 For Shakespeare and Shakespearean adaptation, the global digital media environment is a "brave new world" of opportunity and revolution. InOuterSpeares: Shakespeare, Intermedia, and the Limits of Adaptation, noted scholars of Shakespeare and new media consider the ways in which various media affect how we understand Shakespeare and his works. Daniel Fischlin and his collaborators explore a wide selection of adaptations that occupy the space between and across traditional genres – what artist Dick Higgins calls "intermedia" – ranging from adaptations that use social networking, cloud computing, and mobile devices to the many handicrafts branded and sold in connection with the Bard. With essays on YouTube and iTunes, as well as radio, television, and film, OuterSpeares is the first book to examine the full spectrum of past and present adaptations, and one that offers a unique perspective on the transcultural and transdisciplinary aspects of Shakespeare in the contemporary world.

Tour Tempo John Novosel,John Garrity,2004-04-27 What swing secret is shared by nearly all golf greats – from Ben Hogan to Tiger Woods? John Novosel's revolutionary breakthrough has cracked the "genetic code" of the golf swing – Tour Tempo. Tiger Woods...Greg Norman...Ben Hogan. What secret do these and nearly all golf legends share? Identical swing tempo. John Novosel has cracked the "genetic code" of the golf swing – and has derived a simple and effective system to teach it to golfers of all levels, from tour players to weekend warriors. This book includes a revolutionary instructional CD, featuring videos that illustrate exactly how to learn the tempo secrets of the tour pros, and a calibrated soundtrack that you can use while practicing at a driving range or in your living room. As an avid golfer and inventor, John Novosel studied film footage of the PGA greats, searching, along with countless others over the last century, for the key to what made certain golfers' swings so effortless and powerful. Novosel made a startling discovery. Nearly every champion demonstrated identical time proportion in his or her swing, a common ratio between takeaway and downswing. Regardless of style or form, the winning tempo was always the same – Tour Tempo. In this breakthrough book, Novosel and Sports Illustrated senior writer John Garrity explain exactly how to achieve Tour Tempo. Through clear, step-by-step instruction, golfers are taught how to master two basic drills to synchronize their swings. Novosel's technique has yielded rapid and tremendous improvement for players of every level –adding distance, automatically correcting typical swing problems, and noticeably shaving strokes off one's game. TOUR TEMPO is a remarkable breakthrough – truly golf's last secret finally revealed.

Audition Playbook Rachelle Jenkins,2019-03 The Audition Playbook is a two-part guide and workbook designed to help musicians of all instruments and levels efficiently and effectively plan and prepare for orchestra, band, or other ensemble auditions. No matter the goal, the Audition Playbook provides the framework upon which musicians can carefully create, implement, and follow their own plans from start to finish. Many factors go into having a successful audition and every winner will tell you about wildly different tools and secrets that set them apart from the pack. Every person--and every audition--is different. However, there are certain elements that tend to be universal among audition winners, and often, the most important factor is simply having a plan--a thoughtful, deliberate plan--and sticking with it. The Audition Playbook is not a one-size-fits-all template and does not set out to plan your entire audition for you. Part One: The Guide offers an overview of the the many different facets of audition preparation to consider and provides tools, suggestions, and exercises to implement into your own plan. Part Two: The Workbook provides the canvas upon which you will build your personal audition plan. Among the many topics covered: The four phases of audition preparation Goal-setting and re-setting Taking honest assessments of your technique, knowledge of the repertoire, and other skills Planning your daily and weekly practicing The development of performance skills Planning for the unexpected Recording your practice Mock auditions Writing your Audition Day Script Reflecting on your auditions Whether you're already a regular on the audition trail, a first-timer new to the world of auditions, or an already-established professional looking to up your game, the Audition Playbook is for you. ** Rachelle Jenkins is an accomplished horn player who has played with the Los Angeles Philharmonic, Montréal Symphony, Iceland Symphony, Hawaii Symphony, and many other orchestras and chamber ensembles around the world.
